Preface

Preface

The HAL Network Code is a set of rules which is incorporated by reference into, and therefore forms part of, each bilateral access contract between HAL and a holder of access rights. It does not create any contractual relationship between operators of trains.

The purpose of the HAL Network Code is;

- 1) To regulate change, including change to the working timetable, change to railway vehicles specified in an access contract, change to the network and change to the HAL Network Code itself;
- 2) To establish a performance monitoring system; and
- 3) To establish procedures in the event of operational disruption.

The HAL network code and other access documentation can be found at:

This Preface does not form part of the HAL Network Code.

Part B: Performance Monitoring

Explanatory Note

- A. Part B provides for the establishment by HAL of a Performance Monitoring System, designed to record whether trains pass specified monitoring points, the times at which they do so and the difference between those times and the corresponding scheduled times. The system is also designed to enable HAL to determine and record the cause of any delay or cancellation. Provision is made for HAL to notify and seek agreement from Affected Train Operators as to the cause of any such delay or cancellation, and there are procedures specified for resolving cases where HAL and a Train Operator disagrees as to cause.
- B. Allows for all aspects of monitoring of performance on the HAL infrastructure to be undertaken on HAL's behalf by a suitably competent and resourced third party.
- C. Establishes that the monitoring of performance on the HAL infrastructure will be overseen by the Delay Attribution Board which oversees the monitoring of performance on the Wider UK Rail Network. It also establishes that the Delay Attribution Guide which applies to the Wider UK Rail Network will be used as the basis for the attribution of performance incidents on the HAL infrastructure.
- D. Train Operators are given the right to notify HAL if the Performance Monitoring System is not fit for purpose and require HAL to investigate the grounds for such notification and report on its findings.
- E. HAL and Affected Train Operators are given the right to audit and inspect the records and monitoring equipment of the relevant Performance Monitoring System and to require tests of the Performance Monitoring System to be carried out in the presence of an independent expert.
- F. Part B also incorporates the Performance Data Accuracy Code, which applies to the Wider UK Rail Network, and which encompasses defined standards of accuracy of performance data.
- G. This Explanatory Note does not form part of the HAL Network Code.

Part D: Timetable

CONDITION D1 - INTRODUCTION

1.1 Overview

- 1.1.1 It is the responsibility of HAL to allocate capacity on the HAL infrastructure and to establish, or to procure the establishment of a timetable for the HAL infrastructure, referred to as the “Working Timetable”.
- (a) HAL is permitted to sub-contract the undertaking of all activities relating to the establishment of the Working Timetable to a suitably competent and resourced organisation. All references to HAL in this Part D shall be construed as including such suitably competent and resourced organisation.
 - (b) Where HAL has sub-contracted the establishment of the Working Timetable to Network Rail, except where this Part D states otherwise, the activities relating to the establishment of the Working Timetable will be fully integrated into Network Rail’s activities relating to the establishment of the Working Timetable in respect of the Wider UK Rail Network.
 - (c) Where HAL has sub-contracted the establishment of the Working Timetable to Network Rail, a Timetable Participant may:
 - (i) incorporate its submission of Access Proposal as described in Condition D2.4 and Condition D3.4.9 into its submission of Access Proposal relating to the Wider UK Rail Network;
 - (ii) incorporate its Train Operator Variation Request as described in Condition D3.3 into its Train Operator Variation Request relating to the Wider UK Rail Network.
- 1.1.2 Those entitled to participate in the processes set out in this Part D are defined as “Timetable Participants”.
- 1.1.3 The Working Timetable is re-issued in revised form twice a year. The process for producing the bi-annual revision of the Working Timetable is described in Condition D2.
- 1.1.4 In the period between bi-annual revisions of the Working Timetable, either HAL or Timetable Participants may wish to vary the Working Timetable, whether by altering or removing a scheduled Train Slot or by inserting a new Train Slot. HAL shall operate the processes described in Condition D3 to facilitate variations to a Working Timetable in appropriate circumstances.
- 1.1.5 In conducting the processes set out in this Part, decisions must be made by HAL in accordance with the principles set out in Condition D4.
- 1.1.6 Condition D5 describes the processes by which a Timetable Participant, dissatisfied with a decision of HAL made in respect of this Part D, may in specified circumstances appeal against that decision.
- 1.1.7 HAL requires access to the HAL infrastructure in order to fulfil its obligations in relation to the HAL infrastructure. The processes by which:
- (a) the Working Timetable is updated on a bi-annual basis (as described in Condition D2); and
 - (b) variations to the Working Timetable outside that bi-annual process are facilitated (as described in Condition D3); include arrangements to procure access to the HAL infrastructure required by HAL. Where such access is required over a period greater than that covered by one revision of the Working Timetable, HAL may wish to conduct an extraordinary process of consultation with parties affected by those works. A process for such consultation is described in Condition D6.
- 1.1.8 It is the responsibility of HAL and all Timetable Participants to collaborate with each other so that the implementation of the procedures in this Part D is carried out with optimal efficiency. HAL and Timetable Participants shall each establish and maintain systems and resources which are necessary and sufficient to facilitate such collaboration and their compliance with the procedures set out in this Part.

Part D: Timetable

1.1.9 In addition to compliance with the processes described in this Part D, Timetable Participants may be separately required to consult with the Secretary of State, Transport for London, other infrastructure managers and any other parties with the right to be so consulted, regarding proposals for the development of Services.

1.1.10 In this Part D:

- (a) the singular shall include the plural and vice-versa;

Calendar of Events is a calendar, produced by Network Rail for the Wider UK Rail Network, going forward for a period of at least 4 years showing events which are likely to require significant changes to the Working Timetable in a future bi-annual timetable revision process carried out in accordance with Condition D2;

D-X shall have the meaning shown in Condition D2.1.5;

Decision Criteria shall have the meaning shown in Condition D4.6;

Draft Calendar of Events a draft Calendar of Events;

Draft Rules shall have the meaning shown in Condition D2.2.3;

CONDITION D2 - BI-ANNUAL TIMETABLE REVISION PROCESS

2.1 Preliminary

2.1.1 The Working Timetable shall show every train movement on the HAL infrastructure, including:

- (a) every Service;
- (b) every Ancillary Movement;
- (c) the times of:
 - (i) departure from origin and arrival at destination;
 - (ii) the time of passing the point that the HAL infrastructure connects to the Network Rail Network
 - (iii) arrival at and departure from every intermediate stopping point;
 - (iv) such passing points, in accordance with the HAL Timetable Planning Rules, as HAL (acting reasonably) considers appropriate; and
 - (v) all relevant timing allowances.

The Working Timetable shall also include documents detailing platform arrangements.

2.1.2 HAL shall re-issue the Working Timetable in revised form on two occasions in each year, after a consultation and revision process conducted by HAL in accordance with this Condition D2

2.1.3 The implementation dates for the two annual revisions of the Working Timetable will conform with Schedule 4 of the Regulations. In particular, in accordance with Schedule 4, paragraph 2(1) of the Regulations, timetable decisions will not be made until the end of the consultation period outlined in paragraph 4.4.1 of the Network Statement. To the extent permitted by the Regulations, following consultation with other infrastructure managers, HAL may vary the change implementation dates from time to time, provided that all Timetable Participants have been informed of and not objected to the change. The Timetable Participants shall have no right to object if HAL varies the change implementation date in order for it to remain consistent with the change date that applies to the Wider UK Rail Network. Each change implementation date is referred to as a "Timetable Change Date". The first and main change implementation date, occurring in the winter of a calendar year, is referred to as the "Principal Change Date". The second change implementation date, occurring in the summer after the Principal Change Date, is referred to as the "Subsidiary Change Date".

2.1.4 This Condition D2 describes the process by which HAL will revise the Working Timetable on each of the Timetable Change Dates. Unless stated otherwise in this Part D, this process will be followed regardless of whether the change is to be implemented on a Principal Change Date or on a Subsidiary Change Date.

2.1.5 For the purposes of this Part D, a Timetable Change Date shall be designated by the letter "D". The sequence of events culminating in the adoption of a revised Working Timetable is designated by a series of milestone dates and steps, all of which refer to a week in the period prior to date "D". Each week commences at 02:00 on a Sunday and expires at 01:59 on the following Sunday. So, for example, "D minus 26" (or "D-26") refers to the 26th week prior to date "D". Where in this Part D any step or event is required or stated to occur by any week designated in this way, it must occur no later than 5pm on Friday of the preceding week. So, for example, a step which is required to occur no later than "D-26" must occur no later than:

- (a) 5pm on Friday;
- (b) in the week commencing on the Sunday which occurs 27 weeks prior to a Timetable Change Date.

Part D: Timetable

- 2.1.6 To produce the timetable to take effect on a Timetable Change Date, HAL will use as the starting point the timetable published at D-26 in the process related to the immediately preceding Timetable Change Date but may delete any Train Slots in respect of which it believes, acting reasonably and after consultation with the relevant Timetable Participant (if appropriate), that the relevant Timetable Participant, or its successor, will not have the necessary access rights at the time of the intended operation of the Train Slots (“the Prior Working Timetable”). If any subsequent variations are made to the Prior Working Timetable as a result of the appeal process, then they shall also be incorporated into it. The Prior Working Timetable is then subject to a process of amendment under Condition D2 and during this period shall be referred to as the “New Working Timetable”. The timetable which the New Working Timetable becomes on a Timetable Change Date is the Working Timetable. The period between Timetable Change Dates is referred to as the “Timetable Period”.
- 2.1.7 Not later than D-73 in relation to the Principal Change Date only, HAL shall:
- a) publish to all Timetable Participants a calendar showing the milestone dates which will apply (for the purposes of this Condition D2) to the process of planning the New Working Timetables to take effect as Working Timetables on the Principal Change Date and the Subsidiary Change Date
 - b) notify all Timetable Participants of the organisation to whom HAL’s responsibilities in respect of the establishment of the Working Timetable has been sub-contracted. Included within this notification will be all relevant contact details.
- 2.2 Revision of HAL Timetable Planning Rules and HAL Engineering Access Statement – D-64 to D-44**
- 2.2.1 Both the HAL Timetable Planning Rules and the HAL Engineering Access Statement (together referred to as “the Rules”) are revised on a bi-annual basis, each revised version being operative for the same Timetable Period as the Working Timetable to which they pertain. The Rules must be revised and updated, in accordance with the procedures described in this Condition D2.2, as a first stage in the preparation of a New Working Timetable.
- 2.2.2 Between D-64 and D-60, HAL shall consult with Timetable Participants in respect of any proposed changes to the Rules.
- 2.2.3 Following consultation in accordance with Condition D2.2.2, and not later than D-59, HAL shall provide to all Timetable Participants a draft of the revised Rules (the “Draft Rules”), provided that:
- (a) where “D” is a Principal Change Date, the Draft Rules to be provided and finalised shall be both those for the Timetable Period commencing on that Principal Change Date and those for the Timetable Period commencing on the immediately succeeding Subsidiary Change Date;
 - (b) where “D” is a Subsidiary Change Date, the Draft Rules to be provided and finalised shall pertain only to the Timetable Period commencing on that Timetable Change Date and shall contain only revisions:
 - (i) which are not material; or
 - (ii) the need for which was not reasonably foreseeable at the time when the prior revision of the Rules was made.
- 2.2.4 Following distribution of the Draft Rules and by D-54:
- (a) HAL shall consult with Timetable Participants in respect of the Draft Rules provided to them in accordance with D2.2.3 and in respect of any representations made pursuant to paragraph (b) below;

Part D: Timetable

- (b) Timetable Participants may make representations to HAL in respect of any changes they propose or objections they may have to the Draft Rules provided to them in accordance with D2.2.3.
- 2.2.5 Following D-54 and by D-44, HAL shall consider the representations and objections made to it by Timetable Participants pursuant to Condition D2.2.4 and may amend the Draft Rules. Not later than D-44, HAL shall issue the final revised Rules to all Timetable Participants.
- 2.2.6 In preparing revised Rules, HAL shall be required and entitled to act in accordance with the duties and powers set out in Condition D4.1 and to provide to Timetable Participants its reasons for making the revisions to the Rules.
- 2.2.7 Between D-44 and publication of the New Working Timetable at D-26, HAL may further revise the Rules where it considers, acting reasonably, such revision necessary or desirable in order to optimise that New Working Timetable. Before making any such further revisions to the Rules, HAL must first consult with all Timetable Participants who may be affected by the proposed changes. HAL will then inform all affected Timetable Participants of any such changes as soon as practicable after they are made. The amending power created by this Condition D2.2.7 is without prejudice to the amending power referred to in Condition D3.4.
- 2.2.8 Subject to Condition D2.2.9 below, any Timetable Participant dissatisfied with any decision of HAL in respect of those Rules (including any decision to revise those Rules pursuant to Condition D2.2.7) is entitled to appeal against any part of it. Any such appeal shall be conducted in accordance with Condition D5 and must be made by a Timetable Participant:
 - (a) in respect of any decision to revise the Rules pursuant to Condition D2.2.7, within five Working Days of receipt of HAL's decision;
 - (b) otherwise within fifteen Working Days of receipt of HAL's decision.
- 2.2.9 No appeal may be brought pursuant to Condition D2.2.8 in respect of any part of the Rules which conforms with any Possessions Strategy Notice which has:
 - (a) not been appealed in the timeframe for appeal set out in Condition D6.4.1; or
 - (b) has been appealed but has been finally determined by a Timetabling Panel or the ORR
 - (c) is necessary to enable the execution of an agreed Possession Strategy Notice, or a Possession Strategy Notice which has been appealed but has been finally determined by a Timetabling Panel or the ORR, relating to the Wider UK Rail Network.
- 2.3 **Timetable consultation – D-55 to D-40**
- 2.3.1 Any Timetable Participant wishing to introduce significant new Services or make significant changes to its Services shall notify HAL at the earliest opportunity and, where possible, before D-55. If HAL considers that the introduction of such new or changed Services may necessitate substantial timetable changes, it may commence the Initial Consultation Period, referred to in Condition D2.3.2 below, before D-55. In any event, HAL shall consult with Timetable Participants who may be affected by the proposed new or changed Services and shall provide them with all available relevant information in respect of those proposals.
- 2.3.2 During the period from D-55 to D-40 (or such extended period referred to in Condition D2.3.1):
 - (a) Timetable Participants shall indicate the changes (if any) that they propose should be made in preparing the New Working Timetable;
 - (b) HAL shall consult with Timetable Participants in respect of the New Working Timetable. The period of consultation required by this Condition is referred to as the "Initial Consultation Period".
- 2.3.3 During the Initial Consultation Period, HAL shall:

Part D: Timetable

- (a) use its reasonable endeavours to answer enquiries made by Timetable Participants in connection with matters that may affect or relate to the New Working Timetable;
 - (b) participate in dialogue with Network Rail and all Timetable Participants in order to identify opportunities to develop strategic initiatives and to promote network benefits such as connections, complementary services patterns and efficiency of operation.
- 2.3.4 Not later than D-45 HAL shall provide to the Timetable Participants a copy of the Prior Working Timetable. If any changes are made to the Prior Working Timetable as a result of the appeal process under Condition D2.7, then HAL shall notify these changes to Timetable Participants as soon as reasonably practicable.
- 2.4 **Submission of Access Proposals by Timetable Participants – before and after the Priority Date at D-40**
- 2.4.1 A Timetable Participant shall set out its requirements in respect of the New Working Timetable in a written proposal, to be referred to as an “Access Proposal” where:
- (a) it wishes to exercise any Firm Rights and/or Contingent Rights and/or any expectation of rights to obtain Train Slots in respect of the relevant Timetable Period, where those rights were not exercised to obtain Train Slots in the Prior Working Timetable; and/or
 - (b) it wishes to make changes to any Train Slot in the Prior Working Timetable;
 - (c) it wishes to set out its requirements in response to a notification by HAL under Condition D2.4.6; and
- 2.4.2 Where a Timetable Participant does not intend using a Train Slot, which is included in the Prior Working Timetable, in the relevant Timetable Period, it shall notify this fact to HAL in writing by D-40 or as soon as practicable thereafter.
- 2.4.3 Access Proposals may be submitted to HAL during the period up to D-26. However, Timetable Participants shall submit their Access Proposals (and any revised Access Proposals) as early as reasonably practicable prior to D-1826 in order to facilitate optimal planning of the New Working Timetable by HAL and to ensure optimal consultation between HAL, Network Rail and all Timetable Participants.
- 2.4.4 Access Proposals submitted by D-40 (“the Priority Date”) are given priority in the compilation of the New Working Timetable in certain circumstances set out in Condition D4.2. Access Proposals submitted after the Priority Date but by D-26 will be incorporated by HAL into the New Working Timetable as far as reasonably practicable, taking into account the complexity of the Access Proposal including any reasonable foreseeable consequential impact on the New Working Timetable and the time available before the end of the Timetable Preparation Period, and in accordance with the principles set out in Condition D4.2.
- 2.4.5 Any subsequent or revised Access Proposal submitted by a Timetable Participant shall amend an Access Proposal submitted earlier where it sets out different requirements to the earlier submitted Access Proposal regarding the manner in which a right is to be exercised. In such case the date on which the subsequent or revised Access Proposal is submitted will be treated, for the purposes of Condition D4.2.2, as the date of notification of the relevant right.
- 2.4.6 Where a Timetable Participant has:
- (a) submitted an Access Proposal which cannot be accommodated in the New Working Timetable; or
 - (b) a Train Slot in the Prior Working Timetable which cannot be accommodated in the New Working Timetable; or
 - (c) submitted a proposal purporting to be an Access Proposal but which is defective or incomplete,

Part D: Timetable

- 2.4.7 HAL must notify the Timetable Participant of this fact, as soon as possible after it has become aware of it, so that the Timetable Participant has the opportunity to submit a further Access Proposal under Condition D2.4.1(c).
- 2.5 **Content of an Access Proposal**
- 2.5.1 Each Access Proposal shall comply with the requirements of paragraph 4.1 of the Network Statement and shall include as a minimum in respect of each Train Slot, save to the extent that HAL expressly agrees in writing to the contrary:
- (a) the dates on which Train Slots are intended to be used;
 - (b) the start and end points of the train movement;
 - (c) the intermediate calling points;
 - (d) the times of arrival and departure from any point specified under paragraphs (b) and (c) above;
 - (e) the railway vehicles or Timing Load to be used;
 - (f) any required train connections with other railway passenger services;
 - (g) the proposed route;
 - (h) any proposed Ancillary Movements;
 - (i) any required platform arrangements at the start, end and all intermediate calling points;
 - (j) any relevant commercial and service codes; and
 - (k) the proposed maximum train speed and length.
- 2.5.2 Where an Access Proposal has been submitted by a Timetable Participant, HAL shall be entitled to require any further information in respect of that Access Proposal that it reasonably considers to be necessary or beneficial to the preparation of the New Working Timetable.
- 2.6 **Timetable Preparation – D-40 to D-26**
- 2.6.1 During the Timetable Preparation Period (D-40 to D-26) (“Timetable Preparation Period”), HAL shall compile the proposed New Working Timetable.
- 2.6.2 Between D-40 and D-26:
- (a) all Timetable Participants shall have access to the evolving draft of the New Working Timetable either:
 - (i) by way of “read-only” remote computer access or such other electronic means reasonably requested by a Timetable Participant; or
 - (ii) to the extent that a Timetable Participant does not have the required systems to facilitate remote computer access, by read-only computer access upon attendance at a location where such access is available as specified by HAL;
 - (b) HAL shall consult further with Timetable Participants in respect of their Access Proposals and the evolving draft of the New Working Timetable, and shall continue to answer enquiries and facilitate and co-ordinate dialogue as stated in Condition D2.3.3.
- 2.6.3 In compiling the New Working Timetable, HAL shall be required and entitled to act in accordance with the duties and powers set out in Condition D4.2.
- 2.7 **New Working Timetable Publication – D-26**
- 2.7.1 The New Working Timetable shall be published by HAL at D-26, subject only to variations made in the course of the appeal process described in this Condition D2.7.

Part D: Timetable

- 2.7.2 Any Timetable Participant affected by the New Working Timetable shall be entitled to appeal against any part of it provided that an appeal is lodged within twenty Working Days of its publication. All such appeals shall be conducted in accordance with Condition D5.
- 2.7.3 Where a Timetable Participant has enquiries or requires further information from HAL regarding the published New Working Timetable, HAL shall respond fully and promptly and where possible, taking into account the nature of the enquiry or information requested and the date this is received by HAL, so as to enable a Timetable Participant to comply with the timescales in Condition D2.7.2.
- 2.7.4 HAL shall promptly make all revisions to the New Working Timetable required by all appeal decisions, and shall notify all Timetable Participants upon completion of those changes.

CONDITION D3 – VARIATIONS TO THE WORKING TIMETABLE

3.1 Overview

3.1.1 From D-26 and during the relevant Timetable Period, Timetable Participants may wish to vary either the New Working Timetable, if it is before the Timetable Change Date, or otherwise the Working Timetable on an ad hoc basis by:

- (a) adding an additional Train Slot on one or more occasions;
- (b) amending the detail of one or more Train Slots;
- (c) removing one or more Train Slots.

Any such variation is referred to as a “Train Operator Variation”. The process to be followed where a Timetable Participant seeks a Train Operator Variation is set out in Condition D3.3.

3.1.2 From D-26 and during the relevant Timetable Period, HAL may wish to vary either the New Working Timetable, if it is before the Timetable Change Date, or otherwise the Working Timetable on an ad hoc basis by:

- (a) adding an additional Train Slot on one or more occasions;
- (b) amending the detail of one or more Train Slots;
- (c) removing one or more Train Slots;

in order to facilitate a HAL Restriction of Use or a Network Rail Restriction of Use. Any such variation is referred to as a “HAL Variation”. The process to be followed where a HAL Variation is sought with more than 12 weeks notice is set out in Condition D3.4. The process to be followed where a HAL Variation is sought with less than 12 weeks notice is set out in Condition D3.5.

3.1.3 Train Operator Variations and HAL Variations are collectively referred to as “Timetable Variations”.

3.1.4 In considering or making any Timetable Variation, HAL shall be required and entitled to act in accordance with the duties and powers set out in Conditions D4.3 and D4.4.

3.2 Timeline for the Planning of Timetable Variations

3.2.1 HAL Timetable Variations are planned by HAL on a week by week basis. Each week of a Working Timetable is referred to as a “Timetable Week”. Each Timetable Week commences at 00:01 on a Saturday and expires at 24:00 on the following Friday. The sequence of events by which variations are finalised is designated by a series of milestone dates and steps, all of which refer to a week in the period prior to the commencement of Timetable Week “TW”. So, for example, “TW minus 12” (or “TW-12”) refers to the 12th week prior to the start of a given Timetable Week “TW”. Where in this Part D any step or event is required or stated to occur by any week designated in this way, it must occur no later than 5pm on Friday of the preceding week. So, for example, a step which is required to occur no later than “TW-12” must occur no later than:

- (a) 5pm on Friday;

Part D: Timetable

- (b) in the week commencing on the Sunday which occurs 13 weeks prior to the commencement of week TW.
- 3.2.2 Not later than D-26, HAL shall provide to all Timetable Participants a calendar pertaining to each Timetable Week, showing the milestone dates which will apply (pursuant to this Condition D3) to the planning of all Timetable Variations in respect of that Timetable Week.
- 3.3 **Train Operator Variations after D-26**
- 3.3.1 Where a Timetable Participant seeks a Train Operator Variation, it shall submit to HAL a written request, referred to as a "Train Operator Variation Request".
- 3.3.2 A Train Operator Variation Request shall contain a full description of the variation sought and, where it relates to the addition or amendment of any Train Slot to be included in the Working Timetable, shall provide the same information in respect of the variation as would be contained in an Access Proposal (save that where a proposed Train Slot amendment does not involve revision of any information previously supplied to HAL in an Access Proposal for that Train Slot, the Train Operator Variation Request need not repeat that information).
- 3.3.3 From D-26 and during the relevant Timetable Period, a Timetable Participant is entitled to make a Train Operator Variation Request and HAL shall have the power to accept, reject or modify it, subject to the timeframes set out in Condition D3.3.6 below and acting in accordance with Condition D4.3.
- 3.3.4 Where a Train Operator Variation Request is received:
 - (a) on any day which is not a Working Day; and/or
 - (b) after 10:00 hours on a Working Day; it shall be deemed to have been received on the next Working Day thereafter.
- 3.3.5 For the purposes of calculating HAL's response time to a Train Operator Variation Request set out in Condition D3.3.6, the day of HAL's receipt of a Train Operator Variation Request is described as day 1 and each Working Day following this adds a day onto the description. For example, the Working Day after the day of receipt of the request is day 2.
- 3.3.6 HAL shall notify its acceptance, rejection or modification of a Train Operator Variation Request, by the following latest times:
 - (a) as soon as reasonably practicable, where the request is to operate a Train Slot on day 1 or day 2.
 - (b) by 15:00 hours on day 1, where the request is to operate a Train Slot on day 3;
 - (c) by 10:00 hours on day 2, where the request is to operate a Train Slot on day 4;
 - (d) by 15:00 hours on day 2, where the request is to operate a Train Slot on day 5;
 - (e) by 15:00 hours on day 3, where the request is to operate a Train Slot on day 6;
 - (f) by 10:00 hours on day 4, where the request is to operate a Train Slot on day 7;
 - (g) where (a), (b), (c), (d), (e) or (f) do not apply, within five Working Days of receipt of the request.
- 3.3.7 Where HAL fails to notify its response to a Train Operator Variation Request in accordance with Condition D3.3.6 and the request, if accepted, would not give rise to any conflict with:
 - (a) the New Working Timetable after it is published at D-26; or
 - (b) the relevant Working Timetable; or
 - (c) the Rules,
 it shall be deemed to have accepted the request.

