Notes

(1) As disclosed in Heathrow (SP) Limited press release dated 18 February 2013

(2) As disclosed in Heathrow (SP) Limited press release dated 24 February 2014

(3) As disclosed in Heathrow (SP) Limited press release dated 23 February 2016. The Interest Cover Ratios for 2014 have been restated to be consistent with the approach adopted in 2015 to treat severance costs as ordinary items rather than exceptional items

(4) As disclosed in Heathrow (SP) Limited press release dated 23 February 2016

(5) As disclosed in Heathrow (SP) Limited press release dated 24 February 2017

(6) As disclosed in Heathrow (SP) Limited press release dated 22 February 2018

(7) As disclosed in Heathrow (SP) Limited press release dated 21 February 2019

(8) As disclosed in Heathrow (SP) Limited press release dated 26 February 2020

(9) As disclosed in Heathrow (SP) Limited press release dated 24 February 2021

(10) As disclosed in Heathrow (SP) Limited press release dated 23 February 2022

(11) As disclosed in Heathrow (SP) Limited press release dated 23 February 2023

(12) As disclosed in Heathrow (SP) Limited press release dated 21 February 2024

(13) As disclosed in Heathrow (SP) Limited press release dated 23 October 2024

(14) Regulatory Asset Ratio is the ratio of net debt to RAB and RAB is the Regulatory Asset Base

(14) Senior Interest Cover Ratio, Junior Interest Cover Ratio and Group Interest Cover Ratio is the ratio of (a) Cash Flow from Operations excluding exceptional items (EBITDA adjusted for working capital movement less tax and 2% of RAB) to (b) Interest and equivalent recurring finance charges paid or forecast to be paid on Senior Debt, Junior Debt or Group Debt as appropriate

(15) The Group Regulatory Asset Ratio covenant increased to 95.0% for the testing date occurring on 31 December 2020, 93.5% for the testing date occurring on 31 December 2021 and 92.5% thereafter.

(16) The Junior Regulatory Asset Ratio 82% trigger level applying in the Heathrow Finance plc financing results in a lock-up on distributions at Heathrow Finance plc but still permits distributions to occur from Heathrow (SP) Limited to Heathrow Finance plc so long as the Junior Regulatory Asset Ratio at Heathrow (SP) Limited does not exceed 85%
