

Operational Advice Notice

Maintenance Power Outage – Terminal 5

05th August 2026

ASWorks_OAN_523

Version 2.1

It is the responsibility of all employers to ensure that relevant OANs are brought to the attention of their staff. However, individuals remain responsible for their own actions and those who are in any doubt should consult their supervisor or Manager.

This is an updated version. Red bars have been added at the side of the document to draw the reader's attention to where changes have been made.

1. Introduction

- 1.1** This Operational Advice Notice (OAN) informs the airport community of a planned UKPNS maintenance works in Terminal 5. The stands affected have been highlighted below.

- 1.2** The maintenance works will be undertaken between **23:00 (local) on 11th August 2026 and 04:00 (local) on 12th August 2026**. All aircraft and stand equipment must be disconnected from the aircraft for the duration of maintenance works. The affected stand(s) and associated assets/facilities, mentioned in the table below, will be returned to service and normal operations will resume by 04:00 (local) on 11th August 2026:

Date/ Time	Stand(s)	Asset/Facility Affected
11 th August 2026 (23:00 – 04:00)	Stand 575	• FEGP • SEGS • Floodlighting • Stand Number Indicator • PCA • Tug chargers • Node lighting and power • SCADA cabinet • BA office

FEGPs and Airbridges must be removed from aircraft for maintenance

2. Safety Procedures

- 2.1** For any works that involve FEGP and airbridges, they must be removed from aircraft for the duration of the works.
- 2.2** Temporary lighting will be provided on those stands where flood lighting is not available.

3. Fault Reporting and Escalation (Example Heading)

- 3.1** Contact Heathrow One Engineering for General Faults – 0208 745 5144.
- 3.2** Contact Heathrow Emergency Line for anything that presents immediate risk or danger – 0208 759 1212 or 222 from an internal phone.

4. Enquiries