Part D: Timetable

- 3.3.8 Where a Timetable Participant is dissatisfied with any final decision of HAL in response to a Train Operator Variation Request, it may appeal against that decision in accordance with Condition D5, provided that it submits its appeal as soon as reasonably practicable and, in any event, no later than five Working Days after it is notified of the relevant decision by HAL.
- 3.3.9 Where HAL rejects or modifies any Train Operator Variation Request it must provide written reasons for its decision.
- 3.4 **HAL Variations with at least 12 Weeks Notice**
- 3.4.1 The procedures described in this Condition D3.4 are designed to facilitate the planning of all HAL Restrictions of Use and Network Rail Restrictions of Use at least 12 weeks prior to the start of each Timetable Week.
- 3.4.2 HAL shall be entitled to make a variation to the Working Timetable provided that:
- (a) the HAL Variation is made for the purpose of taking HAL Restrictions of Use which are consistent with the Rules, as published following the process set out in Condition D2.2 or as amended in accordance with the procedure established pursuant to Condition D3.4.3; or
 - (b) the HAL Variation is made for the purpose of facilitating an agreed Network Rail Restriction of Use; and
 - (c) HAL complies with the procedure set out in this Condition D3.4.
- 3.4.3 HAL shall include in the Rules a procedure to enable amendment of the Rules, following their finalisation in accordance with Condition D2.2. This amending power is without prejudice to the amending power referred to in Condition D2.2.7, and is to be utilised in order to facilitate changes which HAL considers necessary to take HAL Restrictions of Use or to facilitate Network Rail Restrictions of Use.
- 3.4.4 The procedure referred to in Condition D3.4.3:
- (a) must require that no amendment to the Rules may be made unless HAL has consulted with all Timetable Participants likely to be affected by the amendment;
 - (b) must require that all decisions of HAL be made by application of the Decision Criteria in accordance with Condition D4.6;
 - (c) may authorise changes to the procedure.
- 3.4.5 All amendments to the Rules made pursuant to the procedure referred to in Condition D3.4.3 shall be subject to the appeal procedures in Condition D5 as if they were made pursuant to a procedure set out in this Part D.
- 3.4.6 Notwithstanding anything stated elsewhere in this Part D, where any amendment is made to the procedure referred to in Condition D3.4.3 by use of that procedure, the amendment shall not take effect until the determination of any appeal against the same.
- 3.4.7 Where HAL proposes to make any variation to the Working Timetable consequent upon an amendment to the Rules made in accordance with this Condition D3.4, HAL shall provide to each Timetable Participant, by TW-30, its proposals for HAL Restrictions of Use in respect of the corresponding Timetable Week. All such proposals may be amended or supplemented by HAL at any time prior to TW-26 and such amendments or supplements should also be provided to Timetable Participants prior to TW-26.
- 3.4.8 After TW-30 but by TW-26, HAL shall consult with each Timetable Participant affected (directly or indirectly) by the HAL Restrictions of Use proposed pursuant to Condition D3.4.7 and shall seek to agree all HAL Variations to be made.
- 3.4.9 To facilitate the planning of any HAL Variation, HAL may require that any Timetable Participant shall submit a revised Access Proposal in respect of any Train Slot.

Part D: Timetable

- 3.4.10 Where HAL requires a revised Access Proposal:
- (a) the requirement must be notified to the affected Timetable Participant no later than TW-22;
 - (b) HAL shall specify the aspects of the Access Proposal which need to be revised and its reasons for this;
 - (c) HAL shall specify a reasonable period in which the revised Access Proposal must be provided, and in any event the revised Access Proposal shall be submitted no later than TW-168.
- 3.4.11 HAL may modify, accept or reject a revised Access Proposal and where it modifies or rejects any revised Access Proposal, it must provide written reasons for its decision.
- 3.4.12 Where a revised Access Proposal has not been submitted by a Timetable Participant as required by HAL, HAL shall be entitled to make a HAL Variation of any Train Slot in respect of which the revised Access Proposal was required and no appeal may be made in respect of HAL's decision.
- 3.4.13 Not later than TW-14, HAL shall notify all Timetable Participants of its decision in respect of HAL Variations to be made pursuant to the procedure in this Condition D3.4.
- 3.4.14 Not later than TW-13, any Timetable Participant affected by HAL's decision notified pursuant to Condition D3.4.13 shall inform HAL whether it accepts or disputes that decision.
- 3.4.15 At TW-12, HAL shall record and provide to all Timetable Participants, in accordance with Condition D3.7.1, the HAL Variations to be made pursuant to this Condition D3.4.
- 3.4.16 Subject as provided in Condition D3.4.12, any Timetable Participant which is dissatisfied with any final decision of HAL in respect of a HAL Variation may appeal against it in accordance with Condition D5.
- 3.5 HAL Variations with less than 12 Weeks Notice**
- 3.5.1 It may be necessary for HAL Restrictions of Use to be arranged by HAL, or Network Rail Restrictions of Use to be arranged by Network Rail, with less than 12 weeks notice or otherwise outside the process described in Condition D3.4. The following paragraphs of this Condition D3.5 are intended to facilitate such Restrictions of Use.
- 3.5.2 Where HAL proposes to make any variation to the Working Timetable in circumstances where it is not reasonably practicable to comply with the timing requirements of Condition D3.4, HAL shall follow the procedures set out in Condition D3.4 save that:
- (a) the timing requirements specified there; and
 - (b) Conditions D3.4.13, D3.4.14 and D3.4.15;
- shall not apply. In carrying out those procedures, HAL shall be permitted (for itself) and shall prescribe (for affected Timetable Participants) such time periods for each step as are reasonably practicable in the circumstances. HAL shall notify all affected Timetable Participants of its final decision in respect of any such change as soon as reasonably practicable. Any variation to a Working Timetable made pursuant to this Condition D3.5.2 shall be a "HAL Variation" for the purposes of this Part D.
- 3.5.3 Any Timetable Participant which is dissatisfied with any final decision of HAL in respect of a HAL Variation made pursuant to Condition D3.5.2 may appeal in accordance with Condition D5.
- 3.5.4 A Timetable Participant may not appeal against a decision by HAL where it has been taken to facilitate an agreed Network Rail Restriction of Use.
- 3.6 Timetable Variations by consent**
- 3.6.1 Notwithstanding anything stated in this Condition D3, where HAL and all affected Timetable Participants have so consented in writing, a Timetable Variation may be made without the need for compliance with such of the requirements of this Condition D3 as are specified in the consent. Such a variation is referred to as a "Timetable Variation by Consent".

Part D: Timetable

3.7 **Publication of Timetable Variations**

3.7.1 Where, pursuant to the processes described in this Condition D3, any Timetable Variation or Timetable Variation by Consent has been finalised, it shall be recorded by HAL in one or more schedules (each referred to as a “Short Term Plan”). Each Short Term Plan shall be made available to affected Timetable Participants (by the same means as are described in Condition D2.6.1(a)) as soon as reasonably practicable after the relevant variation has been approved by HAL, and the affected part(s) of the New Working Timetable or Working Timetable shall be annotated to refer to the relevant Short Term Plan(s).

3.8 **Operation of Part H**

3.8.1 In addition to any variation to the New Working Timetable or Working Timetable arising pursuant to the procedures set out in this Condition D3, variations may also arise from time to time by reason of the operation of the Railway Operational Code, and this Condition D3 is subject to the operation of that Code.

3.9 **Summary**

3.9.1 A timeline, showing a summary of the process for variations to the Working Timetable, is attached at Annex 2 of Condition D of the Network Rail Network Code. This timeline (as modified in accordance with the Network Rail Network Code) will apply to all variations to the Working Timetable under this Code. Where there is any conflict between the timeline and the wording of Conditions D1-7, the wording of Conditions D1-7 shall prevail.

CONDITION D4 – DECISIONS BY HAL

4.1 **Decisions concerning the Rules**

4.1.1 In conducting the processes set out in Condition D2.2 by which the Rules are revised on a bi-annual basis (including the amendment process described in Condition D2.2.7), HAL shall make all decisions by application of the Decision Criteria in the manner set out in Condition D4.6.

4.2 **Decisions arising in the preparation of a New Working Timetable**

4.2.1 In compiling a New Working Timetable in accordance with Condition D2.6, HAL shall apply the Decision Criteria in accordance with Condition D4.6 and conduct itself as set out in this Condition D4.2.

4.2.2 HAL shall endeavour wherever possible to comply with all Access Proposals submitted to it in accordance with Conditions D2.4 and D2.5 and accommodate all Rolled Over Access Proposals, subject to the following principles:

- (a) a New Working Timetable shall conform with the Rules applicable to the corresponding Timetable Period;
- (b) each New Working Timetable shall be consistent with the Exercised Firm Rights of each Timetable Participant;
- (c) in compiling a New Working Timetable, HAL is entitled to exercise its Flexing Right;
- (d) where the principles in paragraphs (a), (b) and (c) above have been applied but HAL is unable to include all requested Train Slots in the New Working Timetable, the Train Slots shall be allocated in the following order of priority:
 - (i) first to:
 - (A) the Firm Rights of any Timetable Participant that will subsist during the whole of the Timetable Period and which have been Exercised; and
 - (B) any rights HAL has for Network Services included in the Rules;
 - (ii) second to Firm Rights of any Timetable Participant, that were in force at the Priority Date but will expire prior to or during the Timetable Period and which have been Exercised, provided that HAL considers (acting reasonably) that new Firm Rights,

Part D: Timetable

substantially the same as the expiring rights, will be in force during the Timetable Period;

- (iii) third to Contingent Rights or any expectation of rights of any Timetable Participant which have been Exercised, provided HAL considers (acting reasonably) they will be Firm or Contingent Rights in force during the Timetable Period;
- (iv) fourth to any rights or expectation of any rights of any Timetable Participant notified in an Access Proposal submitted after the Priority Date but before D-26 in accordance with D2.4 and D2.5. Where more than one set of rights or expectation of rights are so notified, capacity is to be allocated in the order in which Access Proposals containing details of the rights (or expectations thereof) are submitted to HAL.

4.3 Decisions concerning Train Operator Variations

4.3.1 In responding to a Train Operator Variation Request, HAL shall conduct itself as follows:

- (a) it is entitled to exercise its Flexing Right;
- (b) when exercising its power set out in Condition D3.3.3 HAL shall apply the Decision Criteria in accordance with Condition D4.6 except that it shall not accept a Train Operator Variation Request if to do so would give rise to any conflict with any Train Slot already scheduled in:
 - (i) the New Working Timetable after it is published at D-26 or the relevant Working Timetable; or
 - (ii) the Rules;
- (c) where the Decision Criteria have been applied as set out in sub-paragraph (b) immediately above but two or more such requests would give rise to conflict were they to be accepted, they shall be prioritised in the order in which they were submitted and any conflict resolved accordingly.

4.3.2 Where a Train Operator Variation Request:

- (a) pertains to a Train Slot to be used for the carriage of passengers in connection with any sporting or other public event; and
- (b) would, if accepted, conflict with any Train Slot already scheduled in the New Working Timetable or Working Timetable; and
- (c) would in the absence of such conflict be accepted (or accepted on varied terms) by HAL,

HAL shall consult with the Timetable Participant entitled to the Train Slot and shall seek its consent to effect a variation of the scheduled Train Slot to the extent necessary to accommodate the relevant request (or that request as may be varied). Any Timetable Participant so consulted shall not unreasonably withhold or delay its consent to the proposed variation where the relevant request proposes the use of a Train Slot for the carriage of passengers in materially greater numbers than are usually carried on the relevant part of the HAL infrastructure on the days and times in question.

4.3.3 Where any Timetable Participant consulted by HAL in accordance with Condition D4.3.2:

- (a) consents to the proposed variation of its Train Slot; or
- (b) unreasonably withholds or delays its consent in breach of Condition D4.3.2;

HAL shall be entitled to make a variation in respect of that Train Slot (including the removal of that Train Slot) to the extent necessary to facilitate the relevant request. Where, consequent upon such variation, HAL is required by the terms of an Access Agreement to pay any compensation to the affected Timetable Participant, the Timetable Participant which made the relevant Train Operator Variation Request shall reimburse the amount of that payment to HAL.

Part D: Timetable

- 4.3.4 Notwithstanding anything stated elsewhere in this Part D, HAL shall be entitled to reject any Train Operator Variation Request if it:
- (a) pertains to a Timetable Variation which has in substance been made previously pursuant to Condition D3 and has been rejected; or
 - (b) is substantially the same as any part of an Access Proposal made and rejected during the course of the bi-annual timetable revision process described in Condition D2;
- unless there has been a material change in circumstances which would affect HAL's application of the Decision Criteria in Condition D4.6 when deciding whether or not to accept the Train Operator Variation Request.
- 4.4 **Decisions concerning HAL Variations**
- 4.4.1 In making any decision in the course of implementing the procedures set out in Conditions D3.4 or D3.5, HAL:
- (a) is entitled to exercise its Flexing Right when responding to an Access Proposal submitted under Condition D3.4.10;
 - (b) may not affect any HAL Variation to the extent that the variation is inconsistent with the Rules;
 - (c) shall, subject to the over-riding principles set out in sub-paragraphs (a) and (b) above, apply the Decision Criteria in accordance with Condition D4.6.
- 4.5 **Decisions concerning Possessions Strategy Notices**
- 4.5.1 In making any decision concerning the content of a Possessions Strategy Notice, HAL shall apply the Decision Criteria in accordance with Condition D4.6.
- 4.6 **The Decision Criteria**
- 4.6.1 Where HAL is required to decide any matter in this Part D its objective shall be to share capacity on the HAL infrastructure for the safe carriage of passengers in a non-discriminatory, efficient and economical manner in the overall interest of current and prospective users and providers of railway services ("the Objective").
- 4.6.2 In achieving the Objective, HAL shall apply any or all of the considerations in paragraphs (a)-(h) below ("the Considerations") in accordance with Condition D4.6.3 below:
- (a) maintaining, developing and improving the capability of the HAL infrastructure;
 - (b) that the spread of services reflects demand;
 - (c) maintaining and improving train service performance;
 - (d) that journey times are as short as reasonably possible;
 - (e) maintaining and improving an integrated system of transport for passengers;
 - (f) the commercial interests of HAL (apart from the terms of any maintenance contract entered into or proposed by HAL) or any Timetable Participant of which HAL is aware;
 - (g) mitigating the effect on the environment; and
 - (h) enabling operators of trains to utilise their assets efficiently.
- 4.6.3 When applying the Considerations, HAL must consider which of them is or are relevant to the particular circumstances and apply those it has identified as relevant so as to reach a decision which is fair and is not unduly discriminatory as between any individual affected Timetable Participants or as between any individual affected Timetable Participants and HAL. Where, in light of the particular circumstances, HAL considers that application of two or more of the relevant Considerations will lead to a conflicting result

Part D: Timetable

then it must decide which of them is or are the most important in the circumstances and when applying it or them, do so with appropriate weight.

4.6.4 The Objective and the Considerations together form the Decision Criteria.

4.7 Finality of decisions

4.7.1 Save where expressly otherwise stated in this Part D, where HAL has announced a final decision in respect of any process regulated by this Part D, that decision shall be:

- (a) binding on Timetable Participants save to the extent that it is changed by an appeal authorised by this Part D;
- (b) binding on HAL save to the extent that:
 - (i) HAL is expressly permitted by any provision of this Part D to deviate from or amend that decision; or
 - (ii) a decision is changed by an appeal authorised by this Part D.

CONDITION D5 - APPEALS

5.1 Appeal in accordance with the ADRR

5.1.1 Where an appeal is expressly authorised by this Part D, a Timetable Participant may refer a decision for determination by a Timetabling Panel in accordance with the ADRR.

5.1.2 Where a deadline for bringing an appeal is expressly stated in this Part D, an appeal in respect of such a decision must be made by the stated deadline. Otherwise, an appeal brought pursuant to this Part D must be made:

- (a) within five Working Days of receipt of the decision to which objection is made; or
- (b) where the period referred to in (a) includes Christmas Day, within ten Working Days of that decision.

5.1.3 Where an appeal is made against a New Working Timetable as envisaged by Condition D2.7.2 the appeal shall be determined by the Timetabling Panel within ten Working Days of final submission to it of all relevant information.

5.2 Appeal to ORR

5.2.1 Where either HAL or a Timetable Participant is dissatisfied with the decision of a Timetabling Panel under Condition D5.1, it may refer the matter to the ORR for determination under Part M, provided that any such referral must be made:

- (a) within five Working Days of receipt of the Timetabling Panel's written reasoned determination to which objection is made; or
- (b) where the period referred to in (a) above includes Christmas Day, within ten Working Days of receipt of such receipt.

5.3 Powers of dispute resolution bodies

5.3.1 In determining any appeal pursuant to this Part D, any Timetabling Panel or the ORR (as the case may be) may exercise one or more of the following powers:

- (a) it may give general directions to HAL specifying the result to be achieved but not the means by which it shall be achieved;
- (b) it may direct that a challenged decision of HAL shall stand;
- (c) it may substitute an alternative decision in place of a challenged decision of HAL;

provided that the power described in (c) above shall only be exercised in exceptional circumstances.

Part D: Timetable

- 5.3.2 Where general directions have been given in accordance with Condition D5.3.1, the relevant appeal body may, on the application of HAL brought in accordance with Condition D5.3.3, make such further orders as it shall consider appropriate in order to provide the parties with guidance as to the interpretation and application of such general directions.
- 5.3.3 Any application made by HAL pursuant to Condition D5.3.2 must be made within:
- (a) five Working Days of the relevant decision; or
 - (b) where the said period of five Working Days would include Christmas Day, ten Working Days.
- 5.4 **Status of Decisions**
- 5.4.1 Save where expressly stated otherwise in this Part D, where an appeal to a Timetabling Panel pertaining to this Part D is pending, the relevant decision of HAL shall remain binding until such time as the Timetabling Panel determines otherwise.
- 5.4.2 Save where expressly stated otherwise in this Part D, where an appeal to the ORR pertaining to Part D is pending, the relevant decision of the Timetabling Panel shall remain binding until such time as the ORR determines or orders otherwise.
- 5.5 **Binding effect of appeal rulings**
- 5.5.1 Where an appeal is brought pursuant to this Part D, the parties to the appeal shall be bound by:
- (a) the ruling of the Timetabling Panel, unless or until ordered or determined otherwise by the ORR;
 - (b) the ruling of the ORR.
- 5.6 **Implementing an appeal ruling**
- 5.6.1 HAL shall be bound and empowered to take such steps as may be necessary to implement all rulings made by a Timetabling Panel or the ORR pursuant to this Condition D5. All such steps shall be taken promptly.
- 5.7 **Liability of HAL**
- 5.7.1 Where a decision of HAL is overturned on appeal, HAL shall only be liable to any Timetable Participant in damages in respect of that decision where it was made in bad faith or was unreasonable.

CONDITION D6 - POSSESSION STRATEGY NOTICES

- 6.1 **Possessions Strategy Proposal**
- 6.1.1 Where HAL proposes implementing any Works which require a programme of HAL Restrictions of Use extending over:
- (a) a period of more than one calendar year; or
 - (b) a period which contains two or more Timetable Change Dates;
- it may at its discretion elect to implement the procedure set out in this Condition D6. Where it so elects, the procedure must be implemented by HAL issuing a Possession Strategy Proposal not later than D-90 and shall be concluded by HAL issuing a Possession Strategy Notice not later than D-64. References in this Condition D6 to “D-x” refer to x number of weeks before the Timetable Change Date on which the Working Timetable containing the first proposed HAL Restriction of Use will come into effect. The parties entitled to participate in that procedure shall be all Timetable Participants who may be affected by the proposed Restrictions of Use (who shall be referred to as “Possessions Strategy Participants”).
- 6.1.2 Where HAL elects to implement the procedure set out in this Condition D6, it shall do so by serving written notice on all Possessions Strategy Participants, a “Possessions Strategy Proposal”, not later than D-90, which shall:

Part D: Timetable

- (a) provide sufficient particulars of:
 - (i) the proposed Works; and
 - (ii) the proposed strategy for HAL Restrictions of Use pertaining to the Works;
 as will enable each recipient to understand the likely effect of the proposed Works on its Services; and
 - (b) provide an explanation of HAL's reasons for the proposed HAL Restrictions of Use strategy.
- 6.2 **Consultation**
- 6.2.1 Following service of a Possessions Strategy Proposal, HAL shall consult with all parties on whom it has been served. Each recipient shall be afforded a reasonable period (to be specified by HAL, having regard to the likely effect of the Possessions Strategy Proposal on each recipient's Services) in which to make submissions and counter-proposals to HAL in respect of the proposed strategy for Restrictions of Use pertaining to the Works.
- 6.3 **Finalisation of Possessions Strategy – Possessions Strategy Notice**
- 6.3.1 Following the consultation process described in Condition D6.2, HAL shall make its final decision concerning the strategy for HAL Restrictions of Use that will be adopted in order to effect the Works, and will notify its decision to all Possessions Strategy Participants not later than D-64, by means of a formal notice detailing the strategy (to be referred to as a "Possessions Strategy Notice").
- 6.3.2 Where, in finalising a Possessions Strategy Notice, HAL has rejected counter-proposals put to it by a Possessions Strategy Participant, it shall give to that party written reasons for that rejection when it serves its Possession Strategy Notice.
- 6.4 **Appeal**
- 6.4.1 Where any Possessions Strategy Participant is dissatisfied with any aspect of any Possessions Strategy Notice, it may appeal in accordance with Condition D5. Any such appeal must be made within twenty Working Days of the Possessions Strategy Notice being served on it.
- 6.5 **Relationship with the Rules**
- 6.5.1 The fact that the process under this Condition D6 has been followed and a Possession Strategy Notice issued does not in any way affect the applicability of the process set out in Condition D2.2 which, in those circumstances, still must be followed. However, where any part of the Rules conform with a Possession Strategy Notice then a decision of HAL regarding that part of the Rules cannot be appealed in the circumstances set out in Condition D2.2.9.
- 6.5.2 In the event of any inconsistency between any Possessions Strategy Notice and the Rules, once they have been finalised in accordance with the process set out in Condition D2.2, the Rules shall prevail.
- 6.6 **Relationship with Part G**
- 6.6.1 This Condition D6 is without prejudice to Part G.
- 6.7 **Amendment of Possessions Strategy Notice**
- 6.7.1 HAL shall include within the HAL Timetable Planning Rules a procedure to enable amendment or withdrawal of a Possessions Strategy Notice. That procedure shall provide that:
- (a) no such change shall be made unless HAL has consulted, to the extent reasonably practicable, with any Possessions Strategy Participant likely to be affected by that change;
 - (b) that all decisions of HAL made pursuant to that procedure shall be made by application of the Decision Criteria in accordance with Condition D4.6.

Part D: Timetable

- 6.7.2 All amendments to a Possessions Strategy Notice made pursuant to the procedure referred to in Condition D6.7.1 shall be subject to the appeal procedures in Condition D5.

CONDITION D7 – CALENDAR OF EVENTS AND EVENT STEERING GROUP

7.1 Calendar of Events

- 7.1.1 Prior to D-64, HAL shall provide Network Rail with relevant details of any events (“HAL Events”) that HAL wish to be included in Network Rail’s Draft Calendar of Events. These will be incorporated into the Draft Calendar of Events and published by Network Rail to all Timetable Participants
- 7.1.2 Timetable Participants and funders may make representations to HAL in respect of any changes they propose to the HAL Events within the Draft Calendar of Events no later than D-59.
- 7.1.3 Following D-59 and by D-54, HAL shall consider the representations made to it by Timetable Participants and funders pursuant to Condition D7.1.2 and may require that Network Rail amend the Draft Calendar of Events.

7.2 Event Steering Group

- 7.2.1 HAL shall ensure that each HAL Event is included on the agenda of an appropriate Event Steering Group.
- 7.2.2 The objectives of an Event Steering Group in respect of HAL Events shall be to:
- (a) agree a project plan to achieve a smooth transition for the necessary timetable changes, arising from the HAL Event, through Condition D2 by way of timely industry input into the process (“the Project”);
 - (b) oversee and facilitate delivery of the Project;
 - (c) carry out appropriate consultation with Passenger Focus and London TravelWatch, during the course of the Project.

CONDITION D8 - MISCELLANEOUS

8.1 Directions issued by the ORR

- 8.1.1 Notwithstanding anything else stated in this Part D, HAL shall be bound and entitled to make or give effect to such amendments or changes to a Working Timetable as may be directed from time to time by the ORR in the exercise of its statutory powers, except in relation to any amendment or change which would be impossible to make without infringing the Firm Rights of another.

8.2 Confidentiality

- 8.2.1 HAL shall not be required to keep confidential the identity of, or any information provided to it by, any Timetable Participant.

8.3 Removal of Train Slots from Working Timetable where no Access Rights exist

- 8.3.1 Any movements of trains operated by any person must be made pursuant to permission to use the track for the purpose of or in connection with the operation of those trains under an Access Agreement (“Access Rights”). If, by 22:00 hours on the day before a Timetable Change Date and after consultation with the person proposing to move the trains, HAL reasonably considers that the person proposing to move the trains will not have the necessary Access Rights by the intended date of operation of the Train Slots, then it may remove the Train Slot(s) for the movement of those trains from the Working Timetable due to commence the following day.

8.4 Consultation

Part D: Timetable

- 8.4.1 Where in this Part D, any party is under an obligation to consult with another, the party obliged to initiate the consultation shall provide the consultee with:
- (a) sufficient information for the consultee to be able to comment on the subject matter of the consultation; and
 - (b) a reasonable time in which to respond to the information provided.

Part E: Environmental Protection

Explanatory Note

- A. Part E is concerned with environmental protection. Train Operators are required to notify HAL of any materials they propose to transport which would, by virtue of their nature or the quantity transported, be likely to give rise to Environmental Damage if they were to escape, and are required to provide HAL with a copy of any relevant authority for their carriage (such as a licence or certificate of registration).
- B. HAL and Train Operators must promptly notify each other of any circumstances which are reasonably foreseeable as likely to give rise to Environmental Damage.
- C. Where HAL becomes aware or is given a direction by a competent authority that as a direct or indirect result of the activities of a Train Operator, Environmental Damage has occurred or is likely to occur and action is required to prevent, mitigate or remedy that damage, it must make an assessment on the best information available to it at that time as to which of HAL and the Train Operators using that part of the Network is or are the most appropriate persons to take such action.
- D. In making its assessment, HAL is obliged to have due regard to certain specified criteria. HAL is further obliged to give notice to affected Train Operators within specified time limits of its decision and the reasons therefore. If an affected Train Operator disagrees with HAL's assessment, it may appeal in accordance with the ADRR.
- E. If a Train Operator fails to take any action required of it to prevent, remedy or mitigate Environmental Damage within a reasonable time or to the reasonable satisfaction of HAL or otherwise in cases of urgency, provisions exist for HAL to take the necessary action.
- F. Subject to HAL having complied with conditions F4 and G5 (respectively Vehicle and Network Change imposed by competent authorities) and to having given to all affected Train Operators as much notice as shall be reasonably practicable, HAL has the right to restrict track access on a temporary basis where necessary to deal with Environmental Damage but must use its reasonable endeavours to minimise those restrictions.
- G. This Explanatory Note does not form part of the HAL Network Code.

Part E: Environmental Protection

DEFINITIONS

In this Part E, unless the context otherwise requires:

"Environmental Condition"	<p>means:</p> <p>Any Environmental Damage; or</p> <p>(a) Any event, circumstance, condition, operation or activity which it is reasonably foreseeable is likely to result in Environmental Damage</p> <p>Which (in either case) in HAL's reasonable opinion could result in HAL incurring any material liability or being subject to the Direction of any Competent Authority;</p>
"Environmental Damage"	<p>means any material injury or damage to persons, living organisms or property (including offence to man's senses) or any pollution or impairment of the environment resulting from the discharge, emission, escape or migration of any substance, energy, noise or vibration;</p>

Part E: Environmental Protection

CONDITION E1 – ENVIRONMENTAL INFORMATION REQUIREMENTS

1.1 Train Operator's licence compliance

Each Train Operator shall provide HAL with a copy of its written environmental protection policy and operational objectives and management arrangements giving effect to that policy, as submitted to the ORR pursuant to its licence authorising it to be the operator of trains.

1.2 HAL's compliance

HAL shall provide each Access Beneficiary with a copy of the Environment & Energy Policy for Heathrow Airport Limited.

