(V) These dishes are made from ingredients that do not contain meat or fish. However, we do not have dedicated preparation or cooking areas within our kitchen for vegetarian food. Not all ingredients are shown in the dish descriptions. We follow good hygiene practices in our kitchens, but due to the presence of allergenic ingredients in some products there is a small possibility that allergen traces may be found in any item. We advise you to speak to a member of staff if you have any food allergies or intolerances. Our fish is a natural product and may contain small bones. The calorie information for our menu is calculated from recipes, however, as all our dishes are prepared by hand, some variation may occur. Guidance permits a +/-20% variance on published calorie values. For the latest calorie information please visit our website. | 0223