1.3 Information as to materials to be transported

Each Train Operator shall from time to time, and within a reasonable time of being requested to do so by HAL, provide HAL with:

- (a) information as to any materials it proposes to transport on the Network which would by virtue of their nature or the quantity transported be likely to give rise to Environmental Damage if those materials were to be discharged or emitted or to escape or migrate;
- (b) in relation to such materials as are referred to in sub-paragraph (a) above, a copy of any licence, authorisation, consent or certificate of registration required for their carriage.

1.4 General information - Train Operator

Each Train Operator shall promptly notify HAL (and where such notification is given orally shall promptly confirm such notification in writing) of any circumstances of which the Train Operator is aware and which it is reasonably foreseeable are likely to give rise to Environmental Damage as a result of or affecting the activities of the Train Operator. Each Train Operator shall at all times exercise due diligence to inform itself of any circumstances which would require such notification.

1.5 General information - HAL

HAL shall promptly notify a Train Operator (and where such notification is given orally shall promptly confirm such notification in writing) of any circumstances of which HAL is aware and which it is reasonably foreseeable are likely to give rise to Environmental Damage which may affect the Train Operator. HAL shall at all times exercise due diligence to inform itself of any circumstances which would require such notification.

Part E: Environmental Protection

CONDITION E2 – REMEDIAL ACTION

2.1 Assessment as to appropriate persons to take relevant steps

2.1.1 HAL's assessment

Where:

- (a) HAL becomes aware that, as a direct or indirect result of the activities of a Train Operator, an Environmental Condition exists or has occurred and HAL reasonably considers that action is required to prevent, mitigate or remedy that Environmental Condition; or
- (b) HAL is given a Direction by a Competent Authority that some action is required to prevent, mitigate or remedy an Environmental Condition resulting directly or indirectly from the activities of a Train Operator

HAL shall make an assessment, on the best information available to it at the relevant time, as to which of HAL and the Train Operators with permission to use the relevant part of the Network is or are the persons who would be the most appropriate to take any relevant steps, and, if more than one is appropriate, in what proportions.

2.1.2 Relevant criteria

In making an assessment under Condition E2.1.1, HAL shall have due regard:

- (a) to the likelihood that the person in question may be liable (other than pursuant to this Part E) to make any payment or to take or omit to take any action in relation to the Environmental Condition or Direction in question, whether under any Access Agreement to which it is a party or otherwise;
- (b) in relation to the steps to be taken and the objectives of those steps, to the efficiency and economy with which the steps may be taken, and the effectiveness of those steps, if that person takes those steps, irrespective of the matters referred to in paragraph (a) above; and
- (c) all other relevant circumstances of the case.

2.1.3 Notice of HAL's assessment

Within 60 days of making its assessment, HAL shall give notice to each affected Train Operator of:

- (a) the Environmental Condition or Direction of Competent Authority in question;
- (b) the assessment;
- (c) its reasons for reaching the assessment;
- (d) the availability for inspection by the Train Operator of such information as HAL shall have used in making the assessment; and
- (e) the steps which HAL reasonably considers:
 - (i) will be necessary to prevent, mitigate or remedy the Environmental Condition or the events or circumstances giving rise to the Direction of the Competent Authority in question, or to comply with the Direction in question; and

Part E: Environmental Protection

- (ii) which should be taken by the Train Operator in question.

2.1.4 Compliance with Train Operator's request for information

HAL shall comply with any reasonable request of an affected Train Operator for additional information in relation to the relevant liability or HAL's assessment, within a reasonable time of the request.

2.1.5 Disagreement with HAL's assessment

If an affected Train Operator shall be dissatisfied with HAL's assessment or with any other statement or information provided by HAL pursuant to Condition E2.1.3, it shall be entitled to refer the matter for resolution in accordance with the ADRR. It shall lose that entitlement if it fails to make the reference within 120 days of the later of:

- (a) the date of its receipt of HAL's assessment; and
- (b) the date upon which it receives any further information to which it is entitled pursuant to this Condition E2.1.

2.2 Requirement to take relevant steps

2.2.1 Obligation

Subject to Conditions E2.1.5, E2.7 and E2.8, the Train Operator shall:

- (a) take the steps of which HAL gives it notice pursuant to Condition E2.1.3(e), provided HAL shall have given it a reasonable opportunity to do so; and
- (b) bear the costs of taking those steps.

2.2.2 HAL assistance and supervision

In cases where the Train Operator reasonably requires access to any part of the Network in order to take any relevant steps, HAL shall provide the Train Operator with such assistance and co-operation as shall be reasonable in that respect.

2.3 HAL's right to take relevant steps

If:

- (a) the Train Operator fails to take any relevant step within a reasonable time or to the reasonable satisfaction of HAL; or
- (b) in HAL's reasonable opinion, either:
 - (i) it is necessary to take any relevant step urgently; or
 - (ii) it is not reasonably practicable in the circumstances for the Train Operator to take any relevant step,

HAL shall be entitled to take the step in question and to be reimbursed by the Train Operator for a fair proportion of the reasonable costs of doing so. HAL shall give notice to the Train Operator in question of any step taken pursuant to this Condition E2.3.

Part E: Environmental Protection

2.4 Liability of HAL

Where HAL takes any steps in accordance with Condition E2.3, it shall not be liable to the Train Operator for any direct physical damage which is caused as a result of the taking of such steps except to the extent that HAL, or any person acting on behalf of or on the instructions of HAL, has been negligent or has failed to perform any obligation.

2.5 Access to land

Each Train Operator shall use all reasonable endeavours to procure that HAL shall be given such right of access to any land upon which plant, equipment, rolling stock or machinery of the Train Operator is located as may be reasonably necessary to enable HAL to take any relevant steps.

2.6 General right to restrict access to Network

2.6.1 Subject to having complied with Conditions F4 and G5 and to having given to all affected Train Operators as much notice as shall be reasonably practicable, HAL shall have the right to restrict permission to use the Network to the extent and for such period as is reasonably necessary to prevent, mitigate or remedy an Environmental Condition or to comply with a relevant Direction of a Competent Authority in respect of an Environmental Condition.

2.6.2 Where permission to use the Network is restricted pursuant to Condition E2.6.1, HAL shall use all reasonable endeavours to keep the extent and duration of such a restriction to a minimum and shall keep all affected Train Operators reasonably and regularly informed of the steps being taken by HAL to remove the restriction.

2.7 Payments to be made on without prejudice basis

Payments by a Train Operator under this Condition E2 shall be made without prejudice to the right of the Train Operator's right to recover the whole or any part of the amounts in question from HAL or any other person, whether under an Access Agreement or in any other way.

2.8 Action taken will not prejudice later claim

No action taken by a Train Operator in compliance with its obligations under this Condition E2 shall prejudice the right of the Train Operator at a later date to claim that any other person has the relevant liability.

Part F: Vehicle Change

Explanatory Note

- A. Part F provides a procedure through which changes to railway vehicles, the use of which is permitted in the access contract and related safety documentation, may be assessed and implemented. Vehicle Change includes any alteration to the physical characteristics of vehicles, including but not limited to, any increase in the length of any trains beyond that permitted by the relevant access contract and supporting operational documentation and any introduction of different vehicles on to the relevant routes which, in any case, is likely materially to affect the maintenance or operation of the HAL infrastructure or the operation of trains on the HAL infrastructure.
- B. The general principle is that before any Vehicle Change can be implemented:
- (i) it must be formally proposed under Part F; and
 - (ii) it must be accepted by HAL; or
 - (iii) to the extent that there is any dispute as to whether the change should be implemented, or the terms on which it should be implemented, such dispute must be resolved (whether by agreement or in accordance with the ADRR) in favour of the change being implemented, although any such dispute should not prevent the implementation of the Vehicle Change, if such change is safety related.
- C. Condition F1 imposes a general obligation on HAL to facilitate Vehicle Change, which includes a number of specific obligations to provide information to Access Beneficiaries and to publish documents generated under Part F on its website. HAL is also obliged to publish model terms and conditions that it is prepared to use in connection with the implementation of Vehicle Change proposals.
- D. Where an Access Beneficiary wishes to make a Vehicle Change proposal, through either the normal Vehicle Change procedure the process is as follows:
- (i) The Access Beneficiary (the “Sponsor”) gives a notice of proposal to HAL, affected Access Beneficiaries and other relevant persons. This would include, technical compatibility with the HAL infrastructure, all vehicle characteristics required to assess the proposed change, and proposals as to how HAL or affected Access Beneficiaries should be compensated for the costs, losses and expenses which they may incur as a result of the implementation of the proposed change. HAL must then evaluate the proposal and be permitted to consult with Access Beneficiaries and other relevant persons about the effects of the proposal.
 - (ii) Within 30 days of receiving a notice from an Access Beneficiary, HAL is required to give a notice setting out the Sponsor’s proposal and adding further information on its own account (in particular, where it disagrees with elements of the Sponsor’s proposal). The notice includes a deadline for HAL to respond to the Sponsor’s notice of proposal, which may be adjusted in the light of consultation.
 - (iii) If the deadline for responses is 90 or more days after the date of the notice of proposal, the Sponsor may require HAL to submit preliminary responses or estimates of the costs, losses and expenses which it may incur as a result of the implementation of the proposed change.
 - (iv) HAL is entitled to be reimbursed 75% its reasonable costs of assessing a Vehicle Change proposal by the Sponsor. The Sponsor may require HAL to provide it with estimates of such assessment costs, or to cease incurring such costs.
 - (v) In responding formally to a Vehicle Change proposal, HAL must state whether it, or another Access Beneficiary, objects to the proposal in principle or on the grounds that it contains insufficient information, or whether it, or another operator of railway assets, objects on compensation grounds. The benefits of the change to an Access Party and its chances of recouping its costs or losses from third parties (including passengers) are to be taken into account when determining the amount of any compensation.

Part F: Vehicle Change

- (vi) The Sponsor must then either reach agreement with HAL and other Access Beneficiaries to the extent that they raise objections to the proposal, refer the matters in dispute in accordance with the ADRR or abandon the proposal. Implementation will then depend on whether the ADRR proceedings result in a determination that the change should be implemented on terms that are acceptable to the Sponsor. If there are no objections to the proposal the Sponsor is entitled to implement it.
 - (vii) After a Vehicle Change has become established, the arrangements for its implementation may be varied according to the terms of any contractual Variation Procedure which forms part of the terms and conditions specified in the notice of proposal and/or is subsequently agreed as a result of the consultation and response process.
- E. Condition F2.10 allows Access Beneficiaries to implement a change for safety reasons, ensuring that the Vehicle Change procedure, whilst having to be completed, does not delay such implementation. The Vehicle Change procedure must be undertaken where a Vehicle Change for safety reasons lasts for more than three months.
- F. Where a Vehicle Change is required as a result of a Change of Law or a Direction from a Competent Authority, the normal Vehicle Change procedure will be applied. In such cases, each Access Party will be responsible for its own costs and losses.
- G. This Explanatory Note does not form part of the HAL Network Code.

HAL shall take all reasonable steps to facilitate the development, establishment and implementation of any proposal for Vehicle Change.

1.2 Facilitation

The obligation of HAL under Condition F1.1 includes:

 - to enable the proposal to be developed in an efficient and economical manner; and
- (f) If requested, provision of the names and contact details of each Access Beneficiary which HAL considers may be affected by the implementation of the proposed Vehicle Change.

Condition F2: Initiation of Vehicle Change procedure

2.1 Submission of proposal

If an Access Beneficiary wishes to make a Vehicle Change, it shall:

- (a) submit to HAL and each Access Beneficiary that may be affected by the implementation of the proposed Vehicle Change as advised by HAL to the Access Beneficiary under Condition F1.3(f) or which has notified the Access Beneficiary that it may be so affected, a proposal for such change;

2.2 Content of Sponsor's notice of proposal

A notice of proposal for Vehicle Change given by a Sponsor under Condition F2.1 shall:

- (a) state:
 - (i) the reasons why it is proposed to make the change;
 - (ii) the nature of the change, including:
 - (A) any material change which the Sponsor proposes to make to the physical characteristics of any vehicle which is already included within the Specified Equipment; and
 - (B) a description of any vehicle which is not already included within the Specified Equipment, but which the Sponsor proposes to include within the Specified Equipment;
 - (iii) in the case of any vehicle of the kind referred to in Condition F 2.2(a)(ii)(A):

 - (ii) any Access Beneficiary that HAL considers may be affected by the implementation of the proposed Vehicle Change,
 - to assess the likely effect of the proposed change on its business, its assets and its performance of any obligations or the exercise of any rights or discretions which it has in relation to railway services.

2.3 Evaluation of proposal and consultation

2.3.1 If HAL receives a proposal for Vehicle Change under Condition F2.1, it shall:

- (a) evaluate and discuss that proposal with the Sponsor for such period as is reasonable having due regard to the likely impact of the proposed Vehicle Change on either or both of HAL and other operators of trains;
- (b) within 30 days of the date on which the Sponsor's notice under Condition F2.1 was given, give a notice to the persons specified in Conditions F2.1 (a) (with the exception of HAL) and (c), with a copy to the Sponsor, inviting them to submit comments on the proposed Vehicle Change by a specified date, which shall not be earlier than 10, or later than 7 days before the Relevant Response Date, stating:

 - (iii) may annex to its notice any proposal contained in the Sponsor's notice under Condition F2.1 with which it agrees, stating its agreement, and, where appropriate, that it has no proposals of its own on the matter concerned.
- 2.3.3 If an Access Beneficiary receives a proposal for Vehicle Change under Condition F2.1 or Condition F2.3.1 (c), it shall evaluate and discuss the proposal with HAL for such period as is reasonable having due regard to the likely impact of the proposed Vehicle Change on that Access Beneficiary.
- 2.4 Preliminary response and estimate
- 2.4.1 Except in the circumstances and to the extent specified in Condition F2.4.2, HAL shall, when consulted by the Sponsor, take all reasonable steps to comply with any request of the Sponsor to provide the Sponsor, within a reasonable period of time, and at no cost to the Sponsor:
- (a) a preliminary estimate of those costs, losses and expenses referred to in Condition F3.2 which may be incurred by HAL; or
 - (b) a preliminary written response in respect of a proposed Vehicle Change, which shall:
 - (i) be binding on HAL, unless HAL indicates otherwise; and
 - (ii) if it is negative, include reasons.
- 2.4.2 HAL shall not be obliged to comply with a request from the Sponsor under Condition F2.4.1:
- (a) unless:
 - (i) the Relevant Response Date is 90 or more days after the date on which HAL's notice under Condition F2.3.1(b) was given; and
 - (ii) the request is made within 7 days of the Sponsor receiving HAL's notice under Condition F2.3.1(b); or
 - (b) to the extent that HAL is unable to comply with such a request, having regard to the information reasonably available to it.
- 2.4.3 After consultation with the Sponsor HAL may notify a later Relevant Response Date to the Sponsor and the persons to whom it gave its notice under Condition F2.3.1(b).
- 2.5 Reimbursement of costs

Subject to Conditions F2.4 and F3, HAL shall be entitled to reimbursement by the Sponsor of 75% of all costs incurred by HAL in assessing any Vehicle Change proposed by the Sponsor. Those costs shall be the minimum reasonably necessary for HAL to carry out that assessment.

Part F: Vehicle Change

2.6 Provision of estimate of costs by HAL

- 2.6.1 HAL shall, upon request from the Sponsor, from time to time, provide the Sponsor with written estimates of the costs of assessing a proposal for Vehicle Change submitted by the Sponsor (as referred to in Condition F2.5) including estimated costings of the work to be carried out and shall:
- (a) be entitled to require reasonable assurances of payment in respect of any material work to be carried out for the purposes of that evaluation before commencing such work; and
 - (b) upon request from the Sponsor from time to time, provide the Sponsor or its agents with such information as may be reasonably necessary to enable the Sponsor to assess the reasonableness of any estimate.

2.7 Accuracy of estimates

HAL shall ensure that any estimates given by it are, so far as reasonably practicable, accurate on the basis of the information reasonably available to it.

2.8 Obligation to incur no further costs

HAL shall, if requested by the Sponsor at any time, incur no further costs (except any costs that cannot reasonably be avoided) in respect of any proposal for Vehicle Change made by the Sponsor.

2.9 Relationship with HAL Network Change

If the implementation of a proposed Vehicle Change also requires the implementation of a HAL Network Change, the Sponsor shall follow the procedures and satisfy the requirements of both this Part F and Part G and the requirement for a HAL Network Change shall not preclude the right of the Sponsor to follow the procedure in this Part F for a Vehicle Change or vice versa.

2.10 Vehicle Change for safety reasons

To the extent that a Vehicle Change is required to be made by an Access Beneficiary for safety reasons, the Access Beneficiary shall not be obliged to implement the procedure set out in this Part F in relation to that change until the change has lasted for three months (or such longer period as may be specified in the relevant Access Beneficiary's Access Agreement). Upon expiry of the relevant period, the Access Beneficiary shall promptly commence implementing and thereafter comply with the procedure set out in this Part F as if the relevant Vehicle Change were a Vehicle Change proposed by the Access Beneficiary.

Condition F3: Response to vehicle change proposal

3.1 Obligation to give notice of response

HAL shall give notice to the Sponsor, if:

- (a) it considers that one or more of the following conditions has been satisfied:
 - (i) the implementation of the change would necessarily result in HAL breaching any access contract (other than an access contract to which the Sponsor is a party);
 - (ii) the Sponsor has failed in a material respect to comply with its obligations under Condition F2.2 provided that HAL shall first have given the Sponsor a reasonable opportunity to remedy that failure; or

Part F: Vehicle Change

- (iii) the implementation of that change would result in a material adverse effect on the maintenance or operation of the HAL infrastructure or operation of trains on the HAL infrastructure, which in any such case cannot adequately be compensated under this Condition F3;
- (b) any Access Beneficiary shall have given notice to HAL that it considers that any of the conditions specified in paragraph (a) above has been satisfied;
- (c) it considers that it should be entitled to compensation from the Sponsor for the consequences of the implementation of the change either
 - (i) in accordance with compensation terms proposed under Condition F2,
 - (ii) in the absence of any compensation terms proposed under Condition F2, or
 - (iii) on compensation terms other than those proposed under Condition F2; and/or
- (d) any other operator of railway assets shall have given notice to HAL that it considers that it should be entitled to compensation from the Sponsor for the consequences of the implementation of the change either
 - (i) in accordance with compensation terms proposed under Condition F2,
 - (ii) in the absence of any compensation terms proposed under Condition F2, or
 - (iii) on compensation terms other than those proposed under Condition F2.

Any notice of the kind referred to in paragraphs (a) or (b) above shall include the reasons for the opinion in question. Any notice of the kind mentioned in paragraphs (c) or (d) above shall include a statement of the amount of compensation required and the means by which the compensation should be paid, including any security or other assurances of payment which the Sponsor should provide. Any such statement shall contain such detail as is reasonable to enable the Sponsor to assess the merits of the statement.

3.2 Amount of compensation

Subject to Condition F3.3, the amount of the compensation referred to in Condition F3.1 shall be an amount equal to the amount of the costs, direct losses and expenses (including loss of revenue) which can reasonably be expected to be incurred by HAL or the operator in question as a consequence of the implementation of the proposed change other than any such costs, losses or expenses which are attributable to the Sponsor improving its ability to compete with other operators of railway assets.

3.3 Benefits to be taken into account

There shall be taken into account in determining the amount of compensation referred to in Condition F3.1:

- (a) the benefit (if any) to be obtained or likely in the future to be obtained by HAL or any other operator of trains as a result of the proposed Vehicle Change; and
- (b) the ability or likely future ability of HAL or any other operator of trains to recoup any costs, losses and expenses from third parties including passengers and customers.

Condition F4: Changes imposed by competent authorities

- 4.1 Where an Access Beneficiary is required (other than at the request or instigation of the Access Beneficiary) to implement a Vehicle Change as a result of any Change of Law or any Direction of any

Part F: Vehicle Change

Competent Authority other than the ORR exercising any of its functions which do not fall within the definition of 'safety functions' as defined in section 4 of the Act:

- (a) each Access Party shall, except to the extent that the relevant Change of Law or Direction otherwise requires, comply with Conditions F2.1, F2.2 and F2.3 (other than Conditions F2.2(a)(vi) and F2.3.1(b)(iii)(B) and (D)) in respect of that Vehicle Change;
- (b) HAL shall make such alterations (if any) to the HAL infrastructure as are reasonably necessary to accommodate that Vehicle Change and each Access Party shall, except to the extent that the relevant Change of Law or Direction otherwise requires, comply with Conditions G1.1 and G1.2; and
- (c) each Access Party shall bear its own costs and losses arising out of the implementation of the Vehicle Change and the consequences thereof.

Condition F5: Appeal procedure

5.1 Right of appeal in accordance with the ADRR

5.1.1 If any Access Party is dissatisfied as to:

- (a) any matter concerning the operation of the procedure set out in this Part F;
- (b) the contents of any notice given by HAL under Condition F3.1 (and, in particular, the amount of any compensation referred to in that Condition); or
- (c) any estimate referred to in Condition F2.6,

it may refer the matter for determination in accordance with the ADRR.

Condition F6: Establishment and implementation

6.1 Implementation of a proposed Vehicle Change

6.1.1 With the exception of any Vehicle Change implemented under Condition F2.10, the Sponsor shall be entitled to implement a proposed Vehicle Change if:

- (a) HAL has not given notice under Condition F3.1 by the Relevant Response Date; or
- (b) HAL has given notice by the Relevant Response Date under Condition F3.1 (c) and either the amount of any compensation referred to in Condition F3.1 has been agreed, or resolved, or the method by which such compensation is to be calculated has been agreed or resolved under Condition F5; or
- (c) HAL has received notice from an Access Beneficiary under Condition F3.1(d) and either the amount of any compensation referred to in Condition F3.1 has been agreed, or resolved, or the method by which such compensation is to be calculated has been agreed or resolved under Condition F5; and
- (d) there is no other unresolved dispute under this Part F (whether under this Condition F6 or otherwise) as regards the proposed change between the Sponsor and HAL or any Access Beneficiary.

6.1.2 The Sponsor may, if it considers it expedient to do so in order to confirm whether or not Condition F6.1.1 has been satisfied, instruct HAL to issue a notice to all affected Access Beneficiaries when the Sponsor reasonably believes that it is entitled to implement a proposed Vehicle Change and HAL shall then serve such a notice within 7 days of the instruction.

Part F: Vehicle Change

- 6.1.3 The Sponsor's entitlement to implement a proposed Vehicle Change shall be treated as confirmed 35 days after HAL has served a notice in respect of that Vehicle Change in accordance with Condition F6.1.2 unless:
- (a) HAL gives notice to the Sponsor within 35 days disputing the Sponsor's entitlement to implement that Vehicle Change under Condition F6.1.1 and giving full particulars of its reasons; or
 - (b) HAL receives notice from an Access Beneficiary within 21 days of the notice served by HAL disputing the Sponsor's entitlement to implement that Vehicle Change under Condition F6.1.1 and giving full particulars of its reasons.
- 6.1.4 If the Sponsor does not agree with the contents of a notice served by HAL or an affected Access Beneficiary in accordance with Condition F6.1.3, the Sponsor may:
- (a) refer the matter for determination in accordance with the ADRR and Condition F5 shall apply; or
 - (b) withdraw the proposed Vehicle Change.
- 6.2 When a Vehicle Change may not be implemented
- 6.2.1 The Sponsor shall not be entitled to implement a proposed Vehicle Change unless it is so entitled to do so under Condition F6.1.1.
- 6.2.2 For the purposes of the Condition F6.1.1, unresolved disputes shall include:
- (a) a notice has been served under Condition F3.1(a) or (b) which has not been withdrawn, resolved under Condition F5 or agreed not to apply; and
 - (b) a notice has been served under Condition F3.1(c) or (d) which has not been agreed or resolved as referred to in Condition F6.1.1 (b) or (c) or otherwise agreed, resolved or withdrawn.

Part G: HAL Network Change

Explanatory Note

- A. Part G is concerned with the procedures which Access Parties must go through when certain types of change to the HAL infrastructure (defined as “HAL Network Change”) occur or are proposed.
- B. The definition of “HAL Network Change” is broad, and much of it is expressed in non-exhaustive terms (i.e. after some general words of definition, HAL Network Change is said to “include” certain specific things by way of illustration or example, but that does not necessarily mean that other things are excluded). The definition should always be considered carefully and in its entirety before any decision is made as to whether a particular change falls within the scope of Part G. The following specific points should also be noted:
- (i) only changes which are likely to have a material effect on the operation of the infrastructure or of trains operated on the infrastructure are HAL Network Changes;
 - (ii) HAL Network Changes can either be physical (e.g. changes to the layout, configuration or condition of the infrastructure) or operational (e.g. the introduction of a speed restriction on a section of track, a change to the way HAL maintains track or a change to the monitoring points used in the application of Schedule 8 of the Track Access Agreements), but operational changes are only HAL Network Changes if they last, or are likely to last, for more than six months;
 - (iii) closures of lines which are covered by the statutory procedures under the Act (i.e. lines which are, or have in the preceding five years been, used for passenger services) and
 - (iv) closures of lines which are not covered by the statutory procedures under the Act (i.e. lines which are, or have in the preceding five years, been used only for freight services) are HAL Network Changes.
- C. From a procedural point of view, Part G divides HAL Network Changes into two categories: those proposed by HAL and those proposed by an Access Beneficiary. All HAL Network Changes, whether proposed by HAL or by an Access Beneficiary, are implemented by HAL.
- D. The general principle is that before any HAL Network Change can be implemented:
- (i) it must be formally proposed under Part G; and
 - (ii) it must be accepted by those Access Beneficiaries whom it will affect (and, where the change is proposed by an Access Beneficiary, by HAL); or
 - (iii) to the extent that there is any dispute as to whether the change should be implemented, or the terms on which it should be implemented, such dispute must be resolved (whether by agreement or in accordance with the ADRR) in favour of the change being implemented.
- E. However, it is recognised that:
- (i) safety considerations will sometimes dictate that HAL must make a HAL Network Change very quickly, without recourse to all the procedures under Part G. In such cases, HAL’s obligations under Part G may be subordinated to the interests of safety to a greater or lesser extent, depending on the circumstances (see further Condition G1.10); and
 - (ii) where a HAL Network Change is required to be made as a result of a Change of Law or a Direction of a Competent Authority, most of the normal obligations of Access Parties under Part G do not apply (see further Condition G9).
- F. Condition GA imposes a general obligation on HAL to facilitate HAL Network Change, which includes a number of specific obligations to provide information to Access Beneficiaries and to publish documents generated under Part G on its website. HAL is also obliged to publish model terms and conditions which it is prepared to use in connection with the implementation of HAL Network Change proposals.

Part G: HAL Network Change

- G. Conditions G1 and G2 are concerned with proposals made by HAL. Conditions G3 and G4 are concerned with proposals made by Access Beneficiaries. Condition G5 is concerned with the expiry and reversal process of a Short Term HAL Network Change. G6 is concerned with mandatory changes (resulting from a Change of Law or a Direction of a Competent Authority). Condition G7 is concerned with the processes that may be adopted for establishing and implementing HAL Network Changes. Condition G8 is concerned with dispute resolution in connection with HAL Network Change proposals.
- H. Where HAL wishes to make a HAL Network Change proposal the procedure is as follows:
- (i) HAL gives a notice of proposal and sets a deadline for Access Beneficiaries to respond to it. Conditions G1.1 and G1.2 specify the persons to whom the notice must be given and what it must contain. In particular, the notice is to contain information on the likely material effects of the HAL Network Change and the reasons for its proposal and proposals as to how affected Access Beneficiaries should be compensated for the costs, losses and expenses which they may incur as a result of the implementation of the proposed change.
 - (ii) HAL consults with operators of railway assets likely to be affected by the proposed change and may adjust the deadline for responses in the light of consultation.
 - (iii) If the deadline for responses is 60 or more days after the date of HAL's notice, HAL may require Access Beneficiaries to submit preliminary responses or estimates of the costs, losses and expenses which they may incur as a result of the implementation of the proposed change.
 - (iv) Access Beneficiaries are entitled to be reimbursed 75% of their reasonable costs of assessing a HAL Network Change proposal by HAL. HAL may require Access Beneficiaries to provide it with estimates of such assessment costs, or to cease incurring such costs.
 - (v) In responding formally to a HAL Network Change proposal, an Access Beneficiary must either accept the proposal in its entirety or object to it on one or more of the grounds specified in Condition G2.1.1(a). Grounds for objection fall into four categories: objections to the proposed change because it would breach the Access Beneficiary's access contract; objections to the change proposal on the grounds that it does not contain sufficient information to allow the Access Beneficiary to make an informed response; objections to the proposed change on the grounds that it would result in a material deterioration in performance that could not adequately be compensated; and objections to the proposed change because it does not take into account the reasonable expectations of the Access Beneficiary in relation to the future use of the part of the HAL infrastructure in question. When making a claim for compensation for costs, losses and expenses which it may incur as a result of the proposed change, an Access Beneficiary must state on what terms it believes such compensation should be paid. The benefits of the change to the Access Beneficiary and its chances of recouping its costs or losses from third parties (including passengers) are to be taken into account when determining the amount of such compensation.
 - (vi) HAL must then either reach agreement with any objecting Access Beneficiaries, refer the matters in dispute in accordance with the ADRR or abandon the proposal. Implementation will then depend on whether the ADRR proceedings result in a determination that the change should be implemented on terms which are acceptable to HAL. If no Access Beneficiary objects to a HAL Network Change proposal, HAL is entitled to implement following the procedure set out in Condition G7.
- I. The Short Term HAL Network Change process allows HAL to propose to maintain any part of the infrastructure at less than the published capability for a specified period. Condition G5 provides Access Beneficiaries with the ability to request, at HAL's cost, the reversal of any such change should they have a reasonable expectation as to the future use of the relevant part of the HAL infrastructure before the expiry of the specified period.
- J. Where an Access Beneficiary wishes to make a HAL Network Change proposal, the procedure is as follows:

Part G: HAL Network Change

- (i) The Access Beneficiary (“Sponsor”) gives a notice of proposal to HAL. Condition G3.2 prescribes the contents of such a notice. In particular, the notice is to contain information on the likely material effects of the HAL Network Change and the reasons for its proposal and proposals as to how HAL and affected Access Beneficiaries should be compensated for the costs, losses and expenses which they may incur as a result of the implementation of the proposed change. HAL must then evaluate the proposal and be permitted to consult with Access Beneficiaries and other relevant persons about the effects of the proposal.
 - (ii) Within 30 days of receiving the Sponsor’s notice, HAL gives a notice setting out the Sponsor’s proposal and adding further information on its own account (in particular, where it disagrees with elements of the Sponsor’s proposal). The notice includes a deadline for HAL to respond to the Sponsor’s notice of proposal, which may be adjusted in the light of consultation.
 - (iii) If the deadline for responses is 90 or more days after the date of HAL’s notice, the Sponsor may require HAL to submit preliminary responses or estimates of the costs, losses and expenses which it may incur as a result of the implementation of the proposed change.
 - (iv) HAL is entitled to be reimbursed 75% of its reasonable costs of assessing a HAL Network Change proposal by the Sponsor. The Sponsor may require HAL to provide it with estimates of such assessment costs, or to cease incurring such costs.
 - (v) In responding formally to a HAL Network Change proposal, HAL must state on its own behalf and on behalf of any other Access Beneficiary, whether the proposal is accepted in its entirety or objected to on one or more of the grounds specified in Condition G4.1.1(a) or (b). If a HAL Network Change proposal is accepted and HAL and/or an affected Access Beneficiary make a claim for compensation for costs, losses and expenses which it may incur as a result of the proposed change, HAL must state on what terms it (or another Access Beneficiary) believes such compensation should be paid. The benefits of the change to HAL or any other Access Beneficiary and their chances of recouping their costs or losses from third parties (including passengers) are to be taken into account when determining the amount of any compensation.
 - (vi) The Sponsor must then either reach agreement with HAL and other Access Beneficiaries to the extent that they raise objections to the proposal, refer the matters in dispute for determination in accordance with the ADRR or abandon the proposal. Implementation will then depend on whether the ADRR proceedings (see further Condition G10) result in a determination that the change should be implemented.
 - (vii) Where a proposal for HAL Network Change proposed by an Access Beneficiary requires the implementation of a Vehicle Change, that Access Beneficiary must follow the required procedures under Part F as well as those under Part G.
- K. This Explanatory Note does not form part of the HAL Network Code.

1.3 Consultation

- 1.3.1 HAL shall, after giving notice of any proposal for HAL Network Change under Condition G1.1, consult with each operator of railway assets likely to be materially affected by the proposed Change to the extent reasonably necessary so as properly to inform that operator of the Change and to enable that operator to assess the consequences for it of the proposed Change.
- 1.3.2 After consultation under this Condition G1.3, HAL may notify a later Relevant Response Date to the persons to whom the notice of proposal for HAL Network Change was given.

1.4 Obligations on Access Beneficiaries to facilitate HAL Network Change

- 1.4.1 Except in the circumstances and to the extent specified in Condition G1.4.2, an Access Beneficiary shall, when consulted by HAL under Condition G1.3, take all reasonable steps to comply with any written request of HAL to provide HAL, within a reasonable period of time and at no cost to HAL, with:

 - (b) a preliminary written response in respect of the proposed HAL Network Change, which shall:
 - (i) be binding on the Access Beneficiary, unless the Access Beneficiary indicates otherwise; and
 - (ii) if it is negative, include reasons.
- 1.4.2 An Access Beneficiary shall not be obliged to comply with a request from HAL under Condition G1.4.1:
 - (a) unless:
 - (i) the Relevant Response Date is 60 or more days after the date on which the proposal for HAL Network Change was given; and
 - (ii) the request is made at the same time as HAL gives its notice under Condition G1.1; or
 - (b) to the extent that the Access Beneficiary is unable to comply with such a request, having regard to the information reasonably available to it.

1.5 Reimbursement of costs

Subject to Conditions G1.4 and G2, each Access Beneficiary shall be entitled to reimbursement by HAL of 75% of all costs incurred by that Access Beneficiary in assessing any HAL Network Change proposed by HAL. Those costs shall be the minimum reasonably necessary for that Access Beneficiary to carry out that assessment.

Part G: HAL Network Change

1.6 Further information regarding costs

Each Access Beneficiary shall, upon request from HAL from time to time, provide HAL with written estimates of the costs of assessing a proposal for HAL Network Change proposed by HAL (as referred to in Condition G1.5) including estimated costings of the work to be carried out and shall:

- (a) be entitled to require reasonable assurances of payment in respect of any material work to be carried out for the purposes of that evaluation before commencing such work; and
- (b) upon request from HAL from time to time, provide HAL with such information as may be reasonably necessary to enable HAL to assess the reasonableness of any estimate.

1.7 Accuracy of estimates

Each Access Beneficiary shall ensure that any estimates given by it are, so far as reasonably practicable, accurate on the basis of the information reasonably available to it.

1.8 Obligation to incur no further costs

An Access Beneficiary shall, if requested by HAL at any time, incur no further costs (except any costs which cannot reasonably be avoided) in respect of any proposal for HAL Network Change made by HAL.

1.9 Changes to the operation of the HAL infrastructure

In the case of a HAL Network Change within the meaning of paragraph (b) of that term's definition, HAL may commence implementing the procedure set out in this Part G and shall, upon notice being given by the relevant Access Beneficiary to HAL at any time after the expiry of the relevant period, promptly commence implementing and thereafter comply with that procedure as if that Change were a HAL Network Change proposed by HAL.

1.10 HAL Network Change for safety reasons

To the extent that a HAL Network Change within the meaning of paragraph (a) of that term's definition is required to be made by HAL for safety reasons, HAL shall not be obliged to implement the procedure set out in this Part G in relation to that Change until the Change has lasted for three months. Upon expiry of the relevant period, HAL shall promptly commence implementing and thereafter comply with the procedure set out in this Part G as if the relevant HAL Network Change were a HAL Network Change proposed by HAL.

Condition G2: Response by access beneficiary to HAL network change proposal

2.1 Obligation to give notice of response

2.1.1 The Access Beneficiary shall give notice to HAL if it considers that:

- (a) one or more of the following conditions has been satisfied:
 - (i) the implementation of the proposed Change would necessarily result in HAL breaching an access contract to which that Access Beneficiary is a party;
 - (ii) HAL has failed, in respect of the proposed Change, to provide sufficient particulars to that Access Beneficiary under Condition G1.2;

Part G: HAL Network Change

- (iii) the implementation of the proposed Change would result in a material deterioration in the performance of that Access Beneficiary's trains which cannot adequately be compensated under this Condition G2 or (where that Access Beneficiary is a Train Operator) in respect of a Restriction of Use in connection with the implementation of the proposed Change under that Train Operator's Access Agreement; or
 - (iv) the proposed Change does not adequately take account of the reasonable expectations of the Access Beneficiary as to the future use of the relevant part of the HAL infrastructure; and/or
 - (b) it should be entitled to compensation from HAL for the consequences of the implementation of the Change either:
 - (i) in accordance with compensation terms proposed under Condition G1; or
 - (ii) on terms other than those proposed (if any) under Condition G1.
- 2.1.2 Any notice of the kind referred to in Condition G2.1.1(a) above shall include the reasons for the Access Beneficiary's opinion. Any notice of the kind mentioned in Condition G2.1.1(b)(ii) above shall include the reasons why the Access Beneficiary considers that any compensation terms proposed under Condition G1 are inappropriate and shall detail:
- (a) the amount of compensation required and the methodology used to calculate the amount of compensation required; or
 - (b) if the Access Beneficiary is not reasonably able to provide details of the amount of compensation required, the methodology to be used to calculate the amount of compensation required; and in either case
 - (c) the means by which the compensation should be paid, including any security or other assurances of payment which HAL should provide.

The notice referred to above shall contain such detail as is reasonable to enable HAL to assess the merits of the Access Beneficiary's decision.

2.2 Amount of compensation

Subject to Condition G2.3 and Condition G2.4.1, the amount of the compensation referred to in Condition G2.1 shall be an amount equal to the amount of the costs, direct losses and expenses (including loss of revenue) which are reasonably incurred or can reasonably be expected to be incurred by the Access Beneficiary as a consequence of the implementation of the proposed Change.

2.3 Benefits to be taken into account

- 2.3.1 There shall be taken into account in determining the amount of compensation referred to in Condition G2.2:
- (a) subject to Condition G2.4.2, the benefit (if any) to be obtained or likely in the future to be obtained by the Access Beneficiary as a consequence of the proposed HAL Network Change; and
 - (b) the ability or likely future ability of the Access Beneficiary to recoup any costs, losses and expenses from third parties including passengers and customers.

2.4 Restrictions of Use

- 2.4.1 The amount of the compensation referred to in Condition G2.2 shall exclude the amount of the costs, direct losses and expenses (including loss of revenue) which are reasonably incurred or can reasonably be expected to be incurred by the Train Operator as a consequence of any Restriction of Use in connection with the implementation of the proposed Change.

Part G: HAL Network Change

- 2.4.2 The benefits taken into account in determining the amount of the compensation for the proposed Change under Condition G2.3 shall exclude the benefit (if any) to be obtained or likely in the future to be obtained by the Train Operator as a consequence of any Restriction of Use in connection with the implementation of the proposed Change (with that exclusion including any compensation payable to that Train Operator in respect of that Restriction of Use under its Access Agreement).

Condition G3: HAL Network change proposal by access beneficiary

3.1 Notice of proposal

- 3.1.1 An Access Beneficiary shall, if it wishes HAL to make a HAL Network Change:

- (a) submit to HAL a proposal for such Change; and
- (b) permit HAL to consult with:
 - (i) each Access Beneficiary that may be affected by the implementation of the proposed HAL Network Change;
 - (ii) Secretary of State, the ORR; and
 - (iii) Transport for London if it may be affected, by the implementation of the proposed HAL Network Change,

to the extent provided for under Condition G3.3.1(b), subject to such requirements as to confidentiality as are reasonable.

3.2 Content of Sponsor's notice of proposal

- 3.2.1 A notice of a proposed HAL Network Change given by the Sponsor under Condition G3.1 shall:

- (a) contain:
 - (i) the reasons why it is proposed to make the Change, including the effects it is intended or expected to have on the operation of the HAL infrastructure or on trains operated on the HAL infrastructure;
 - (ii) a specification of the works to be done (including a plan or plans showing where the work is to be done and the parts of the HAL infrastructure and associated railway assets likely to be affected);
 - (iii) the proposed times within which the works are to be done and when they are intended or expected to be begun and completed;
 - (iv) the Sponsor's proposals (if any) for the division of the costs of carrying out the Change including any proposals in relation to the calculation or payment of compensation to HAL or any Access Beneficiary in respect of the Change; and
 - (v) the additional terms and conditions (if any) which the Sponsor proposes should apply to the Change, including any Variation Procedure; and
- (b) be prepared to a standard, and in such detail, as is reasonably necessary, having due regard to the level of knowledge and expertise reasonably to be expected of the persons specified in Condition G3.1(b), to enable:
 - (i) HAL; and
 - (ii) any person specified in Condition G3.1(b),

to assess the likely effect of the proposed Change on its business and its performance of any obligations or exercise of any discretions which it has in relation to railway services.

Part G: HAL Network Change

3.3 Evaluation of proposal and consultation

3.3.1 If HAL receives a proposal for HAL Network Change under Condition G3.1, it shall:

- (a) evaluate and discuss the proposal for Change with the Sponsor for such period as is reasonable having due regard to the likely impact of the proposed HAL Network Change on either or both of HAL and other operators of trains;
- (b) consult with each person specified in Condition G3.1(b) likely to be materially affected by the proposed Change to the extent reasonably necessary so as properly to inform them of the Change and to enable them to assess the consequences for them of the Change; and
- (c) for the purpose of the consultation under Condition G3.1(b), within 30 days of the date on which the Sponsor's notice under Condition G3.1 was given, give a notice to the persons specified in Condition G3.1(b), with a copy to the Sponsor, inviting them to submit comments by the Relevant Response Date and stating:
 - (i) the Relevant Response Date and the obligations of Access Parties under Conditions G3 and G4;
 - (ii) the reasons given by the Sponsor under Condition G3.2(a)(i) for proposing to make the Change;
 - (iii) HAL's estimate of the likely impact of the Change on the operation and performance of the infrastructure; and
 - (iv) HAL's own proposals as to:
 - (A) the arrangements for, and any proposed terms applicable to, the implementation of the Change;
 - (B) the specification of the works to be done (including a plan or plans showing where the work is to be done and the parts of the infrastructure and associated railway assets likely to be affected);
 - (C) the times within which the works are to be done and when they are intended or expected to be begun and completed;
 - (D) the division of the costs of carrying out the Change, including any proposals in relation to the calculation or payment of compensation to Access Beneficiaries in respect of the Change; and
 - (E) any additional terms and conditions which should apply to the Change, including any proposed Variation Procedure.

3.3.2 In preparing a notice under Condition G3.3.1(c), HAL:

- (a) shall comply with the standard specified in Condition G3.2(b); and
- (b) in respect of each of the matters specified in Condition G3.3.1(c)(iv):
 - (i) shall have regard to any relevant statements and proposals contained in the Sponsor's notice under Condition G3.1;
 - (ii) shall give reasons for any differences between those statements and proposals and its own proposals under Condition G3.3.1(c)(iv); and
 - (iii) may annex to its notice any proposal contained in the Sponsor's notice under Condition G3.1 with which it agrees, stating its agreement, and, where appropriate, that it has no proposals of its own on the matter concerned.

Part G: HAL Network Change

3.4 Facilitation of HAL Network Change by HAL

3.4.1 Except in the circumstances and to the extent specified in Condition G3.4.2, HAL shall, when consulted by the Sponsor, take all reasonable steps to comply with any written request of the Sponsor to provide the Sponsor, within a reasonable period of time, and at no cost to the Sponsor, with:

- (a) a preliminary estimate of those costs, losses and expenses referred to in Condition G4.2 which may be incurred by HAL; and/or
- (b) a preliminary written response in respect of the proposed HAL Network Change, which shall:
 - (i) be binding on HAL, unless HAL indicates otherwise; and
 - (ii) if it is negative, include reasons.

3.4.2 HAL shall not be obliged to comply with a request from the Sponsor under Condition G3.4.1:

- (a) unless:
 - (i) the Relevant Response Date is 90 or more days after the date on which HAL's notice under Condition G3.3.1(c) was given; and
 - (ii) the request is made within 7 days of the Sponsor receiving HAL's notice under Condition G3.3.1(c); or
- (b) to the extent that HAL is unable to comply with such a request, having regard to the information reasonably available to it.

3.4.3 After consultation with the Sponsor and under Condition G3.3.1(b), HAL may notify a later Relevant Response Date to the Sponsor and the persons to whom it gave its notice under Condition G3.3.1(c).

3.5 Reimbursement of costs

Subject to Conditions G3.4 and G4, HAL shall be entitled to reimbursement by the Sponsor of 75% of all costs incurred by HAL in assessing any HAL Network Change proposed by the Sponsor. Those costs shall be the minimum reasonably necessary for HAL to carry out that assessment.

3.6 Provision of estimate of costs by HAL

3.6.1 HAL shall, upon request from the Sponsor from time to time, provide the Sponsor with written estimates of the costs of assessing a proposal for HAL Network Change submitted by the Sponsor (as referred to in Condition G3.5) including estimated costings of the work to be carried out and shall:

- (a) be entitled to require reasonable assurances of payment in respect of any material work to be carried out for the purposes of that assessment before commencing such work; and
- (b) upon request from the Sponsor from time to time provide the Sponsor or its agents with such information as may be reasonably necessary to enable the Sponsor to assess the reasonableness of any estimate.

3.7 Accuracy of estimates

HAL shall ensure that any estimates given by it are, so far as reasonably practicable, accurate on the basis of the information reasonably available to it.

3.8 Obligation to incur no further costs

HAL shall, if requested by the Sponsor at any time, incur no further costs (except any costs that cannot reasonably be avoided) in respect of any proposal for HAL Network Change made by the Sponsor.

Part G: HAL Network Change

3.9 Relationship with Vehicle Change

If the implementation of a HAL Network Change proposed by the Sponsor also requires the implementation of a Vehicle Change in respect of the trains operated by the Sponsor, the Sponsor shall follow the procedures and satisfy the requirements of both this Part G and Part F and the requirement for a Vehicle Change shall not preclude the right of the Sponsor to follow the procedure in this Part G for a HAL Network Change or vice versa.

Condition G4: Response by HAL to Access Beneficiary Network Change Proposal

4.1 Obligation to give notice of response

4.1.1 HAL shall give notice to the Sponsor if:

- (a) it considers that one or more of the following conditions has been satisfied:
 - (i) the implementation of the proposed Change would necessarily result in HAL breaching any access contract (other than an access contract to which the Sponsor is a party);
 - (ii) the Sponsor has failed in a material respect to comply with its obligations under Condition G3.2 provided that HAL shall first have given the Sponsor a reasonable opportunity to remedy that failure;
 - (iii) the implementation of the proposed Change would result in a material adverse effect on the maintenance or operation of the infrastructure or the operation of any train on the HAL infrastructure which in any such case cannot adequately be compensated under this Condition G4 or in respect of a Restriction of Use in connection with the implementation of the proposed Change under the relevant Train Operator's Access Agreement; or
 - (iv) the proposed Change does not adequately take account of the reasonable expectations of an Access Party (other than the Sponsor) as to the future use of the relevant part of the HAL infrastructure;
- (b) any Access Beneficiary shall have given notice to HAL that it considers that any of the conditions specified in paragraph (a) above has been satisfied;
- (c) it considers that it should be entitled to compensation from the Sponsor for the consequences of the implementation of the Change either:
 - (i) in accordance with compensation terms proposed under Condition G3; or
 - (ii) on terms other than those proposed (if any) under Condition G3; and/or
- (d) any Access Beneficiary shall have given notice to HAL that it considers that it should be entitled to compensation from the Sponsor for the consequences of the implementation of the Change either:
 - (i) in accordance with compensation terms proposed under Condition G3; or
 - (ii) on terms other than those proposed (if any) under Condition G3.

4.1.2 Any notice of the kind referred to in Conditions G4.1.1(a) and (b) above shall include the reasons for the opinion in question. Any notice of the kind mentioned in Conditions G4.1.1(c)(ii) and (d)(ii) above shall include the reasons why HAL or the relevant Access Beneficiary considers that any compensation terms proposed under Condition G3 are inappropriate and shall detail:

- (a) the amount of compensation required and the methodology used to calculate the amount of compensation required; or

Part G: HAL Network Change

- (b) if HAL or the relevant Access Beneficiary is not reasonably able to provide details of the amount of compensation required, the methodology to be used to calculate the amount of compensation required; and in either case
- (c) the means by which the compensation should be paid, including any security or other assurances of payment which the Sponsor should provide.

The notice referred to above shall contain such detail as is reasonable to enable the Sponsor to assess the merits of HAL or the relevant Access Beneficiary's decision.

4.2 Amount of compensation

Subject to Condition G4.3, the aggregate of the amount of the compensation referred to in Condition G4.1 shall be:

- (a) subject to Condition G4.4.1 an amount equal to the amount of the costs, direct losses and expenses (including loss of revenue) which are reasonably incurred or can reasonably be expected to be incurred by HAL or the relevant Access Beneficiary in question as a consequence of the implementation of the proposed Change other than any such costs, losses or expenses which are attributable to the Sponsor improving its ability to compete with other operators of railway assets; and
- (b) an amount equal to the amount of costs, direct losses or expenses (including loss of revenue) which are reasonably incurred or can reasonably be expected to be incurred by HAL as consequence of implementing a HAL Network Change including the recovery of any payments made by HAL to the relevant Train Operator under that Train Operator's Access Agreement for the relevant Restriction(s) of Use.

4.3 Benefits to be taken into account

There shall be taken into account in determining the amount of compensation referred to in Condition G4.2:

- (a) subject to Condition G4.4.2 the benefit (if any) to be obtained or likely in the future to be obtained by HAL or the relevant Access Beneficiary as a consequence of the implementation of the proposed Change; and
- (b) the ability or likely future ability of HAL or the relevant Access Beneficiary to recoup any costs, losses and expenses from third parties including passengers and customers.

4.4 Restrictions of Use

- 4.4.1 The amount of the compensation referred to in Condition G4.2 shall in respect of any Train Operator exclude the amount of the costs, direct losses and expenses (including loss of revenue) which are reasonably incurred or can reasonably be expected to be incurred by that Train Operator as a consequence of any Restriction of Use in connection with the implementation of the proposed Change.
- 4.4.2 The benefits taken into account in determining the amount of the compensation for the proposed Change under Condition G4.3 shall in respect of any Train Operator exclude the benefit (if any) to be obtained or likely in the future to be obtained by that Train Operator as a consequence of any Restriction of Use in connection with the implementation of the proposed Change (with that exclusion including any compensation payable to that Train Operator in respect of that Restriction of Use under its Access Agreement).

Part G: HAL Network Change

Condition G5: Short Term HAL Network Change

5.1 Reversal of a Short Term HAL Network Change

- 5.1.1 An Access Beneficiary may request in writing that HAL reverse the effect of a Short Term HAL Network Change before its Expiry Date if the effect of the Short Term HAL Network Change would prevent the Access Beneficiary using the infrastructure in a manner consistent with the reasonable expectations of that Access Beneficiary as to the future use of the relevant part of the infrastructure.
- 5.1.2 The Access Beneficiary shall include with any notice requesting the reversal of the effect of a Short Term HAL Network Change served under Condition G5.1.1 evidence to support the Access Beneficiary's claim of reasonable expectations as to the future use of the relevant part of the HAL infrastructure which requires that reversal.
- 5.1.3 The Access Beneficiary shall provide HAL with such further information as HAL may reasonably require to enable HAL to assess the reasonableness of the Access Beneficiary's request to reverse the effect of a Short Term HAL Network Change.
- 5.1.4 Upon receipt of a notice to reverse the effect of a Short Term HAL Network Change served under Condition G5.1.1, HAL shall:
- (a) reverse the effect of the Short Term HAL Network Change at its own cost by the later of the following:
 - (i) the earlier of:
 - (A) the estimated timescale for reversal set out in the notice of proposed HAL Network Change served under Condition G1.1; and
 - (B) the timescale within which HAL can complete the reversal without incurring any greater cost than would have reasonably been incurred by HAL had the effect of the Short Term HAL Network Change been reversed in accordance with the estimated timescale for reversal set out in the notice of proposed HAL Network Change served under Condition G1.1; or
 - (ii) the earliest use for which the Access Beneficiary can demonstrate a reasonable expectation as to future use; or
 - (b) respond to the Access Beneficiary in writing within 30 days stating that HAL does not believe that the effect of the Short Term HAL Network Change is preventing the Access Beneficiary using the HAL infrastructure in accordance with the reasonable expectations of that Access Beneficiary as to the future use of the relevant part of the HAL infrastructure and giving reasons for its decision.

HAL shall not be liable to any Access Beneficiary if and to the extent that the date of the requested reversal is earlier than the date by which HAL must reverse the effect of the Short Term HAL Network Change as calculated under Condition G5.1.4(a).

5.2 Expiry of a Short Term HAL Network Change

- 5.2.1 HAL shall restore at its own cost any part of the HAL infrastructure which has been subject to a Short Term HAL Network Change to its original capability as set out in the notice of proposal for the Short Term HAL Network Change by the Expiry Date unless and to the extent that:
- (a) a HAL Network Change has been implemented in place of the Short Term HAL Network Change; or
 - (b) a further Short Term HAL Network Change has been implemented.

Part G: HAL Network Change

5.3 Notification of reversal of a Short Term HAL Network Change prior to the Expiry Date

HAL shall publish details of each Short Term HAL Network Change which is reversed prior to the Expiry Date.

Condition G6: Changes imposed by competent authorities

- 6.1 Where HAL is required (other than at its own request or instigation) to implement a HAL Network Change as a result of any Change of Law or any Direction of any Competent Authority other than the ORR exercising any of its functions which do not fall within the definition of 'safety functions' as defined in section 4 of the Act:
- (a) HAL shall, except to the extent that the relevant Change of Law or Direction otherwise requires, comply with Conditions G1.1 and G1.2 in respect of that HAL Network Change;
 - (b) each Access Beneficiary shall make such alterations (if any) to its railway vehicles and its Services as are reasonably necessary to accommodate that HAL Network Change and shall, except to the extent that the relevant Change of Law or Direction otherwise requires, comply with Conditions F2.1, F2.2 and F2.3 (other than Condition F2.2(a)(vi));
 - (c) subject to Condition G9(d), each Access Party shall bear its own costs or losses arising out of the implementation of the HAL Network Change or the consequences thereof;
 - (d) where HAL recovers compensation in respect of that HAL Network Change from a Competent Authority or some other Governmental Body, it shall pay to Access Beneficiaries:
 - (i) where any compensation paid to HAL in relation to that HAL Network Change is sufficient to cover the Relevant Costs of the Access Beneficiary and of HAL, the Relevant Costs of the Access Beneficiary; and
 - (ii) where such compensation is not so sufficient, such proportion of that compensation as the Access Beneficiary's Relevant Costs bears to the sum of HAL's Relevant Costs and all the Access Beneficiary's Relevant Costs in respect of that HAL Network Change; and
 - (e) HAL shall use reasonable endeavours to negotiate with the relevant Competent Authority or Governmental Body (as applicable) a level of compensation in respect of that HAL Network Change which is sufficient to ensure that the Access Beneficiary receives compensation for all of its Relevant Costs. HAL shall from time to time consult with the Access Beneficiary and keep the Access Beneficiary informed in reasonable detail of the progress of such negotiations.

Condition G7: Establishment and implementation

7.1 Implementation of a HAL proposed HAL Network Change

7.1.1 HAL shall be entitled to implement a proposed HAL Network Change if:

- (a) it has not received a notice from any Access Beneficiary under Condition G2.1 by the Relevant Response Date; or
- (b) it has received notice by the Relevant Response Date from an Access Beneficiary under Condition G2.1(c) and either the amount of any compensation referred to in Condition G2.1 has been agreed, or resolved, or the method by which such compensation is to be calculated has been agreed or resolved under Condition G8; and
- (c) there is no other unresolved dispute under this Part G (whether under this Condition G10 or otherwise) as regards the proposed Change between HAL and any affected Access Beneficiary.

Part G: HAL Network Change

- 7.1.2 HAL may, if it considers it expedient to do so in order to confirm whether or not Condition G7.1.1 has been satisfied, issue a notice to all affected Access Beneficiaries when it reasonably believes it is entitled to implement a proposed HAL Network Change.
- 7.1.3 HAL's entitlement to implement a proposed HAL Network Change shall be treated as confirmed 21 days after it has served a notice in respect of that HAL Network Change in accordance with Condition G7.1.2 unless it receives notice from an Access Beneficiary within those 21 days disputing HAL's entitlement to implement that proposed HAL Network Change under Condition G7.1.1 and giving full particulars of its reasons.
- 7.1.4 If HAL does not agree with the contents of a notice served by an affected Access Beneficiary in accordance with Condition G7.1.3, HAL may:
- (a) refer the matter for determination in accordance with the ADRR and Condition G8 shall apply; or
 - (b) withdraw the proposed HAL Network Change.
- 7.2 Implementation of a Sponsor proposed HAL Network Change
- 7.2.1 The Sponsor shall be entitled to instruct HAL to implement a proposed HAL Network Change if:
- (a) HAL has not given notice under Condition G4.1 by the Relevant Response Date; or
 - (b) HAL has given notice by the Relevant Response Date under Condition G4.1.1(c) and either the amount of any compensation referred to in Condition G4.1 has been agreed, or resolved, or the method by which such compensation is to be calculated has been agreed or resolved under Condition G8; or
 - (c) HAL has received notice from an Access Beneficiary under Condition G4.1.1(d) and either the amount of any compensation referred to in Condition G4.1 has been agreed, or resolved, or the method by which such compensation is to be calculated has been agreed or resolved under Condition G8; and
 - (d) there is no other unresolved dispute under this Part G (whether under this Condition G7 or otherwise) as regards the proposed Change between the Sponsor and any Access Party.
- 7.2.2 The Sponsor may, if it considers it expedient to do so in order to confirm whether or not Condition G7.2.1 has been satisfied, instruct HAL to issue a notice to all affected Access Beneficiaries when the Sponsor reasonably believes that it is entitled to instruct HAL to implement a proposed HAL Network Change and HAL shall then serve such a notice within 7 days of the instruction.
- 7.2.3 The Sponsor's entitlement to instruct HAL to implement a proposed HAL Network Change shall be treated as confirmed 35 days after HAL has served a notice in respect of that HAL Network Change in accordance with Condition G7.2.2 unless:
- (a) HAL gives notice to the Sponsor within 35 days disputing the Sponsor's entitlement to require the implementation of that HAL Network Change under Condition G7.2.1 and giving full particulars of its reasons; or
 - (b) HAL receives notice from an Access Beneficiary within 21 days of the notice served by HAL disputing the Sponsor's entitlement to require the implementation of that HAL Network Change under Condition G7.2.1 and giving full particulars of its reasons.

that Access Party may refer the matter for determination in accordance with the ADRR.

Part H: HAL Railway Operational Code

Explanatory Note

- A. Part H sets out a requirement for HAL, in consultation with the industry, to establish a Heathrow Railway Operational Code (the "ROC"). For these purposes the Network Rail ROC will be adopted through a Connection Agreement and will be supported by the Heathrow Emergency Plan (the "HEP").
- B. The HEP describes the arrangements that are specific to the HAL infrastructure and relate to the interfaces between the HAL infrastructure and Heathrow Airport. The obligations within the HEP are sub contracted out to Heathrow Express Operating Company under ROGs. Both the ROC and the HEP arrangements share the objective of sustaining operation of train services on the HAL infrastructure in accordance with the working timetable, as well as where necessary restoring operation in accordance with the working timetable, having regard to the needs of passengers; the interests of safety and security; the efficient and economical operation of the HAL infrastructure and of trains operating on it; and criteria published by the ORR.
- B. The ROC is to be kept under regular review, and covers such issues as notification of disruptive events; contingency plans; clearance of track blockages and assistance to failed trains; emergency timetabling procedures; control arrangements; train regulation; seasonal-preparedness; and other matters necessary or expedient to achieve its objective.
- C. The HEP is to be kept under regular review, and covers such issues as incident command structure; contingency plans; incident management and control; control arrangements; roles and responsibilities; welfare arrangements; emergency services and local authority support and other matters necessary or expedient to achieve its objective.
- D. Part H also sets out a procedure for varying the HEP.
- E. The ROC is part of the services procured by HAL under contract to Network Rail. Any changes to the ROC can only be made through the provisions of the Network Rail Network Code and therefore requests for variations from parties to the HAL Network Code should be made to HAL for submission to Network Rail.
- E. This Explanatory Note does not form part of the HAL Network Code.

All Subsidiary Documentation shall:

- (a) be of a standard which is consistent with promoting the achievement of the Objective and the requirement for compliance under Condition H2; and
- (b) be subject to procedures for review and (where applicable) approval which are in accordance with the Network Rail ROC Criteria.

Condition H4: Appeals relating to Railway Operational Code

4.1 Right of appeal in accordance with the ADRR

As the Railway Operational Code, as varied under the Network Rail Network Code, is being adopted for the HAL infrastructure, neither HAL nor Train Operators can appeal against such variations through the provisions of this HAL Network Code. Insofar as Train Operators are also parties to the Network Rail Network Code, any such appeal should be made through the provisions of the Network Rail Network Code.

Condition H5: Variations to Railway Operational Code

The Railway Operational Code is a national code managed by Network Rail. Any variations to the code will be managed through the provisions set out in the Network Rail Network Code.

5.1 HAL Variations

HAL may request, but cannot compel, that Network Rail consider sponsoring variations to the Railway Operational Code on its behalf if:

- (a) at any time if it reasonably considers that a variation is necessary in order better to promote the achievement of the Objective, striking a balance between:

Part H: HAL Railway Operational Code

- (i) the need for HAL, Train Operators to be able to plan their businesses with a reasonable degree of assurance; and
- (ii) the need for flexibility to address new requirements, including new timetables, introduction of new rolling stock and changes to the infrastructure and traffic patterns; and
- (b) at any time, whether or not paragraph (a) above applies, if required to do so by notice from the ORR.

5.2 Variations proposed by a Train Operator

A Train Operator may request that HAL propose to Network Rail variations to the ROC through the Variation Procedure within the Network Rail Network Code, if it reasonably considers that this is necessary in order better to promote the achievement of the Objective and any such request shall include:

Where any changes are made to this Part H that require consequential changes to be made to any ROC Section, HAL may request, but cannot compel, that Network Rail propose that those consequential changes are made and are effective from the date on which the relevant change to Part H is established.

Condition H6: Scope of Heathrow Emergency Plan

6.1 Contents of Heathrow Emergency Plan

The Heathrow Emergency Plan contains:

- (a) Incident management and control procedures;
- (b) Control roles and responsibilities;

Subject to Condition H7.3, if any Train Operator is dissatisfied as to any matter concerning or in connection with:

Part H: HAL Railway Operational Code

- (a) any variation to the Heathrow Emergency Plan issued under Condition H8; or
- (b) any decision by HAL not to implement a variation proposed by a Train Operator under Condition H8.2, the Train Operator may refer the matter for determination in accordance with the ADRR (as supplemented or varied by this Condition H7).

7.2 Time limits for appeal

A Train Operator's right of appeal under Condition H7.1 shall lapse if the relevant matter is not referred in accordance with the ADRR in the case of a variation under Condition H8:

- (a) if Condition H7.1 (a) applies, within 30 days of the later of the date on which it is published, or
- (b) if Condition H7.1(b) applies, within 30 days of HAL notifying the Train Operators of its decision not to implement a variation proposed by the Train Operator.

7.3 Information to be sent in relation to the appeal

If there has been a reference for determination in accordance with the ADRR under Condition H7.1:

- (a) in the case of a referral under Condition H7.1, HAL shall provide the Train Operator and the relevant ADRR Panel with the name and address of every other Train Operator who HAL reasonably considers may be affected by the variation within 7 days of the making of the reference; and
- (b) the person making the reference shall include with his reference a statement in reasonable detail as to the matter in question and his reasons for making the reference; and
- (c) within 14 days of the reference HAL shall publish a copy of the reference and the statement specified in Condition H7.1 (b).

4.10 HAL agrees with the Part J Access Beneficiary

4.10.1 If HAL agrees with the Part J Access Beneficiary:

- (a) that the matters set out in Condition J4.8.1(a), (b) or (c) have been substantiated; or

then within 10 Working Days following receipt of the Applicant's application HAL shall serve a Failure to Use Notice under Condition J4.4 on the Incumbent. If the Applicant's application does not comply with this Condition J5.1, then within 10 Working Days following receipt of the Applicant's application HAL shall serve a notice on the Applicant rejecting its application and setting out its reasons for rejecting the application.

5.2 Cessation of Failure to Use

- 5.2.1 For the purposes of Condition J5.1.1(b)(iii), there will have been a cessation of a Failure to Use if the test in Condition J4.5 has been met.

- 5.4.1 Subject to the redaction of any commercially sensitive information, the Incumbent shall send a copy of any Counter Notice issued under Condition J5.3.1(b) to the Applicant.

Condition J6: Rights Review Meetings

6.1 The Rights Review Meeting

- 6.2.1 If the ORR considers that a Part J Access Beneficiary is not using any of its Quantum Access Rights, related Train Slots or associated Ancillary Movements, Stabling or Y-Paths and HAL has not held a Rights Review Meeting related to this, then the ORR may, in writing, direct HAL to hold a Rights Review Meeting ("J6 Direction").
- 6.2.2 HAL shall comply with a J6 Direction within 10 Working Days of its receipt.
- 6.2.3 If any third party Part J Access Beneficiary reasonably believes that another Part J Access Beneficiary is not using any of its Quantum Access Rights, related Train Slots or associated Ancillary Movements, Stabling or Y-Paths and HAL has not held a Rights Review Meeting related to this, then it may report the matter to the ORR. The ORR will then consider whether it is appropriate for it to direct, pursuant to Condition J6.2.1, HAL to hold a Rights Review Meeting.
- 6.2.4 Where HAL has failed to comply with a J6 Direction in accordance with Condition J6.2.2, the ORR may apply to the High Court for it to make such order as it thinks fit for requiring the failure to be made good.

Condition M8: Powers of the ORR

Annex 1 - Access Dispute Resolution Rules

**THE ACCESS DISPUTE
RESOLUTION RULES**

March 2016

EXPLANATORY NOTE

This Explanatory Note does not form part of the HAL Network Code.

This Explanatory Note provides a brief overview of the purpose and structure of the Access Dispute Resolution Rules (ADRR).

The ADRR themselves are intended to be a readable single point of reference for parties involved in a dispute. However, further background, and the templates required for use in connection with the ADRR are available at the access disputes website. <http://www.accessdisputesrail.org>.

Overview

The purpose of the ADRR is to provide a clear, coherent, and effective structure for dealing with those rail disputes arising under access agreements and access conditions/codes that should be dealt with under access-specific processes.

Structure

***Chapter A** of the ADRR sets out principles which should be applied throughout the determination procedure by the parties, Chairs, arbitrators, experts and others involved. Those using the Rules are expected to respect the principles and have regard to them at all stages in the determination procedure. Failure to do so is intended to carry penalties including potential adverse Costs awards.*

***Chapter B** provides the mechanism by which a dispute will be initiated and allocated to the agreed or most appropriate Forum.*

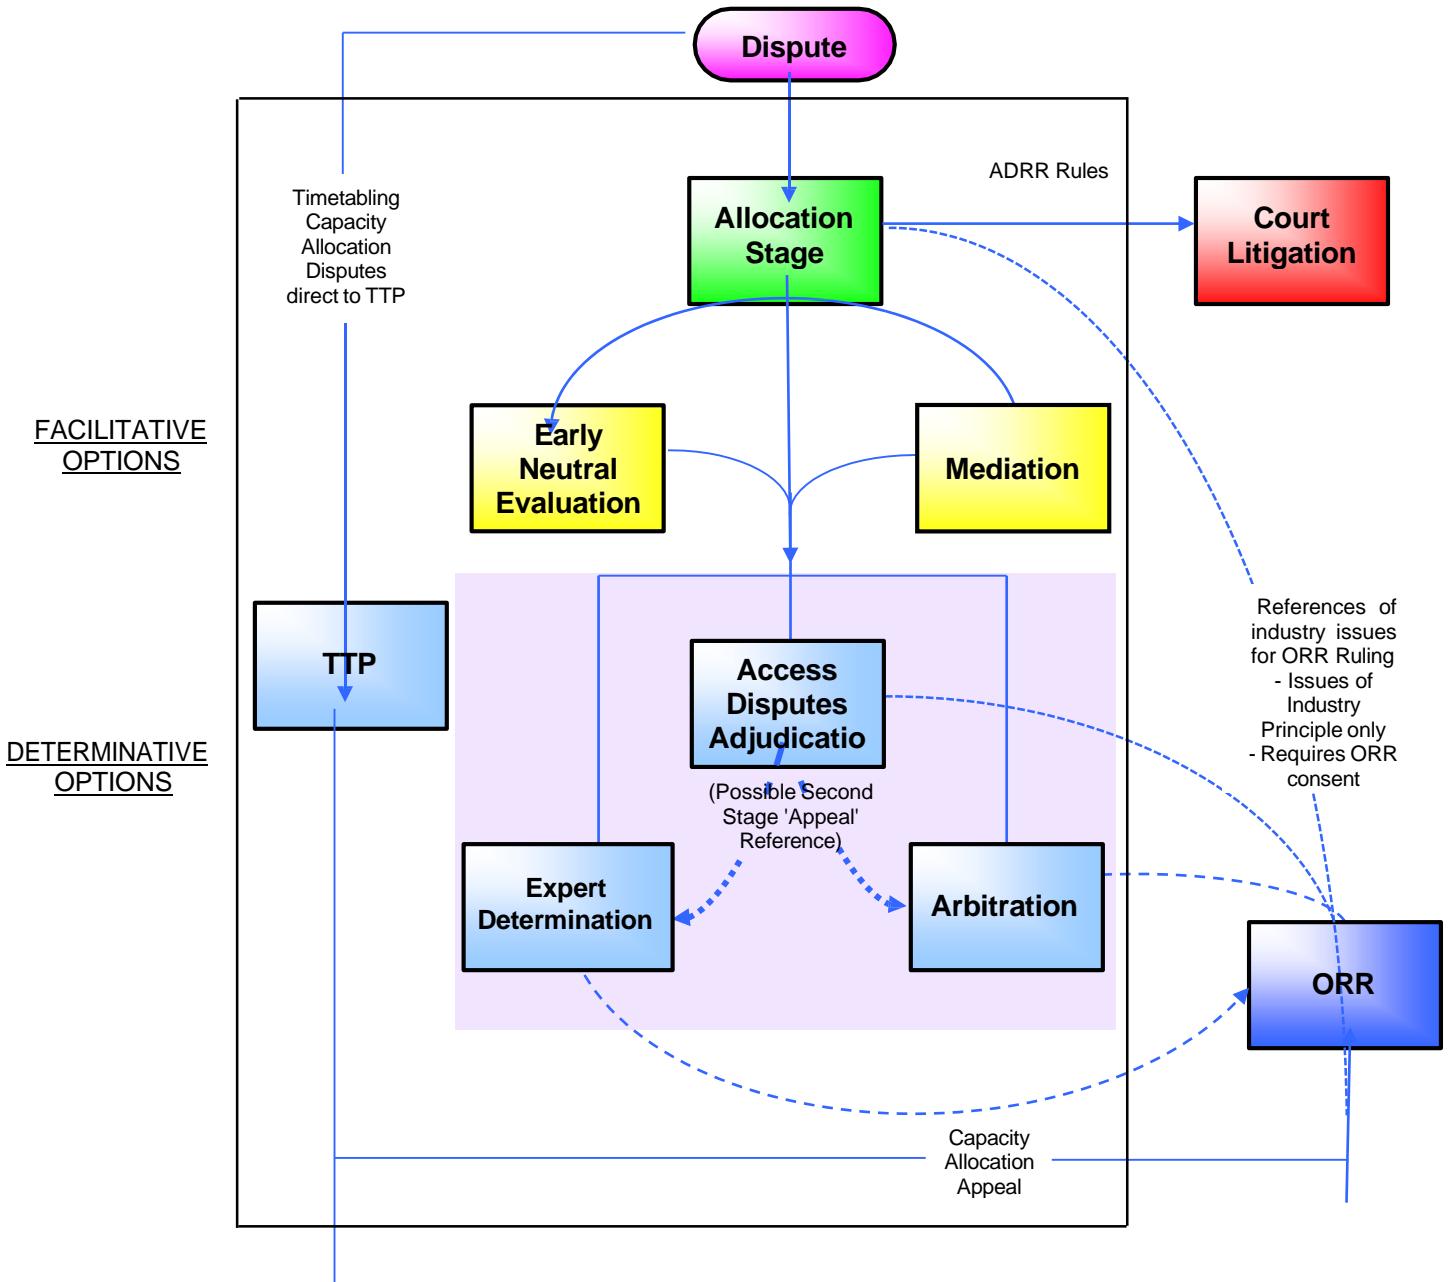

***Chapter C** describes the mechanism by which issues of wider industry concern and issues of a regulatory nature (including those which come within the scope of the Regulations can be referred to the ORR at any stage of the process.*

***Chapters D-I** set out the Rules applicable to each of the dispute resolution processes provided for in the Rules. These include facilitative and determinative processes which may be conducted in parallel (particularly in the case of mediation in parallel with a determinative process) or by way of offering a means of appeal from a first instance decision.*

***Chapter J** contains the constitutional, governance and administrative arrangements required to provide the services contained within the Rules.*

***Chapter K** sets out the mechanism for dealing with disputes where there may be overlaps with the Non-Access Dispute Resolution Rules and the dispute resolution procedure in the Disputes Resolution Agreement, either because it is a mixed dispute or because the access jurisdiction is challenged by one of the parties to the dispute.*

In addition it is envisaged that it will be possible in certain cases to refer cases outside these Rules to ORR under the Regulations or to court on particular issues for which a commercial jurisdiction is most beneficial. The following diagram illustrates how allocation can take place:

CHAPTER A - THE PRINCIPLES AND OPERATION OF THE DETERMINATION PROCEDURE

- 1 The Principles set out in this Chapter A are intended to be applied to the whole of the conduct and determination of disputes by all parties including the Allocation Chair, the Secretary and each Forum.
- 2 Except as otherwise provided in these Rules, any and all references in any contractual document to resolution or determination of a dispute, matter or issue under or in accordance with the whole or any part of, or any process subject to or governed by:
 - (a) the Access Dispute Resolution Rules (or ADRR) incorporated into (or annexed to) the HAL Network Code; or
 - (b) the HAL Network Code itself;shall be a reference to resolution in accordance with these Rules as a whole and (unless otherwise provided in these Rules) no such reference shall restrict or otherwise limit or determine the process or processes to be adopted under these Rules to resolve or determine any dispute or issue.

Purpose

- 3 The determination procedure for disputes described in these Rules is intended to:
 - (a) include one or more dispute resolution processes appropriate to the dispute;
 - (b) include at least one available determinative stage which is objectively impartial and fair trial compliant;
 - (c) provide a relatively swift and easy to access disputes process for all cases where this is appropriate;
 - (d) be able to accommodate larger cases of significant value or wider importance including cases that reasonably require extensive documentation and/or witness evidence;
 - (e) provide a mechanism for the parties or any relevant Forum to obtain a determination on Regulatory Issues from ORR;
 - (f) allow parties to resolve disputes as efficiently and effectively as possible;
 - (g) allow the parties flexibility to identify and adopt the most appropriate dispute resolution process(es) for each dispute; and
 - (h) avoid the use by any party of any dispute resolution process to delay, frustrate or avoid determination or resolution of the dispute.
- 4 The Allocation Chair and each Forum under these Rules shall have regard to the Principles:
 - (a) when making any procedural decisions; and
 - (b) at any stage when Costs are awarded.

PRINCIPLES

Determinations and Remedies

- 5 Each and every Forum shall reach its determination on the basis of the legal entitlements of the Dispute Parties and upon no other basis. Each and every Forum shall act in accordance with the law; and all its decisions, including its determinations and decisions on procedure, shall be in accordance with the law.
- 6 Each and every Forum shall:
 - (a) where the Access Conditions or Underlying Contract require that a specific remedy be granted, grant that remedy accordingly; or
 - (b) where a specific remedy is provided for at law, grant that remedy accordingly; or
 - (c) where the choice of remedy is not a matter of entitlement but is a question properly falling within the discretion of the Forum, exercise that discretion in accordance with

any requirements and criteria set out in the Access Conditions and Underlying Contract after due consideration of all remedies and orders that could properly be made.

Precedent

- 7 In reaching its determination, each and every Forum shall:
- (a) take note of relevant published ADA or TTP determinations and of any other relevant tribunal regarding HAL excluding (to the extent referred to in (b) below) the ORR, as persuasive authority but need not be bound by them;
 - (b) be bound by any relevant decision of the ORR on a Regulatory Issue and any relevant decisions of the courts.

The Forum will act reasonably in taking note of any such decision or determination. However, given the unique nature of the HAL infrastructure, the Forum shall not be bound by any determination made in relation to railway infrastructure other than the HAL infrastructure in relation to any dispute to be determined in accordance with these Rules.

Impartiality

- 8 Members of Forums may be appointed in part due to their particular industry expertise. Nonetheless, all members of Forums shall exercise their functions impartially and not on behalf of any specific organisation, company, business, trade or profession.

Duties of Dispute Parties

- 9 Dispute Parties shall at all times:
- (a) co-operate with any reasonable request of the Allocation Chair, any Forum, the Secretary and each other;
 - (b) conduct themselves in good faith with the objective of resolving the dispute; and
 - (c) avoid antagonistic or unduly adversarial behaviour.

- 10 Dispute Parties shall provide voluntarily, or where reasonably requested, to each other, to the Allocation Chair, the Secretary and to any Forum, all material required for the effective consideration and determination of the dispute, mindful of the requirements of Rules F20, G25, H26, and I20 on Documents.

OPERATION OF THE RULES

Funding

- 11 The delivery of the dispute resolution service provided for in these Rules will be funded by potential users of the service in accordance with the provisions of the Access Contracts.

The Role of the Allocation Chair and Secretary

- 12 The Allocation Chair:
- (a) has oversight (under the powers contained in Chapter B) of the effective overall case management of a dispute;
 - (b) will consider any disputes referred under Chapter B in accordance with these Rules and the Dispute Parties' proposals for the procedure for resolution of them including whether any issues should or could be referred to the ORR;
 - (c) may, at the request of any Resolution Service Party, give guidance on dispute procedure prior to the reference of any dispute for resolution under these Rules;

13 The Allocation Chair may, where reasonable to do so, delegate the performance of any of his functions in any dispute to the Secretary appointed under Rule J16 or any member of the Secretariat appointed under Rule J21 but such delegation shall not affect the obligations and responsibilities of the Allocation Chair set out in Rule A12.

14 The Secretary:

- (a) has responsibility for appointing Hearing Chairs and Industry Advisors from a register maintained by the Secretary and, where parties are unable to agree, arbitrators and determining experts;
- (b) shall assist the Allocation Chair, as required, in the discharge of the functions in Rule A12;

Notwithstanding the generality of the foregoing, all disputes under the Regulations and the ADRR will be determined no later than ten Working Days after the final submission of all relevant information (as reasonably determined by the decision maker or decision making panel) under any of the determination routes or channels outlined in the ADRR.

Consequences of procedural default

16 If a Dispute Party is in procedural default, the Allocation Chair or Forum (as appropriate) may, whether or not upon the application of the other Dispute Party, make one or more of the following orders:

- (a) that the defaulting party comply with its obligation;
- (b) that the defaulting party is prohibited from relying upon the information or other matter which it has failed to provide in accordance with these Rules or a valid direction;
- (c) that the dispute can proceed to determination without one or more steps being taken which have not been taken because of the procedural default; and/or
- (d) that the Costs arising from or connected with the procedural default be paid by the defaulting party on an interim or final basis.

In addition, and where appropriate to do so, adverse inferences may be drawn by any Forum in respect of the position for which the defaulting party contends.

17 For the purposes of Rule A16 procedural default shall include:

- (a) failure to take a step by the time required by these Rules;
- (b) failure to comply with any direction of the Allocation Chair, the Secretary or any Forum;

- (a) the competencies, skills and knowledge of any chosen representative are appropriate to the issues involved in the dispute (content, subject and value);
- (b) where a representative is also a witness, that representative is able to perform both duties in full;
- (c) where a representative is not a witness, any appropriate witnesses are present at the hearing to provide relevant information; and
- (d) its representatives shall respect and act at all times in accordance with the Principles.

- (a) the Act;
- (b) the Regulations;
- (c) the Access Conditions;
- (d) these Rules; and
- (e) the Underlying Contract.

- (e) state whether exceptional circumstances exist requiring an expedited hearing or process.

4 Valid service of a Notice of Dispute upon the Secretary in accordance with Rule B2 shall amount to the issuing of proceedings relating to the dispute for the purposes of all relevant limitation periods or provisions. Provided that the dispute has not subsequently been finally resolved or withdrawn in accordance with Rule 4A (upon the occurrence of which all relevant limitation periods shall be calculated by excluding the period during which the claim was subject to these Rules), no party shall raise any argument, defence or exclusion in subsequent proceedings (whether under these Rules or otherwise) on the basis of the expiry, after the date of valid service of a Notice of Dispute in accordance with Rule B2, of any limitation period.

4A A party which has referred a dispute by service of a Notice of Dispute in accordance with Rule B2 may (without affecting any powers in these Rules to make consequential orders as to costs) discontinue the dispute by serving written notice of withdrawal of the Notice of Dispute on the Secretary and on every other party to the dispute.

4B Rule 4C applies where a party which has served a notice of withdrawal in accordance with Rule 4A and seeks to serve a further Notice of Dispute in accordance with Rule B2, in which:

4C In the circumstances described in Rule 4B, the dispute identified by the further Notice of Dispute (the "Relevant Dispute") will not be referred as a dispute under these Rules unless and until:

- (a) all parties to the Relevant Dispute (and any other party to the withdrawn dispute that is not a party to the Relevant Dispute) have indicated to the Secretary that they agree that the Relevant Dispute should be referred under these Rules; or
- (b) upon reference to the Allocation Chair by the Secretary and having invited submissions by all affected parties and duly considered these, the Allocation Chair gives permission for the Relevant Dispute to be referred under these Rules having regard to the circumstances of the withdrawal and the

- 6 All disputes referred to resolution in accordance with these Rules under Condition B2.4.6 of the HAL Network Code shall be referred to an ADA in accordance with Chapter G of these Rules as a single stage dispute resolution process with no appeal. Following service of a Notice of Dispute relating to such a dispute Rule G9 shall apply and a Procedure Agreement shall be drawn up by the Secretary accordingly.
- 7 All disputes referred to resolution in accordance with these Rules under Condition J5 of the HAL Network Code shall be referred to an ADA in accordance with Chapter G of these Rules with a right of appeal to the ORR for determination in accordance with Part M of the HAL Network Code. Following service of a Notice of Dispute relating to such a dispute Rule G9 shall apply and a Procedure Agreement shall be drawn up by the Secretary accordingly.
- 8 Unless otherwise ordered by the Allocation Chair, following service of a Notice of Dispute upon him, the Secretary:
 - (a) shall allot a case number to the dispute and notify this case number to all Involved Parties including those identified in the Notice of Dispute according to Rule B3(b);
 - (b) where he reasonably believes that another party or parties are likely to be directly affected by the outcome of the dispute and it is appropriate that they should be informed of the existence of the dispute, may seek clarification from the party initiating proceedings about why that party has not been identified in accordance with Rule B3(b) and inform the Allocation Chair or relevant Hearing Chair (as appropriate) accordingly;

- (c) (unless a Procedure Agreement has already been drawn up or served on him) shall set a date and time for an allocation hearing to take place within 28 days of the service of the Notice of Dispute upon him or such other time as the Dispute Parties may agree;

 - (ii) encouraging the parties to seek to agree a determination procedure between them and in the event of reaching such an agreement immediately to notify him accordingly;
 - (iii) requiring each party to serve upon him and exchange with the other parties a statement, at least seven days before the hearing, containing that party's:
 - (A) assessment of the basis of the claim and a brief list of issues. Alternatively agreement with the basis of the claim and list of issues provided with the Notice of Dispute; and
 - (B) preferences for the Forum and any facilitative stages together with short reasons in support of such process; and
 - (C) assessment of any issues which should be referred to the ORR together with the proposed form of words for the reference and short reasons in support of such a reference.

Such statements should each be less than three pages long unless the Allocation Chair directs otherwise.
- 9 The Secretary shall assist the parties to reach an agreement regarding the most appropriate determination procedure and whether any issues can or should be referred to the ORR or to the courts. In doing so the Secretary shall act in a facilitative role impartially between the parties and shall not seek to impose his own assessment or preference upon the parties.
- 10 If the parties reach agreement upon a determination procedure, they shall confirm their agreement and the terms of that agreement to the Secretary by way of a written procedure agreement (the "**Procedure Agreement**") executed by or confirmed in writing on behalf of all Dispute Parties. The form of the executed Procedure Agreement received by the Secretary shall be definitive evidence of the agreement reached and shall specify at least:
- (a) the dispute resolution process or processes agreed by the parties and the order in which they will take place (or specify that facilitative processes are to take place in parallel to other dispute resolution processes);
 - (b) where appropriate, the basis on which any appeal or reference to a second (or later) stage may be made;
 - (c) (subject to the provisions of Part M of the HAL Network Code) where the ORR is identified as an appeal body, confirmation that ORR has agreed to accept an appeal as part of the determination procedure; and
 - (d) where any dispute is agreed to be referred to the courts at any stage, specify the timescale (which shall not be less than 2 months nor more than 9 months) by which any claim must be initiated following conclusion of any prior stages, otherwise the dispute will be deemed withdrawn.
- 11 The Procedure Agreement may specify dispute resolution processes provided for in these Rules (including Court proceedings) or otherwise (provided that agreement from any tribunal/ determinative body not provided for in these Rules is obtained before a reference to it is agreed).

- The Procedure Agreement may not specify that a dispute be referred to a Timetabling Panel unless it is a Timetabling Dispute.
- 12 The Procedure Agreement may also specify any agreed timings for commencement of any dispute resolution process, the terms of any reference agreed to be made to the ORR by the Dispute Parties and any other agreement between the parties regarding the procedure to be adopted.
- 13 The Allocation Chair shall preside over any allocation hearing which takes place. At an allocation hearing he shall:
- (a) consider the Notice of Dispute, the written statements of the parties and any oral representations from the parties;
 - (b) ask questions to identify the most appropriate determination procedure and whether any issues exist which could be referred to the ORR;
 - (c) seek to facilitate an agreement between the parties on the most appropriate determination procedure and whether any issues exist which should be referred to the ORR;
 - (d) having heard each party's full submissions, if no agreement has been reached, state clearly any view he has of the most appropriate determination procedure;
 - (e) in the event that any party claims the right to refer a matter or issue directly to the ORR under the Regulations (without the need to first refer the matter to a Timetabling Panel), determine whether it is arguable that such a right exists and if so direct the reference of the matter to the ORR;
 - (f) in the event that any party claims the right to refer a matter or issue to a Timetabling Panel and subsequently to the ORR in accordance with the Regulations, determine whether it is arguable that such a right exists and if so refer the matter to a Timetabling Panel followed by appeal to the ORR. There is a presumption that disputes referred to resolution under Condition D5.1.1 of the HAL Network Code shall, unless there are compelling reasons to the contrary relating to subject matter, be allocated to a Timetabling Panel. Consequently the Allocation Chair shall not allocate a dispute ostensibly falling within Condition D5.1.1 other than to a Timetabling Panel without first inviting written representations from the Dispute Parties on his intention to do so (to be provided by the parties within seven days of the request or such other time as he shall specify) and giving proper consideration to any representations made;
 - (g) in the event that the parties agree that an issue would be best determined by the ORR but are unable to agree to the wording of the necessary reference, determine the wording of the reference and write to the ORR (copying the parties) identifying the issue and requesting that the issue be considered in accordance with Chapter C;
 - (h) in the event that agreement in principle on the resolution procedure has been reached, but the parties are unable to agree on the timings of each stage (including adjustments to the default timings in these Rules), determine the timings to be applied following consideration of the parties' submissions in that respect;
 - (i) in the event that agreement is reached between the parties (including agreement following the exercise by the Allocation Chair of his powers under (g) and/or (h)), the Allocation Chair shall draw up, with the parties' assistance, the Procedure Agreement and the parties shall execute it or confirm it in writing;
 - (j) in the event that no agreement is reached between the parties and neither (e) or (f) applies, determine that, unless the parties reach a contrary agreement within seven days of the allocation hearing, the matter shall be referred to final determination by arbitration subject to Chapter F as a one stage determination procedure with appeal only in accordance with the Arbitration Acts and shall draw up the Procedure Agreement accordingly and shall sign it as Allocation Chair.

- 14 Following an allocation hearing in accordance with Rule B13 the Allocation Chair may at his discretion write formally to all parties stating his view on the best allocation of the dispute and the approach taken by the parties leading to the actual allocation of the dispute.
- 15 Following service upon him of a Procedure Agreement in accordance with Rule B10 or drawing up of a Procedure Agreement in accordance with Rule B5, 6, 7 or 13, the Secretary shall write to all the Involved Parties:
- (a) dispensing with any remaining stages of any previous directions;
 - (b) confirming receipt of the Procedure Agreement and recording the determination procedure to be adopted for the dispute;
 - (c) confirming the first dispute resolution process and the first dates required by these Rules in respect of that process; and
 - (d) where the first dispute resolution process is ADA or TTP, identifying the Hearing Chair appointed for the dispute;
- 16 For the purposes of these Rules the first dispute resolution process specified in the Procedure Agreement shall commence upon the date on which the Secretary writes to the Involved Parties in accordance with Rule B15. Subsequent dispute resolution processes provided for in the Procedure Agreement shall commence upon receipt by the Secretary in accordance with these Rules of notice from any party of that party's decision to refer the dispute to such dispute resolution process in accordance with these Rules.
- 17 In discharging his roles in respect of allocation under this Chapter B, the Allocation Chair shall have regard to:
- (a) these Rules including the Principles;
 - (b) the allocation criteria (if any) published from time to time by the Committee on the access disputes website;
 - (c) the objective importance of the dispute to the Dispute Parties;
 - (d) the complexity of the issues;
 - (e) the significance (if any) to the railway industry of the issues involved;
 - (f) the scale of any financial claims involved;
 - (g) the relevant laws including the Arbitration Acts, the Act, the Regulations and the right to a fair trial at common law and under the Human Rights Act; and
 - (h) the provisions of Chapter K (Mixed Disputes)
- 18 The Allocation Chair (aided by the Secretary) shall continue to actively encourage and facilitate resolution of disputes throughout the life of the dispute. All parties and all Forums shall have liberty to apply to the Allocation Chair at any stage in respect of a restructuring of the determination procedure including as appropriate the addition of any facilitative process in parallel with determinative processes or otherwise.
- 19 In exceptional circumstances requiring an expedited hearing or process or where alternative actions or directions are required, the Allocation Chair may at any stage on the application of any party give directions varying the timescales provided for in these Rules and nothing in this Chapter B shall restrict such directions being given.
- 20 Upon the application of any Dispute Party or at his own instigation the Allocation Chair may order that any two or more disputes be joined or heard and resolved together where such disputes appear to him in his absolute discretion to concern the same or similar subject matter and where it is in the interests of efficient and fair resolution to do so.
- 21 Subject to the Arbitration Acts, any party may at any stage issue or initiate proceedings before the High Court in England, for any interim remedies including injunctions, interdict or specific implement and nothing in this Chapter B shall prevent them from so doing.

CHAPTER C - REFERENCE TO THE ORR IN THE COURSE OF A DISPUTE RESOLUTION PROCESS

1 This section describes how issues connected to disputes may be referred to the ORR by the parties, the Allocation Chair or any Forum at any stage of the determination procedure and the basis on which ORR will determine such references.

ISSUES TO BE REFERRED

2 Issues may only be referred to the ORR under these Rules by:

- (a) the parties together acting by agreement;
- (b) the Allocation Chair in accordance with the provisions of Chapter B; or
- (c) any Forum acting in accordance with these Rules

in each case a "Referring Party"

3 A Referring Party may at any stage or stages in a dispute refer to ORR any discrete issue or matter which is connected to or forms part of a dispute and:

- (a) concerns information to which ORR has access and which is not readily available from another source; or
- (b) is or concerns a Regulatory Issue; or
- (c) is an issue or matter of wider railway industry relevance which would benefit from ORR's industry specific experience and/or knowledge.

4 The purpose of a reference to ORR is to obtain answers to issues of general application to the railway industry (or a significant part of it) in respect of which ORR has relevant information or knowledge which may inform the resolution of the Dispute Parties' respective entitlements. Consequently (except where it is legally required to hear specific claims) ORR may at its discretion decline references which relate solely to one or more parties' specific factual or financial position or refuse to determine any party's rights on the basis of the particular facts applicable to that party. The ORR may exercise its discretion not to consider the substantive commercial issues in dispute or give an opinion on the merits of the dispute or on the proposed Forum for resolution.

5 The provisions of this Chapter C are without prejudice to any statutory or Access Conditions provisions which provide a right for a party to refer an appeal to ORR.

PROCESS FOR REFERENCES

6 Where a Referring Party decides to refer an issue or matter to the ORR it shall send a Reference to the ORR (copied to all other Involved Parties) ("Reference") containing the following:

- (a) the Referring Party's formulation of a specific question or questions for the ORR to answer with sufficient clarity to enable the ORR to understand the nature of the answer requested from it; and
- (b) a brief explanation of how the issue or matter fulfils the requirements of Rule C3; and
- (c) a statement of the steps which have already been taken to resolve the issue; and
- (d) (at the discretion of that Dispute Party) a statement from each Dispute Party of no more than three pages:
 - (i) stating that Dispute Party's position in respect of the Reference; and
 - (ii) explaining why the Reference should or should not be decided by the ORR; and
 - (iii) attaching any relevant Documents which the party wishes to bring to the attention of the ORR in connection with ORR's decision on whether the Reference should be decided by it.

Where applicable, the Referring Party should also state whether it believes that any party has a right to refer the issue or matter to ORR in accordance with the Regulations or the HAL Network Code or otherwise.

7 For the purposes of this Chapter C, References to ORR may be sent to the following email address: addr.references@orr.gsi.

8 ORR will aim to acknowledge receipt of a Reference within seven days to the Referring Party.

9 ORR will consider the Reference including any statements served under Rule C6 and will respond in writing within 21 days or such other period as the ORR may specify to the Referring Party (copying to all other Involved Parties):

- (a) to advise it that the ORR declines to respond to the Reference and that the issue remains a matter for the relevant dispute Forum to determine and to provide reasons for this decision; or
- (b) to provide a response on questions of fact and/or copies of relevant Documents or records in response to the Reference; or
- (c) where the ORR accepts the Reference, but requires additional time, information or submissions to consider its response, to set directions and a timetable for any further stages in responding to the Reference.

10 Following receipt of a response from the ORR in accordance with Rule C9, the relevant Forum, if appropriate, shall give directions concerning any procedural steps required in light of the response including whether a stay is required pending further consideration by ORR.

11 Following completion of its process, ORR shall send its final written determination of the Reference to the Involved Parties. Following receipt of a final determination the Allocation Chair or the relevant Forum, as the case may be, shall give further directions concerning any procedural steps required in light of the determination.

12 Subject to any order from ORR for partial or complete redaction, all References, statements and submissions made under this Chapter C and all responses provided by ORR may be published by the ORR and shall also be made accessible from the access disputes website.

13 In accordance with Rule A4, ORR's determinations will be applied (in accordance with Rule A7(b) by relevant Forums to the resolution of the dispute on the basis of the Dispute Parties' respective entitlements. Consequently, subject to any specific legal obligations on ORR in considering a reference received under this Chapter C, ORR's determinations on the Regulatory Issues raised will be made in accordance with the Dispute Parties' respective entitlements. The ORR will not take account of any argument raised by any Dispute Party which is not based upon the parties' respective entitlements or would have the effect of avoiding or rendering ineffective any Resolution Service Party's existing entitlements.

CHAPTER D - FACILITATIVE PROCESS RULES - MEDIATION

1 Mediation under these Rules is a private facilitative dispute resolution process in which a neutral mediator tries to help the parties to reach a negotiated settlement.

Disputes to be submitted to mediation

2 Any dispute which the Dispute Parties have agreed shall be submitted to mediation under these Rules shall proceed according to the Rules of this Chapter D. Such agreement may be made when the dispute arises or previously or in the Procedure Agreement or while any other dispute resolution process is taking place and may be made orally or in writing. Any mediation agreed by the parties which is not specified in the Procedure Agreement shall commence upon notification to the Secretary in writing by all parties (or confirmation in writing of such a notification on behalf of all parties) of their agreement to mediate.

3 Where a dispute which would otherwise be submitted to mediation in accordance with this Chapter D is similar to or so closely connected with another dispute (whether in either case involving the same parties or not) between parties to the Non-Access Dispute Resolution Rules that it is expedient for the two disputes to be submitted to mediation in the same proceedings, the dispute shall be submitted to mediation in accordance with this Chapter D save that the parties to the other dispute in question shall be offered the opportunity to participate in the mediation on the same terms as the Dispute Parties, provided that such other parties shall not thereby become party to any Access Contract.

Beginning a mediation

4 Upon commencement of a mediation (in accordance with the Procedure Agreement and Rule B16 or otherwise), the Secretary shall promptly approach all parties to the dispute and liaise with and assist the parties in identifying, choosing and retaining a suitable mediator if not already done.

5 If no mediator can be agreed by the parties within 21 days of the date of commencement of the mediation, the Secretary shall recommend an appropriate individual from lists maintained by him or otherwise. If any party rejects the recommended individual then the mediation will be deemed to have failed and the Secretary shall write to the Involved Parties stating that that mediation stage has been terminated on the date of his letter.

6 Upon appointment of a mediator, the parties and the mediator will agree a date for the mediation session within 60 days of appointment of the mediator (subject to contrary agreement on timescales between the parties).

Exchange of Information

7 Following appointment of a mediator, each party shall prepare the following documents:

- (a) a concise summary ("the Case Summary") of its case in the dispute ; and
- (b) all documents to which the summary refers and any others to which it may wish to refer to in the mediation ("the Mediation Documents").

8 The parties will exchange the Case Summary and Mediation Documents with each other at least seven days before the mediation session, or other such date as may be agreed between the parties and the mediator. Copies shall be sent directly to the mediator on the same date.

9 Subject to contrary agreement between the parties:

- (a) each Case Summary shall be a maximum of ten pages long; and
- (b) a joint set of documents will be provided to the mediator containing the Mediation Documents requested by each party.

The Mediation

10 The mediator, where appropriate, will:

- (a) consult with the parties before the mediation session;
- (b) read before the mediation session each Case Summary and all the Mediation Documents sent to him;

- (c) determine the procedure for the mediation including the mediation session;
 - (d) facilitate the drawing up of any settlement agreement;
 - (e) be bound by the terms for the appointment of a mediator agreed with the parties; and
 - (f) abide by the terms of this Chapter D.
- 11 The mediation session will take place at the place and time stated by the mediator which is best suited to the location of the Dispute Parties.
- 12 No recording or transcripts of the mediation session will be made.
- 13 Each party shall be represented at the mediation session by at least one individual who shall be a senior manager with full decision-making authority to settle the dispute. If there is any restriction on that authority this should be discussed with the mediator before the mediation session. Parties should inform the mediator prior to the date of the mediation session of the identity of its representation which may include professional or other advisers. No other persons may attend without the mediator's agreement.
- 14 The mediator may see each party on his own if he sees fit. The mediator shall not be entitled to disclose matters told to him in confidence without the permission of the party disclosing such matters.
- 15 Within seven days of the end of the mediation session, if the parties have not resolved the dispute by agreement and only if all the parties request, the mediator may advise the parties of his non-binding views as to the likely outcome of the dispute if it were to be referred back to the determination procedure and/or what he considers would be a fair settlement of the dispute.

Settlement Agreement

- 16 Any settlement reached in the mediation will not be legally binding until it has been recorded in writing and signed by the parties.

Confidentiality

- 17 The mediation is and shall be kept confidential.
- 18 The parties, their representatives and advisers, the mediator and the Secretary shall keep confidential all Documents, submissions, statements and other information disclosed in the mediation, including any agreement for the settlement of the dispute, except when and insofar as disclosure is necessary:
- (a) to implement or enforce the agreement for settlement of the dispute; or
 - (b) to comply with an obligation to disclose owed to any financial associate of the party making the disclosure or any obligations at law.
- 19 Its use in the mediation shall not affect the extent to which any Document, submission, statement or other information disclosed in the mediation is admissible or subject to disclosure or production in any subsequent arbitration, legal or other proceedings involving the parties.
- 20 New Documents generated in the course and for the purposes of the mediation shall be treated as being on the same basis as without prejudice negotiations in an action in the courts.

Costs

- 21 Unless the Dispute Parties otherwise agree, each Dispute Party shall bear its own costs of the mediation. The Dispute Parties shall share equally the mediator's fees and expenses, any costs of his appointment and all other administrative costs of the procedure.

Termination of the mediation

- 22 The mediation shall terminate upon the earliest of:
- (a) the occurrence of the events in Rule D5;
 - (b) service by one party to the mediation on the others and on the mediator of a notice of withdrawal from the mediation;

- (c) the provision to all parties by the mediator of his views in accordance with Rule D15;
- (d) the expiry of 14 days from the end of the mediation session;
- (e) withdrawal of the mediator from the mediation; or
- (f) the conclusion of a written settlement agreement.

23 Upon termination any party which wishes to refer the dispute to the next stage of the determination procedure (in accordance with the Procedure Agreement) shall notify the Secretary of the termination and its intention to refer. Any such notification shall be copied to all Dispute Parties. If no party notifies the Secretary of its intention to refer the matter to another dispute resolution process (unless such other process has already been commenced) within 28 days of termination the claim shall be deemed to have been withdrawn.

Exclusion of liability

24 None of the Allocation Chair, the Secretary or any mediator shall be liable to any party for any act or omission (including negligence) in connection with any mediation under these Rules unless the act or omission is shown to have been in bad faith.

Mediator barred from further proceedings

25 The mediator shall not be entitled to act in any capacity in relation to the subject matter of the mediation in which he acted as mediator in any subsequent arbitration, legal or other similar proceedings.

CHAPTER E - FACILITATIVE PROCESS RULES - EARLY NEUTRAL EVALUATION

1 Early Neutral Evaluation (ENE) under these Rules is a private facilitative dispute resolution process in which a neutral evaluator provides a confidential assessment of the likely merits of the case and tries to help the parties to reach a negotiated settlement.

Disputes to be submitted to ENE

2 Any dispute which the Dispute Parties have agreed shall be submitted to ENE under these Rules shall proceed according to the Rules of this Chapter E. Such agreement may be made when the dispute arises or previously or in the Procedure Agreement or while any other dispute resolution process is taking place and may be made orally or in writing. Any ENE agreed by the parties which is not specified in the Procedure Agreement shall commence upon notification of the Secretary in writing by all parties (or confirmation in writing of such a notification on behalf of all parties) of their agreement to an ENE.

Beginning an ENE

3 Upon commencement of an ENE (in accordance with the Procedure Agreement and Rule B16 or otherwise), the Secretary shall promptly approach all parties to the dispute and liaise with and assist the parties in identifying, choosing and retaining a suitable evaluator, if not already done.

4 In the event that no evaluator can be agreed by the parties within 21 days of commencement of the ENE, the Secretary shall recommend an appropriate individual from lists maintained by him or otherwise. If any party rejects the recommended individual then the ENE will be deemed to have failed and the Secretary shall write to all involved Parties stating that that ENE stage has been terminated on the date of his letter.

Exchange of Information

5 Following appointment of an evaluator, each party will prepare the following documents:

- (a) a concise summary ("the Case Summary") of its case in the dispute; and
- (b) all documents to which the summary refers and any others to which it considers to be relevant to the evaluation ("the Evaluation Documents").

Unless the evaluator specifies otherwise, each Case Summary should be limited to 15 pages.

6 The evaluator will specify the date for exchange of submissions and the parties will exchange the Case Summary and Evaluation Documents with each other on that date. Copies shall be sent directly to the evaluator on the same date.

7 Within seven days of the receipt by him of the Case Summaries and Evaluation Documents the evaluator shall notify the parties of any further submissions he requires before making the evaluation including any questions he requires the parties to answer, the date for provision of such further submissions and if necessary the time for an oral hearing. The evaluator need not hold an oral hearing if he considers it unnecessary.

The Evaluation

8 The evaluator where appropriate, will:

- (a) read each Case Summary and all the Evaluation Documents sent to him;
- (b) determine whether any further submissions are required by him and whether an oral presentation from the parties would assist him;
- (c) provide a written statement of his evaluation of the dispute;
- (d) facilitate the drawing up of any settlement agreement;
- (e) be bound by the terms for the appointment of an evaluator agreed with the parties; and
- (f) abide by the terms of this Chapter E.

9 Any oral hearing will take place at the place and time stated by the evaluator who will chair and determine the procedure for the hearing. No recording or transcripts of the hearing will be made.

Unless the evaluator orders otherwise each party shall be limited to one submission of up to one hour. The evaluator may require the parties to answer questions posed by him.

- 10 Within seven days of any hearing or confirmation from the evaluator that there will be no hearing, or such other date as the parties and the evaluator shall agree, the evaluator shall provide a written statement of his evaluation to all parties. The evaluation will state, on the basis of the information provided to him:
- (a) the evaluator's assessment of the dispute, the background and each party's arguments in respect of the facts;
 - (b) the evaluator's conclusions on, or his best estimate of, the likely outcome of the case and the merits of each party's case;
 - (c) the key issues or facts which the evaluator identifies as influencing the likely outcome of the case; and
 - (d) at his discretion, any suggestions on a fair or appropriate settlement of the dispute as between the parties.

- 11 No party shall be bound to adopt the views expressed, or accept the advice provided, by the evaluator.

Settlement Agreement

- 12 Any settlement reached in connection with the ENE will not be legally binding until it has been recorded in writing and signed by the parties.

Confidentiality

- 13 The evaluation is and shall be kept confidential.
- 14 The parties, their representatives and advisers, the evaluator and the Secretary shall keep confidential all Documents, submissions, statements and other information disclosed in the ENE, including any agreement for the settlement of the dispute, except when and insofar as disclosure is necessary:
- (a) to implement or enforce the agreement for settlement of the dispute; or
 - (b) to comply with an obligation to disclose owed to any financial associate of the party making the disclosure or any obligations at law.

- 15 Its use in the ENE shall not affect the extent to which any Document, submission, statement or other information disclosed in the ENE is admissible or subject to disclosure or production in any subsequent arbitration, legal or other proceedings involving the parties.

- 16 The evaluator's evaluation shall be treated as being on the same basis as without prejudice negotiations in an action in the courts.

Costs

- 17 Unless the Dispute Parties otherwise agree, each Dispute Party shall bear its own costs of the ENE. The Dispute Parties shall share equally the evaluator's fees and expenses, the costs of his appointment and all other administrative costs of the procedure.

Termination of the ENE

- 18 The ENE shall terminate upon the earliest of:
- (a) the occurrence of the events in Rule E4;
 - (b) the service by one party to the ENE on the others and on the evaluator of a notice of withdrawal from the ENE;
 - (c) withdrawal of the evaluator from the ENE; or
 - (d) provision of the evaluation to the parties.

- 19 Upon termination any party which wishes to refer the dispute to the next stage of the determination procedure (in accordance with the Procedure Agreement) shall notify the Secretary

of the termination and its intention to refer. Any such notification shall be copied to all Dispute Parties. If no party notifies the Secretary of its intention to refer the matter to another dispute resolution process (unless such other process has already been commenced) within 28 days of termination, the claim shall be deemed to have been withdrawn.

Exclusion of liability

- 20 None of the Allocation Chair, the Secretary or any evaluator shall be liable to any party for any act or omission (including negligence) in connection with any ENE under these Rules unless the act or omission is shown to have been in bad faith.

Jurisdiction and governing law

- 21 ENEs shall take place in such location as the parties agree (or in default of agreement at such place as the evaluator specifies being appropriate for all parties and himself). Unless otherwise agreed by the parties, evaluations shall be subject to English law.

Evaluator barred from further proceedings

- 22 The evaluator shall not be entitled to act in any capacity in relation to the subject matter of the ENE in which he acted as evaluator in any subsequent arbitration, legal or other similar proceedings.

CHAPTER F - DETERMINATIVE PROCESS RULES - ARBITRATION

1 Arbitration under these Rules is a private determinative dispute resolution process subject to the Arbitration Acts in which a neutral arbitrator determines the dispute on the basis of the parties' respective legal rights in accordance with the evidence and argument presented to him.

Disputes to be decided by arbitration

2 Any dispute which the parties to the dispute have agreed shall be submitted to arbitration under these Rules or which has otherwise been allocated to arbitration as a first, second or appeal stage dispute resolution process in accordance with these Rules, shall proceed according to the Rules of this Chapter F.

3 Any arbitration under these Rules shall proceed before a sole arbitrator.

Relationship with Non-Access Dispute Resolution Rules

4 Where a dispute which would otherwise be arbitrated in accordance with this Chapter F is similar to or so closely connected with another dispute ((in either case whether involving the same parties or not) which is capable of being (or has been) referred to arbitration under the Non-Access Dispute Resolution Rules) that it is expedient for the two to be resolved in the same proceedings, the dispute shall be arbitrated or otherwise determined under the Non-Access Dispute Resolution Rules.

Beginning an arbitration and appointing the arbitrator

5 Upon commencement of an arbitration (in accordance with the Procedure Agreement and Rule B16 or otherwise), the Secretary shall promptly approach all Dispute Parties and liaise with and assist the parties in identifying, choosing and retaining a suitable arbitrator, if not already done.

6 In the event that no arbitrator can be agreed by the parties within 21 days of the commencement of the arbitration, the Secretary shall propose an appropriate individual, from lists maintained by him and published on the access disputes website, or otherwise. That individual shall be appointed by the parties as arbitrator unless any party notifies the Secretary of a challenge to the appointment on the ground of (real or apparent or potential) bias, Conflict of Interest or a lack of competence within 5 days of notification of the Secretary's choice. If any challenge is made on the ground of bias, Conflict of Interest or lack of competence, the Allocation Chair shall consider the challenge and determine either to:

- (a) uphold the proposed appointment; or
- (b) remit the choice to the Secretary with directions concerning how a further choice should be made.

Nothing in this Rule F6 shall affect the power of an arbitrator to determine his own jurisdiction or appointment.

Notice of arbitration

7 Upon the appointment of an arbitrator, the Secretary shall send to all the parties to the dispute a notice of the appointment of the arbitrator. The Secretary shall also send to the arbitrator a copy of:

- (a) this Chapter F and Chapters A, B and C;
- (b) any template terms for appointment of an arbitrator issued by the Committee;
- (c) the Notice of Dispute;
- (d) any statements from the parties made under Rule B8(d)(iii); and
- (e) any correspondence from the Allocation Chair made under Rule B14

The Notice of Dispute shall stand as a notice of arbitration and no further notice of arbitration shall be required or served.

Change of arbitrator

- 8 If any arbitrator acting or appointed to act under these Rules resigns, withdraws, dies or refuses to act, the Secretary shall, upon application by the arbitrator or any Dispute Party, on proof satisfactory to the Secretary, declare the position of arbitrator vacant.
- 9 If the arbitrator or any Dispute Party considers that the arbitrator is unable by reason of mental or physical infirmity to perform the duties of his position as arbitrator or is disqualified for any reason from performing those duties, or has delayed unreasonably in the conduct of the arbitration or in the making of any award, the Secretary may, at the request of the arbitrator or any Dispute Party, having heard the arbitrator and the parties if they or any of them wish to be heard, declare the position of arbitrator vacant.
- 10 Where the position of arbitrator shall have been declared to be vacant pursuant to Rule F8 or F9, then Rule F5 shall apply to the appointment of a replacement arbitrator.

Procedure

General

- 11 The arbitrator shall act fairly and impartially as between the parties, giving each a reasonable opportunity of putting his case and dealing with facts raised by his opponent.
- 12 The arbitrator shall adopt procedures suitable to the circumstances of the case, avoiding unnecessary delay or expense to provide a fair means for the resolution of the matters falling to be determined in accordance with each party's rights at law to a fair trial. The arbitrator may give appropriate directions as to any or all aspects of the procedures to be followed and shall have the power at any time to make or amend the procedure (and the directions) to be followed by the parties in the arbitration. The directions shall be in accordance with the Principles.
- 13 Subject to Rule F14, an arbitration shall include an oral hearing which is appropriate in length and content for the just and expeditious determination of the dispute.
- 14 The parties may agree that an arbitration shall be conducted on the basis of written representations only. In such a case, nothing in this Rule shall prevent the arbitrator from requiring one or more oral hearings if he considers it appropriate for the just and expeditious determination of the proceedings.
- 15 Unless the arbitrator rules otherwise (either on his own motion or upon the application of any party), the following timetable and procedure shall apply:
- (a) within 21 days of the notice of appointment of the arbitrator, the claimant(s) shall serve upon the arbitrator and each other party a written statement of its claim. The statement of claim shall specify all relevant facts and matters and contentions of law (if any, and naming the principal authorities) on which the claimant relies (or admits or denies) and the relief and remedies sought;
 - (b) within 21 days of service by the claimant of the statement of its claim, the other party(s) shall serve upon the arbitrator and the claimant(s) a written statement of its defence. The statement of defence shall specify the defence and all relevant facts and matters and contentions of law (if any, naming the principal authorities) on which the respondent relies (or admits or denies). The statement of defence may set out any counterclaim which the respondent wishes to make;
 - (c) the statements of case served pursuant to sub-paragraphs (a) and (b) above shall be accompanied by copies of any Documents referred to in them or upon which the party serving the statement wishes to rely. That party shall, if so requested, make the originals of such Documents available for inspection by the arbitrator or the other party;
 - (d) after service by the respondent of its statement of defence, the arbitrator may:
 - (i) allow the parties an adjustment period within which to adjust the written statements of case so that each material averment of the parties shall be answered (whether by admission, denial, explanation or otherwise). On the expiry of the adjustment period, the statements of case shall be finalised and

within seven days thereafter the claimant(s) shall reproduce the statements of case, as adjusted, into a single document and send 2 copies to each of the arbitrator and the other parties to the arbitration; or, alternatively; and/or

- (ii) within seven days of the service by the respondent of its statement of defence, allow a reply from the claimant(s) limited to responding to new matters and contentions of law raised in the statement of defence including any counterclaim raised;
 - (e) within seven days after the statements of case have been finalised, the arbitrator shall (in consultation with the parties) set a hearing date and the estimated length of the hearing;
 - (f) within 21 days after the statements of case have been finalised, each party shall serve upon the arbitrator and the other party signed statements of any factual witnesses upon whose evidence it wishes to rely, together with any copies of Documents referred to in them not already in the possession of the other party. That party shall, if requested to do so, make the originals of such Documents available for inspection by the arbitrator or the other party; and
 - (g) at least seven days before the hearing, each party shall serve on the other and on the arbitrator its written submissions.
- 16 Unless ordered otherwise by the arbitrator, at the hearing:
- (a) there shall be no oral opening submissions, but the arbitrator may ask the parties questions arising out of their written submissions or statements of case;
 - (b) subject to sub-paragraph (iii) below, the testimony of a witness may be presented in written form, either as a signed statement or as an affidavit duly sworn, provided Rule 15(f) has been complied with. Any party may apply to the arbitrator for an order that any witness whose written statement or affidavit is to be relied upon by a party should attend for oral examination at a hearing and the arbitrator shall make such order unless, having heard the parties, he is satisfied that such oral examination is not likely to assist him in making his award. If a witness is ordered to attend and fails to do so, the arbitrator may:
 - (i) place such weight on the written statement or affidavit as he thinks fit;
 - (ii) exclude it altogether; or
 - (iii) apply to the court for an order for the citation or attendance of witnesses;

In addition, in making his determination on Costs the arbitrator may take any failure to attend into account;
 - (c) factual or expert witnesses who give oral evidence will not be required to provide their evidence in full orally. The parties may cross-examine witnesses on oath or affirmation to the extent permitted by the arbitrator;
 - (d) the parties may make oral closing submissions;
 - (e) the parties may be legally represented; and
 - (f) the arbitrator shall be entitled to receive such evidence as he shall consider relevant, whether or not such evidence would have been admissible in a court of law; and
 - (g) the arbitrator shall deliver to the parties a reasoned award within 10 Working Days of the end of the hearing in accordance with Rule A15.

Proposed amendments

- 17 Immediately after his appointment, the arbitrator shall require each party to propose directions to him or to inform him of any amendments to the procedure or the time limits set out in Rule F15 which it considers appropriate (whether because more than two parties will be involved or otherwise). Each party shall send promptly any proposed directions or amendments to the arbitrator and each other party. Before responding or ordering any amendments to the procedure, the arbitrator may require the parties to meet him.

References to the ORR

- 18 The arbitrator may, on the application of either party or on his own motion, elect to refer any issue or issues to which Rule C3 applies, to the ORR in accordance with Chapter C. Before making any such reference the arbitrator shall:
- (a) seek submissions from all Dispute Parties on whether a reference should be made and if so the wording of such a reference; and
 - (b) determine the wording of any reference to be made with due regard to such submissions.

Supplemental

- 19 If he considers it appropriate for the just and expeditious determination of the proceedings, the arbitrator shall be entitled to appoint one or more advisers, assessors or experts on any matter (including matters of law) to report to him on any specific issue. The costs of any such person shall be subject to the provisions of Rule F30. The arbitrator shall provide to the parties the terms of reference, qualifications and experience of any adviser or assessor appointed. Where the arbitrator receives a report from any such person, he shall disclose the report to the parties and afford them an opportunity to comment on it.

- 20 In relation to the production of Documents:

- (a) the arbitrator may, on the application of a Dispute Party, require the production of such specific identified Documents or class of Documents as are within the possession, custody or control of another Involved Party or any third party which the arbitrator considers relevant. The Dispute Parties shall be given the opportunity to inspect and to comment upon any Document so produced;
 - (b) if any Document is not supplied to the arbitrator and the other party within such time as the arbitrator shall prescribe, the arbitrator may:
 - (i) proceed with the arbitration on the basis of the Documents already before him;
 - (ii) apply to the Court for an order to produce the Documents; or
 - (iii) strike out the part of the claim or defence to which the Document relates,
 and in making his award the arbitrator shall be entitled to draw inferences as he may think fit from the failure to supply the Document. In addition, in making his determination on Costs the arbitrator may take any failure to supply a Document at any stage in the proceedings into account;
 - (c) no party shall be obliged to produce any Document which would be privileged from production in any proceedings in an action in the courts;
 - (d) unless otherwise ordered by the arbitrator, an application by a party to the arbitrator pursuant to sub-paragraph (a) above shall be made not later than 21 days before the date fixed for the hearing; a party in receipt of a request from the arbitrator to produce a Document shall comply with such a request within 14 days;
- 21 Without prejudice to the powers in Rule A16 and in addition to them, the arbitrator shall have power to strike out part or all of any claim or defence made in the proceedings on any one or more of the following grounds:
- (a) wilful breach of these Rules;
 - (b) deliberate non-compliance by a party with any order of the arbitrator; or
 - (c) inordinate or inexcusable delay on the part of any party, where such act or omission has, in the opinion of the arbitrator, given rise to a substantial risk that a fair determination of the dispute will not be possible, or which is such as to cause or to have caused serious prejudice to the other party.
- 22 Without prejudice to the powers in Rule A16 and in addition to them, the arbitrator shall have power to strike out part or all of any claim or defence made in the proceedings if he is satisfied that the claim or defence or any part of it is scandalous, frivolous or vexatious.

- 23 Without prejudice to the powers in Rule A16 and in addition to them, if any Dispute Party fails to serve a Statement of Case within the period allowed under these Rules or by order of the arbitrator, and fails to remedy his default within 14 days after despatch to him by the arbitrator or any other party to the dispute of notice of that default, the arbitrator shall be entitled to rule that he shall be treated as having abandoned his claim or defence (as the case may be) and, having made such a ruling, the arbitrator shall be entitled to proceed with the reference on a without notice basis.
- 24 Any party who becomes aware that any provision or requirement of these Rules has not been complied with and who fails to state an objection to that failure within a reasonable time shall be deemed to have waived the right to object.

Awards

Final and binding

- 25 Awards shall be final and binding on the Dispute Parties subject to:

CHAPTER G - DETERMINATIVE PROCESS RULES - ACCESS DISPUTE ADJUDICATION

1 An Access Dispute Adjudication (ADA) under these Rules is a determinative dispute resolution process in which, with the benefit of advice from independent railway Industry Advisors, a Hearing Chair determines the dispute in a timely and efficient manner on the basis of the parties' respective legal rights in accordance with the evidence and argument presented to him.

Disputes to be decided by ADA

2 Any dispute which is to be submitted to an ADA under these Rules shall proceed according to the Rules of this Chapter G.

3 Any ADA under these Rules shall proceed before a Hearing Chair and a number of Industry Advisors to be determined by the Hearing Chair in light of the issues in the dispute and/or its value or complexity. Unless otherwise ordered by the Hearing Chair the normal number of Industry Advisors shall be two.

4 An ADA shall:

- (a) provide determinations as an adjudication body with relevant railway expertise;
- (b) endeavour to reach fair, rapid and inexpensive determinations of disputes drawing on that expertise;
- (c) where appropriate, take the initiative in ascertaining the facts and law relating to the dispute; and
- (d) balance the formality required to achieve a fair and efficient process with the accessibility required so that the process is quick and easy to use.

5 It is an overriding objective of these Rules that disputes referred to an ADA shall be administered in a way which is proportionate to:

- (a) the objective importance of the dispute to the Dispute Parties;
- (b) the complexity of the issues;
- (c) the significance (if any) of the issues involved to the railway industry; and
- (d) the scale of any financial claims involved.

Accordingly having regard to Rule G16, the Hearing Chair shall (where appropriate) adapt the procedures adopted in respect of each dispute to reflect its specific requirements in terms of subject matter, timescales and value.

6 The ADA shall, in the case of unavoidable absence on the day of one Industry Advisor, be quorate to hear a dispute with all other selected Industry Advisors and the Hearing Chair present.

Relationship with Non-Access Dispute Resolution Rules

7 Where a dispute which would otherwise be determined by ADA in accordance with this Chapter G is similar to or so closely connected with another dispute ((in either case whether involving the same parties or not) which is capable of being (or has been) referred to a panel under the Non-Access Dispute Resolution Rules) that it is expedient for the two to be resolved in the same proceedings, the dispute shall be arbitrated or otherwise determined under the Non-Access Dispute Resolution Rules.

Beginning an ADA

8 An ADA shall commence upon the date identified in Rule B16.

9 The Secretary shall, on any occasion where the next dispute resolution process provided for in the Procedure Agreement is an ADA stage, appoint a Hearing Chair appropriate to the dispute.

10 The Hearing Chair:

- (a) has oversight of the effective case management of a dispute which has been referred to an ADA in light of the Principles;

- (b) has responsibility to ensure that all procedures of the ADA (at and before ADA hearings) are being implemented fairly and effectively in respect of each dispute;
 - (c) will review each dispute following submission of statements of case to identify and to itemise in written form for consideration by the ADA all relevant issues of law raised by the dispute a copy which shall be provided promptly to the Dispute Parties;
 - (d) will make a final determination of the dispute referred to the ADA and prepare a written determination which is legally sound, appropriate in form, and otherwise compliant with this Chapter G;
 - (e) shall ensure that the final determination of the dispute is circulated promptly and (where applicable) in accordance with any mandatory time requirement; and
 - (f) may, where reasonable to do so, delegate the performance of any of his functions (with the exception of making the determination of the dispute) in any dispute to the Secretary, however, such delegation shall not affect the obligations and responsibilities of the Hearing Chair set out in this Rule.
- 11 Upon appointment, the Hearing Chair shall adopt procedures suitable to the circumstances of the case, avoiding unnecessary delay or expense to provide a fair means for the resolution of the matters falling to be determined. The Hearing Chair may give appropriate directions as to any or all aspects of the procedures to be followed and shall have the power at any time to make or amend the procedure (and the directions) to be followed by the parties in the ADA. The directions shall be in accordance with the Principles.
- 12 The directions given under Rule G11 shall expressly require the parties to reconsider whether any third parties not already identified and notified to the Secretary, in accordance with Rule B3(b) or otherwise, may be directly affected by the outcome of the dispute and require the parties to notify the Secretary of the identity of any such parties.
- 13 Provided that such extension has no adverse effect upon the date fixed for an oral hearing, the Dispute Parties may agree an extension of any timescales of up to seven days in respect of any stage. For any period beyond that extension a party may seek an order from the Hearing Chair to provide an extension of time for any of the stages specified in the directions. The Hearing Chair shall make his decisions on any request for an extension of time based upon the Principles.
- 14 Subject to Rule G15, an ADA shall include an oral hearing which is appropriate in length and content for the just and expeditious determination of the dispute.
- 15 The parties may agree that an ADA shall be conducted on the basis of written representations only. In such a case, nothing in this Rule shall prevent the Hearing Chair from requiring one or more oral hearings if he considers it appropriate for the just and expeditious determination of the proceedings.
- 16 The ADA process is flexible and may be adapted by the Hearing Chair to accommodate disputes of differing complexity and size and requiring different levels of evidence. The Hearing Chair shall therefore actively consider whether variations on the standard directions (which are for a straightforward matter) set out in Rule G17 are appropriate or justified and will have regard to the submissions of the parties in this respect.
- 17 Subject to Rule G16, unless the Hearing Chair directs otherwise (and subject to any party's right to apply for alternative or revised directions at all stages), the following timetable and procedure shall apply:
- (a) within 14 days of the appointment of the Hearing Chair, the claimant(s) shall serve upon the Secretary and each other Involved Party, a written statement of its claim in accordance with the template format for a statement of claim (found on the access disputes website) as may be adapted by the Hearing Chair in respect of a particular dispute. The statement of claim shall include the following:
 - (i) names, registered address and any relevant correspondence address (including email address) of the Dispute Parties;

- (ii) the subject matter of the dispute;
 - (iii) identification of the provision(s) of the Underlying Contract under which the reference is made;
 - (iv) identification of any other provision(s) of the Underlying Contract or other contract(s) which the claimant believes are also relevant to the dispute;
 - (v) a summary of the nature and circumstances of the dispute in sufficient detail for the other Dispute Party to identify the issues raised;
 - (vi) the decision sought from the ADA;
 - (vii) the remedy claimed;
 - (viii) an authorised signature of the referring party; and
 - (ix) copies of the following Documents which shall be annexed and cross referenced to the statement:
 - (A) the relevant extracts of contractual Documents containing the provision(s) under which the referral to the ADA arises and/or provision(s) associated with the substance of the dispute; and
 - (B) any other Documents referred to in the reference.
- (b) within 14 days of service by the claimant of the statement of its claim, the other party(s) shall serve upon each other Involved Party a written statement of its defence. The statement of defence shall be in accordance with the template format for a statement of defence (found on the access disputes website) as may be adapted by the Hearing Chair in respect of a particular dispute and shall include the following:
- (i) a schedule identifying those parts of the statement of claim that it agrees with and those that it disagrees with;
 - (ii) the reasons for any disagreement including any further references to provisions of the Underlying Contract or other contract(s) not dealt with in the reference;
 - (iii) details of any other related claim;
 - (iv) the decision (and, if relevant) any remedy sought from the ADA;
 - (v) an authorised signature of the responding party; and
 - (vi) copies of the following Documents which shall be annexed and cross referenced to the response if not dealt with in the statement of claim:
 - (A) the relevant extracts of contractual Documents containing the provision(s) under which the referral to the ADA arises and/or provision(s) associated with the substance of the dispute; and
 - (B) any other Documents referred to in the defence.
- (c) the claimant(s) may within seven days of the service by the respondent of its statement of defence, serve upon each Involved Party a reply limited to responding to new matters and contentions of law raised in the statement of defence and any counterclaim or related claim raised;
- (d) following service of the reply, the Secretary shall write to all parties to inform them that a hearing date will be set in accordance with (e) below and to inquire whether any party intends to make an application for alternative or varied directions and/or a directions hearing at this stage;
- (e) before the date 14 days after the statements of case referred to in paragraphs (a)-(c) have been finalised, the Secretary shall agree with the Hearing Chair and the parties a hearing date and the estimated length of the hearing. If a date cannot be agreed with one or more parties the Hearing Chair shall determine the hearing date. Unless the parties agree otherwise, or the Hearing Chair determines otherwise having due regard to Rule G16,

the hearing date shall be within 35 days of the date on which it is agreed or determined in accordance with this Rule. Upon agreement or determination of a hearing date, the Secretary shall write to all Involved Parties to confirm the date to them;

- (f) the Hearing Chair may raise any questions relating to the dispute he wishes in advance of the hearing. In particular the Hearing Chair shall consider whether any additional third party should be or should have been notified of the dispute subsequent to Rule B3(b) or otherwise and may ask the parties to justify their decision not to notify any such party. If any Industry Advisor or assessor raises a question, the Hearing Chair may in his absolute discretion refer such question to the parties;
 - (g) at least seven days before the hearing, each Dispute Party shall serve on all other Involved Parties its written submissions for the hearing and any additional information or responses to questions requested by the Hearing Chair.
- 18 At any stage prior to the date on which the Secretary writes to inform the Involved Parties of the date of the hearing, in accordance with Rule G17(e) or otherwise, any third party made aware of the dispute subsequent to Rule B3(b) or otherwise can by notification to the Secretary request to become a claimant, defendant or an Involved Party in the dispute. Any person who would be an Involved Party but who has not requested to become a claimant, defendant or an Involved Party in the dispute by this point shall cease to be an Involved Party.
- 19 Any third party which has not been made aware of the dispute subsequent to Rule B3(b) or otherwise can by notification to the Secretary request to become a claimant, defendant or an Involved Party in the dispute at any stage prior to the final hearing. Unless the request seems to him vexatious or frivolous (in which case he shall request that the Hearing Chair determine appropriate directions) upon receiving such a request, the Secretary shall send copies of the Notice of Dispute and all statements of case to the third party making the request subject to a requirement that that party keep such Documents confidential.
- 20 Any request to become a claimant, defendant or third party in accordance with Rule G18 or 19 shall be considered and determined by the Hearing Chair having considered such submissions and evidence as he shall request. In making his decision the Hearing Chair shall take into account the Principles, the wider interests of the industry, the balance of interests between all relevant parties and such other matters as appear to him to be relevant.

References to the ORR

- 21 The Hearing Chair may, on the application of any party or on his own motion, elect to refer any issue or issues to which Rule C3 applies, to the ORR in accordance with Chapter C. Before making any such reference the Hearing Chair shall:
- (a) seek submissions from all Dispute Parties on whether a reference should be made and if so the wording of such a reference; and
 - (b) determine the wording of any reference to be made with due regard to such submissions.

Length of References, Responses and Joint References and method of service

- 22 The length of every Statement of Case shall be in proportion to the nature and complexity of the dispute. Unless otherwise agreed by the Hearing Chair the maximum length of submissions shall be as follows:
- (a) a statement of claim or defence shall be no longer than 20 pages; and
 - (b) a reply shall be no longer than 10 pages.

23 The normal method of service shall be electronic to the Secretary and other Involved Parties.

Directions Hearing

- 24 The Hearing Chair, if necessary, may at any time (on his own motion or that of any party) require the Dispute Parties to participate in a directions hearing to decide, after hearing representations from the Dispute Parties, any issues relating to the procedures adopted for the dispute including:
- (a) whether further or additional third parties should be notified of the dispute;

- (b) the procedures most appropriate to the dispute;
- (c) the nature of the issues in dispute;
- (d) whether any matters are to be referred to the ORR under Rule G21 or otherwise;
- (e) an outline timetable;
- (f) the process and details of the preparation, submission and amendments of statements of case;
- (g) whether any Document disclosure procedures shall take place;
- (h) whether the parties shall be permitted to bring expert evidence and if so the details of such expert evidence;
- (i) the basis and timings for which witness evidence (if any) is to be prepared and exchanged; and/or
- (j) the appointment by the ADA of assessors.

Documents

25 Although Documents reasonably requested should be provided in compliance with the directions specified at Rule G17, disclosure will not ordinarily be ordered. However the Hearing Chair, whether or not on the application of any party and having due regard to Rule G16, has the power to:

- (a) order any Dispute Party to provide by way of formal disclosure and inspection, Documents which it controls and which are relevant to the dispute; and
- (b) specify the formalities, detail and timings involved.

The Hearing Chair shall exercise this power in accordance with the Principles.

26 No party shall be obliged to produce any Document which would be privileged from production in any proceedings in an action in the courts.

27 Requests and applications to the Hearing Chair for disclosure may be made at any stage of the dispute but (whenever practicable) should be made at the time of or shortly following submission of the relevant Statement of Case giving rise to the request. The timing of any request (by reference to the date when it could first reasonably have been made) may be taken into account by the Hearing Chair when considering a request.

28 Without prejudice to any other action open to the Hearing Chair, the Hearing Chair shall be entitled to draw any inference he wishes from any failure to provide adequate or full disclosure by any party or disclosure in accordance with the terms of directions given by him.

29 When considering a request for disclosure, the Hearing Chair will consider the commercial sensitivity of the information requested and may exercise his discretion not to grant full disclosure.

Witness evidence

30 Subject to any alternative direction from the Hearing Chair, a Dispute Party may rely on any witness evidence it believes to be relevant in its statements of case and at any ADA hearing provided that either a witness summary or a witness statement has been served on all other Involved Parties at least seven days before the hearing.

31 A witness summary shall identify in overview the issues on which the witness will give evidence and a summary of the evidence he will give in respect of each such issue. Witness summaries shall be signed by the witness.

32 Written witness statements will not normally be required. However if the Hearing Chair permits or requires witness statements to be submitted he shall specify the formalities, detail and timings involved.

Experts

- 33 A Dispute Party can rely, as of right, upon expert evidence completed prior to the date of the reference. Where a Dispute Party wishes to exercise this right it shall attach such evidence to its first Statement of Case and the other Dispute Parties shall be entitled to a direction that they may commission expert reports responding to the particular issues covered by such evidence.
- 34 When considering whether and to what extent to permit the Dispute Parties to commission further expert reports, the Hearing Chair shall consider what evidence is reasonably required to determine the dispute, the Principles and Rule G16.
- 35 The reports of experts shall state:
- (a) the full remit against which the report has been prepared;
 - (b) the identity, qualifications and experience of the person(s) preparing the report;
 - (c) the extent (if any) to which the expert has previously been involved in the subject matter of the dispute and current or recent professional connections with any of the Dispute Parties.
- 36 At any hearing the Hearing Chair, Industry Advisors, or any assessor appointed, may address questions directly to any experts.
- 37 The Hearing Chair shall determine in accordance with the specific requirements of the dispute whether the expert evidence is dealt with either by consideration of reports only or by the attendance and examination of one or more of the experts to answer questions upon their reports, by telephone, conferencing facilities or by any other means.

Assessors

- 38 The Hearing Chair may appoint one or more assessors to facilitate the determination of a dispute. Any such assessor may be (without limitation):
- (a) a technical assessor with a specific area of expertise relevant to one or more issues in the dispute; and/or
 - (b) a legal assessor.
- 39 Assessors may help undertake the procedural management of the dispute and prepare such report(s) and guidance on such issues as the Hearing Chair may direct.
- 40 The Hearing Chair shall provide to the Dispute Parties the terms of reference, qualifications and experience of any assessor appointed and a summary of his advice.
- 41 The Hearing Chair shall not be bound by the views of an assessor but shall be required to explain his reasons for disagreeing with those views.

Hearing Conduct

- 42 The hearing will be chaired by the Hearing Chair.
- 43 Subject to any contrary direction of the Hearing Chair with due regard to Rule G16, the following procedure will be adopted at hearings:
- (a) the Hearing Chair, Industry Advisors and any assessor will meet in the absence of the Dispute Parties to discuss issues arising from the papers submitted by the Dispute Parties;
 - (b) the Hearing Chair, Industry Advisors and any assessor will confirm to the Dispute Parties the extent to which they have read the papers submitted by the Dispute Parties;
 - (c) the claimant's representative will make an opening submission of its case of not longer than 10 minutes, referring if necessary to witness or expert evidence which the claimant wishes the Hearing Chair and Industry Advisors to consider;
 - (d) the respondent's representative will also make any opening submission of its response and/or counterclaim of not longer than 10 minutes, referring if necessary to additional witness or expert evidence which the respondent wishes the ADA to consider;

- (e) if a written witness statement has been provided, the witness will not be required to read out his statement unless the Hearing Chair decides otherwise. If any witness summary has been provided the Hearing Chair shall direct how the evidence shall be admitted and may require the witness to provide his evidence in full orally before cross examination;
 - (f) if expert evidence is used, the expert will not be required to read out his report unless the Hearing Chair decides otherwise;
 - (g) the Hearing Chair and Industry Advisors and any assessor may put any relevant questions to the representatives, witness(es) and expert(s);
 - (h) Dispute Parties may put questions to any witness(es) or expert(s) in their capacity as witnesses or experts, and when any representative is acting as a witness he shall make that clear; and
 - (i) at the conclusion of questions, representatives may make closing submissions of not more than 10 minutes.
- 44 The hearing shall be conducted with the Dispute Parties present. Following conclusion of the submissions, the Dispute Parties will withdraw to allow the Hearing Chair and Industry Advisors to consider the evidence and arguments with any assessor. The Dispute Parties shall remain available to allow the Hearing Chair, Industry Advisors and any assessor to put any additional questions.
- 45 The Secretary will unless otherwise directed by the Hearing Chair make a full note of the evidence given to the ADA. The Hearing Chair may in his discretion direct in advance that a full transcript is taken.
- 46 The Hearing Chair may, subject to any specified requirements of the Access Conditions or Underlying Contract and legal requirement, reserve his determination until a later date.

Determinations

- 47 Having considered the submissions of the parties and the advice of the Industry Advisors and any assessor the Hearing Chair shall make a determination of the dispute in accordance with Rule G48.
- 48 Subject to any other provision of the Access Conditions and Underlying Contract, the Hearing Chair may make such orders in his determination as he considers necessary to resolve the dispute including, without limitation, that:
- (a) one Dispute Party shall pay an amount of money (including damages) to another Dispute Party, whether that amount is specified in the determination or calculated in accordance with such procedure as the Hearing Chair shall specify;
 - (b) one Dispute Party should take or not take specified action;
 - (c) the meaning of an agreement or a Dispute Party's obligations under that agreement are as stated in the determination; or
 - (d) any principal sum the Hearing Chair may order one party to pay to another shall carry interest at such rate and over such period as he shall determine.
- 49 The Hearing Chair's determination of a dispute shall be in writing and comprise:
- (a) the date of the hearing;
 - (b) the names of the Hearing Chair and Industry Advisors and any assessors present;
 - (c) details of all Dispute Parties (including interested parties);
 - (d) details of the attendance and status of all witnesses and interested parties;
 - (e) a brief summary of the dispute;
 - (f) an identification of the issues of fact and law considered by the Hearing Chair;
 - (g) a summary of the evidence presented;

- (h) the findings of fact made by the Hearing Chair;
- (i) identification of any precedents considered;
- (j) the decisions and conclusions reached, distinguishing clearly between:
 - (i) decisions upon legal entitlement;
 - (ii) decisions upon remedy;
 - (iii) guidance to the Dispute Parties or other observations not forming part of a decision upon either legal entitlement or upon remedy;
- (k) the reasons for those decisions and conclusions (including any relevant legal principles or rules of law applied); and
- (l) the signed and dated confirmation of the Hearing Chair that the determination is legally sound and appropriate in form.

50 The Hearing Chair shall provide a copy of his written reasoned determination to all the Dispute Parties.

51 Except as otherwise provided in the Underlying Contract and without prejudice to Rule G67, the Dispute Parties shall comply with the terms of the determination within such period as shall be specified in the determination.

52 If a Dispute Party fails to comply with the terms of the determination, that failure will be dealt with by way of a new dispute through the appropriate mechanism.

Costs

53 Any fees and expenses, including costs of any assessors and transcription services relating to the period up to and including the first day of any ADA Hearing, shall not be charged to the parties. The Dispute Parties at the time of the ADA hearing are jointly and severally liable to pay the reasonable fees and expenses connected with the ADA relating to the period after the first day of the hearing. Subject to Rule G54, the Dispute Parties shall pay such fees in equal proportions.

54 The Hearing Chair shall have power to order one or more Dispute Party to meet part or all of the Costs or expenses of the ADA and of any other Dispute Party assessed by such means as the Hearing Chair shall determine. Any such order shall be made with due regard to the Principles and to the provisions of these Rules including in particular Rule A16(d).

55 An order for costs shall only be made where the Hearing Chair is satisfied that either:

- (a) the case of the relevant Dispute Party shall have been so lacking in merit that the reference should not have been made (or defended); or
- (b) the conduct of the relevant Dispute Party before or during the references was such as to justify an award of costs being made against it (or them).

56 The Hearing Chair may make such an order at any stage including following any interim or final award.

Confidentiality

57 Subject to Rules G58, G60 and G61, and unless otherwise agreed by all parties, all Documents produced or disclosed in the course of an ADA including the determination shall be treated as confidential by the Hearing Chair, Panel Members, the Allocation Chair, the Secretary and all parties and shall only be used:

- (a) for the purposes of the ADA, including any appeal or further stage in the determination procedure;
- (b) for enforcing the ADA determination; or
- (c) in support of a plea of estoppel in any subsequent proceedings.

58 The confidentiality obligations under Rule G57 shall not apply to Documents which are:

- (a) agreed in writing by all Dispute Parties to be disclosed (including in any Underlying Contract between them);
 - (b) made available to the advisers or financial associates of the party in question, upon obtaining an undertaking of strict confidentiality from such persons;
 - (c) disclosed on a confidential basis to the ORR or the Secretary of State in the normal course of business;
 - (d) disclosed pursuant to Rule G60 or 61; or
 - (e) required to be disclosed pursuant to the order of a court of competent jurisdiction.
- 59 Within seven days of its receipt of the determination (or such longer period as the Hearing Chair shall allow), any party to the dispute may give notice to the Hearing Chair and the other parties to the dispute:
- (a) that it objects to the publishing of all or some of the Documents specified in Rule G60;
 - (b) whether it considers that the Hearing Chair should exercise his discretion to exclude from publication any part of the determination which relates to its affairs; and
 - (c) if confidentiality is sought, its justification for considering that the grounds referred to in Rule G62 do not exist.
- 60 If no notice under Rule G59 is given within the time specified in that Rule, the Secretary shall publish the following Documents on the access disputes website:
- (a) each finalised Statement of Case (including all exhibits and attachments to such statements of case);
 - (b) each request from the Hearing Chair for further information and all responses to such requests;
 - (c) all written submissions from all parties; and
 - (d) all awards and/or determinations from the Hearing Chair.
- 61 If any Dispute Party serves a notice in accordance with Rule G59, the Hearing Chair shall be entitled to hear the parties on the question of confidentiality and determine which Documents shall be published and/or whether any aspects of such Documents should be made illegible or excluded prior to publishing. If any such representations shall have been made to him, unless the parties to the dispute otherwise agree the Hearing Chair shall provide the parties to the dispute with his reasons for making his determination on confidentiality. Such reasons shall be given in writing but shall not be published on the access disputes website.
- 62 There is a presumption that the Documents identified in Rule G58 shall be published provided that:
- (a) publication will not, in the Hearing Chair's reasonable opinion, result in any material adverse effect on the party or parties objecting to publication; and
 - (b) the determination contains a finding or findings of wider railway industry significance; and
 - (c) it is just in all the circumstances to decline the objection from the objecting party.

Communications

- 63 Communications for the purposes of the ADA may be by telephone or email (or such other means as are appropriate) and where by telephone shall be confirmed in writing wherever possible.

Exclusion of liability

- 64 None of the Allocation Chair, the Secretary, the Hearing Chair or any Industry Advisor shall be liable to any party for any act or omission (including negligence) in connection with any ADA under these Rules unless the act or omission is shown to have been in bad faith.

Jurisdiction and governing law

65 ADAs shall take place in England and be subject to English law.

Interlocutory relief granted by the Court

66 In an appropriate case, a party to a dispute which has been or may be submitted to ADA may apply to the Court for interlocutory relief (whether negative or positive), notwithstanding that the relief sought may overlap with the relief which is, or may be, claimed in the ADA.

Appeal

67 Following a determination of a dispute by the Hearing Chair any Dispute Party is entitled to appeal in accordance with any relevant provisions in the Procedure Agreement. If the Procedure Agreement is silent in respect of a right of appeal then each party shall have a right of appeal to arbitration in accordance with these Rules.

68 Any further dispute resolution process to which an appeal is made in accordance with Rule G 67, shall be subject to the confidentiality provisions set out in Rules G57 - G62 as if all Documents disclosed and prepared in relation to that further dispute resolution process had been prepared in respect of an ADA.

69 If any further dispute resolution process is provided for in the Procedure Agreement or if a right to appeal to arbitration exists in accordance with Rule G67 then any party which wishes to refer the dispute to the next stage of the determination procedure (in accordance with the Procedure Agreement) shall notify the Secretary of its intention to refer. Any such notification shall be copied to all Dispute Parties. If no party notifies the Secretary of its intention to refer the matter to such further dispute resolution process within 28 days of the determination of the Hearing Chair, that determination shall be deemed to have been accepted by all parties.

 - (b) hear disputes impartially in accordance with the Principles.
 - (c) not sit on any Timetabling Panel where the operator involved is part of their own owning group.

Relationship with Non-Access Dispute Resolution Rules

- 5 Where a dispute which would otherwise be determined by the TTP in accordance with this Chapter H is similar to or so closely connected with another dispute ((in either case whether involving the same parties or not) which is capable of being (or has been) referred to a panel under the Non-Access Dispute Resolution Rules) that it is expedient for the two to be resolved in the same proceedings, the dispute shall be arbitrated or otherwise determined under the Non-Access Dispute Resolution Rules.

Disputes to be decided by a Timetabling Panel

- 6 Subject to Rule H7 and 8, any dispute which is to be submitted to a Timetabling Panel under these Rules, shall proceed according to this Chapter H.
- 7 Following service upon the Secretary of the Notice of Dispute in relation to a Timetabling Dispute in accordance with Rule B2, any Involved Party may apply to the Hearing Chair for a ruling that:
 - (a) the dispute is not a Timetabling Dispute and should be referred to allocation in accordance with Rule B8; and/or
 - (b) some aspects of the dispute or issues raised by the dispute are not matters of timetabling, timetable change and/or capacity allocation and are not properly resolved by a Timetabling Panel and consequently should be reserved for determination by another dispute resolution process.

Any such application shall give the reasons relied upon by the applicant in support of the application and be made as soon as possible after the applicant has become aware that a Timetabling Dispute has been notified to the Secretary.

- 8 Upon an application being made in accordance with Rule H7 the Hearing Chair may give such directions as he determines are appropriate to resolve the application and, where appropriate, to remit the dispute or aspects of the dispute to allocation in accordance with Chapter B. Such directions may include, as appropriate, a direction on whether aspects of the dispute which are not referred to a Timetabling Panel should be resolved concurrently or sequentially with any TTP process.

- 9 In taking his decision in accordance with Rule H8 the Hearing Chair shall have regard to the following:
- (a) there is a presumption that disputes for which a Timetabling Panel is identified in the relevant provisions of the Underlying Contract as the body to determine disputes are Timetabling Disputes and should be resolved in accordance with this Chapter H. Consequently the Hearing Chair shall not allocate a dispute ostensibly falling within such a provision other than to a Timetabling Panel without first inviting written representations from the Involved Parties on his intention to do so and giving proper consideration to any representations made;
 - (b) any determination which may affect the production of the railway operational timetable must be made within the necessary timescales to allow that timetable to be published; and
 - (c) HAL may only make adjustments to a timetable which affects train slots allocated to a train operator who is not a party to a dispute, with the assent of all affected parties, or to give effect to a decision of a Timetabling Panel or the ORR.

TTP Process

- 10 The TTP process in respect of a dispute shall commence upon the receipt by the Secretary of the Notice of Dispute in relation to a Timetabling Dispute in accordance with Rule B2.
- 11 Upon commencement of the TTP process in respect of any dispute, the Secretary shall appoint a Timetabling Panel in accordance with Rule H12 and send to all the parties to the dispute, and publish upon the access disputes website, a notice of the appointment of a Timetabling Panel. This notice shall contain sufficient information regarding the matter under dispute that any other Resolution Service Party will be able to determine whether or not it should seek to be recognised as a Dispute Party. The Secretary shall also give the parties notice of the Hearing Chair who has been appointed.
- 12 A Timetabling Panel shall:
- (a) be appointed by the Secretary; and
 - (b) consist of a Hearing Chair and at least one member selected from the Timetabling Pool that is representative of an Infrastructure Manager and one member of the Timetabling Pool that is representative of an operator of passenger services.
- 13 The Secretary shall appoint each Timetabling Panel in a manner that:
- (a) is in accordance with the Principles as set out in Rule A 5 - A10 and this Chapter H.
 - (b) over time rotates (as evenly as is reasonably achievable given inevitably differing levels of other commitments of individuals) the individuals from the Timetabling Pool hearing disputes subject to any preferences as to the utilisation of their own employees expressed by any organisation which employs two or more such individuals; and
 - (c) is in accordance with any further guidance issued to the Secretary by the Committee.
- 14 A Timetabling Panel shall:
- (a) provide determinations on the basis of the expertise of a knowledgeable peer group with relevant railway expertise;
 - (b) endeavour to reach fair, rapid and inexpensive determinations of disputes drawing on that expertise; and
 - (c) where appropriate, take the initiative in ascertaining the facts and law relating to the dispute.
- 15 Members of the Timetabling Pool are chosen because of their particular railway expertise as described at Rule H2. They shall exercise their functions impartially and not on behalf of any specific organisation or type of railway operations.

- 16 It is an overriding objective of these Rules that disputes referred to a Timetabling Panel shall be administered in a way which is proportionate to:
- (a) the objective importance of the dispute to the Dispute Parties;
 - (b) the complexity of the issues;
 - (c) the significance (if any) of the issues involved to the railway industry; and
 - (d) the need to ensure that the production processes for the railway operational timetable are not disrupted to the potential detriment of third parties.

Accordingly the Hearing Chair shall (where appropriate) adapt the procedures adopted in respect of each dispute to reflect its specific requirements in terms of subject matter, timescales and significance. All procedures adopted must reflect the Principles and this Chapter H.

- 17 The Timetabling Panel shall, in the case of absence on the day of one member (unless it is the Hearing Chair), be quorate to hear a dispute with any three of the four selected members of the Timetabling Pool present.

- 18 The Hearing Chair:

- (a) has oversight of the effective case management of a dispute which has been referred to a Timetabling Panel;
- (b) has responsibility to ensure that all procedures of the Timetabling Panel (at, before and after TTP hearings) are being implemented fairly and effectively in respect of each dispute;
- (c) will review each dispute following submission of statements of case to identify and to itemise in written form for consideration by the other Panel Members all relevant issues of law raised by the dispute a copy which shall be provided promptly to the Dispute Parties;
- (d) will make a final determination of the dispute referred to a Timetabling Panel and prepare a written determination which is legally sound, appropriate in form, and otherwise compliant with this Chapter H;
- (e) may, where reasonable to do so, delegate the performance of any of his functions (with the exception of making the determination of the dispute and acting as Hearing Chair at any hearing) in any dispute to the Secretary, however, such delegation shall not affect the obligations and responsibilities of the Hearing Chair set out in this Chapter H.

- 19 Any Resolution Service Party can by notification to the Secretary at any stage become a Dispute Party if it fulfils the definition of a Dispute Party, provided that the prior consent of the Hearing Chair is obtained in order for such a Resolution Service Party to become a Dispute Party if such notification is made after any directions hearing pursuant to Rule H25.

- 20 Upon appointment the Hearing Chair may give directions as to any or all aspects of the procedures to be followed. The Hearing Chair shall have the power at any time to make or amend the procedure to be followed by the parties in the TTP. The directions shall be in accordance with the Principles and this Chapter H and with any mandatory time requirements.

- 21 Unless the Hearing Chair directs otherwise (and subject to each party's right to apply for alternative or revised directions at all stages), the following timetable and procedure shall apply:

- (a) if the parties agree to submit a joint reference they shall, within 14 days of notification of the appointment of the Hearing Chair, submit a joint reference in accordance with the template format for a joint reference (found on the access disputes website) as may be adapted by the Hearing Chair in respect of a particular dispute;

The timing of any request (by reference to the date when it could first reasonably have been made) may be taken into account by the Hearing Chair when considering a request.

30 Without prejudice to any other action open to the Hearing Chair, the Hearing Chair shall be entitled to draw any inference he wishes from any failure to provide adequate or full disclosure by any party or disclosure in accordance with the terms of directions given by him.

CHAPTER I - DETERMINATIVE PROCESS RULES - EXPERT DETERMINATION

1 Expert determination under these Rules is a private determinative dispute resolution process in which a neutral expert (the determining expert) determines the dispute on the basis of the parties' respective legal rights, the information available to him and his own expertise.

Disputes to be decided by expert determination

2 Any dispute which the Dispute Parties have agreed shall be submitted to expert determination under these Rules or which has otherwise been allocated to expert determination as a first or second stage or appeal stage dispute resolution process in accordance with these Rules, shall proceed according to the Rules of this Chapter I.

3 Any dispute which the parties have agreed should be referred to expert determination under these Rules shall be determined by a sole expert agreed between the parties or appointed by the Secretary in accordance with this Chapter I.

Relationship with Non-Access Dispute Resolution Rules

4 Where a dispute which would otherwise be decided in accordance with this Chapter I is similar to or so closely connected with another dispute (in either case whether involving the same parties or not) which is capable of being (or has been) referred to a panel under the Non-Access Dispute Resolution Rules that it is expedient for the two to be resolved in the same proceedings, the dispute shall be arbitrated or otherwise determined under the Non-Access Dispute Resolution Rules.

Beginning an expert determination and appointing the Determining Expert

5 Upon commencement of an expert determination (in accordance with the Procedure Agreement and Rule B16 or otherwise), the Secretary shall promptly approach all parties to the dispute and liaise with and assist the parties in identifying, choosing and retaining a suitable determining expert, if not already done.

6 In the event that no determining expert can be agreed by the parties within 21 days of commencement of the expert determination, the Secretary shall propose an appropriate individual from lists maintained by him and published on the access disputes website, or otherwise. That individual shall be appointed by the parties as determining expert unless either or both parties notify the Secretary of a challenge to the appointment on the ground of (real or apparent or potential) bias, Conflict of Interest or a lack of competence within 3 days of notification of the Secretary's choice. If any challenge is made on the ground of bias, Conflict of Interest or lack of competence, the Allocation Chair shall consider the challenge and determine either to:

- (a) uphold the proposed appointment; or
- (b) remit the choice to the Secretary with directions concerning how a further choice should be made.

Nothing in this clause shall affect the power of a determining expert to determine his own jurisdiction or appointment.

Notice of expert determination

7 Upon the appointment of a determining expert, the Secretary shall send to all the parties to the dispute a notice of the appointment of the determining expert. The Secretary shall also send to the determining expert a copy of:

- (a) this Chapter I and Chapter A, B and C;
- (b) any template terms for appointment of a determining expert issued by the Committee;
- (c) the Notice of Dispute;
- (d) any statements from the Dispute Parties made under Rule B8(d)(iii); and
- (e) any correspondence from the Allocation Chair made under Rule B14

The Notice of Dispute shall stand as a notice of expert determination and no further notice of expert determination shall be required or served.

Change of Determining Expert

- 8 If any determining expert acting or appointed to act under these Rules resigns, withdraws, dies or refuses to act, the Secretary shall, upon application by the determining expert or any party to the expert determination, on proof satisfactory to the Secretary, declare the office of determining expert vacant.
- 9 If the determining expert or any Dispute Party considers that the determining expert is unable by reason of mental or physical infirmity to perform the duties of his position or is disqualified for any reason from performing the duties of his position, or has delayed unreasonably in the conduct of the expert determination or in the making of any award, the Secretary may, at the request of the determining expert or any Dispute Party, having heard the determining expert and the parties if they or any of them wish to be heard, declare the position of determining expert vacant.
- 10 Where the position of determining expert shall have been declared to be vacant pursuant to Rule I8 or I9, then Rule I5 shall apply to the appointment of a replacement determining expert.

Procedure

General

- 11 The determining expert shall act fairly and impartially as between the parties, giving each a reasonable opportunity of putting his case and dealing with facts raised by his opponent.
- 12 The determining expert shall adopt procedures suitable to the circumstances of the case, avoiding unnecessary delay or expense to provide a fair means for the resolution of the matters falling to be determined in accordance with each party's rights at law to a fair trial. The determining expert may give appropriate directions as to any or all aspects of the procedures to be followed and shall have the power at any time to make or amend the procedure (and the directions) to be followed by the parties in the expert determination. The directions shall be in accordance with the Principles.
- 13 Subject to Rule I14, an expert determination shall include an oral hearing which is appropriate in length and content for the just and expeditious determination of the dispute.
- 14 The parties may agree that an expert determination shall be conducted on the basis of written representations only. In such a case, nothing in this Rule shall prevent the determining expert from requiring one or more oral hearings if he considers it appropriate for the just and expeditious determination of the proceedings.
- 15 The determining expert may at any stage require one or more Dispute Parties to provide him with any information, data or computations which are within the control of that party or parties and reasonably accessible to them. The determining expert may further request one or more parties to produce further computations or analysis of data or information where such computations or analysis are reasonably necessary for the purposes of the fair resolution of the dispute and the necessary data, information and competence to prepare such computations or analysis is reasonably available to the relevant party or parties.
- 16 Unless the determining expert rules otherwise (either on his own motion or upon the application of any party), the following timetable and procedure shall apply:
- (a) within 21 days of the notice of appointment of the determining expert, the claimant(s) shall serve upon the determining expert and each other party a written statement of its claim. The statement of claim shall specify all relevant facts and matters and contentions of law (if any, and naming the principal authorities) on which the claimant relies (or admits or denies) and the relief and remedies sought;
 - (b) within 21 days of service by the claimant of the statement of its claim, the other party(s) shall serve upon the determining expert and the claimant(s) a written statement of its defence. The statement of defence shall specify the defence and all relevant facts and matters and contentions of law (if any, naming the principal authorities) on which the respondent relies (or admits or denies). The statement of defence may set out any counterclaim which the respondent wishes to make;

- (c) the claimant(s) may within seven days of the service by the respondent of its statement of defence, serve upon the determining expert and each other party a written reply limited to responding to new matters and contentions of law raised in the statement of defence and any counterclaim or related claim raised;
- (d) the statements of case served pursuant to sub-paragraphs (a), (b) and (c) above shall be accompanied by copies of any Documents referred to in them or upon which the party serving the statement wishes to rely. In addition they shall be accompanied by (or, as appropriate refer to and identify) any computations, models, analysis or data prepared by or for that party upon which the party wishes to rely. That party shall, if so requested, make the originals of such Documents available for inspection by the determining expert or the other party(s) and shall as appropriate make available active electronic copies of such Documents for analysis by the determining expert or the other party(s);
- (e) the determining expert may raise such questions as he considers necessary or appropriate and require responses from the parties within such time as he specifies;
- (f) at least seven days before any hearing, each party shall serve on the other and on the determining expert its written submissions;
- (g) unless ordered otherwise by the determining expert, at the hearing:
 - (i) there shall be no oral opening submissions, but the determining expert may ask the parties questions arising out of their written submissions or statements of case;
 - (ii) subject to sub-paragraph (iii) below, the testimony of a witness may be presented in written form, either as a signed statement or as an affidavit duly sworn. Any party may apply to the determining expert for an order that any witness whose written statement or affidavit is to be relied upon by a party should attend for oral examination at a hearing and the determining expert shall make such order unless, having heard the parties, he is satisfied that such oral examination is not likely to assist him in making his award. If a witness is ordered to attend and fails to do so, the determining expert may:
 - (A) place such weight on the written statement or affidavit as he thinks fit;
 - (B) exclude it altogether; or
 - (C) apply to the Court for an order for the citation or attendance of witnesses.

In addition, in making his determination on Costs the determining expert may take any failure to attend into account;
 - (iii) factual or expert witnesses who give oral evidence will not be required to provide their evidence in full orally. The parties may cross-examine witnesses on oath or affirmation to the extent permitted by the determining expert;
 - (iv) the parties may make oral closing submissions;
 - (v) the parties may be legally represented; and
 - (vi) the determining expert shall be entitled to receive such evidence as he shall consider relevant, whether or not such evidence would have been admissible in a Court; and
- (h) the determining expert shall deliver to the parties a reasoned award within 10 Working Days of the end of the hearing in accordance with Rule A15.

Proposed amendments

- 17 Immediately after his appointment, the determining expert shall require each Dispute Party to propose directions to him or to inform him of any amendments to the procedure or the time limits set out in Rule I16 which it considers appropriate (whether because more than two parties will be involved or otherwise). Each party shall send promptly any proposed directions or amendments to

the determining expert and each other party. Before responding and ordering any amendments, the determining expert may require the parties to meet him.

References to the ORR

- 18 The determining expert may, on the application of any party or on his own motion, elect to refer any issue or issues to which Rule C3 applies, to the ORR in accordance with Chapter C. Before making any such reference the determining expert shall:
