

Operational Advice Notice

Terminal 2 EV Charging Hub Works

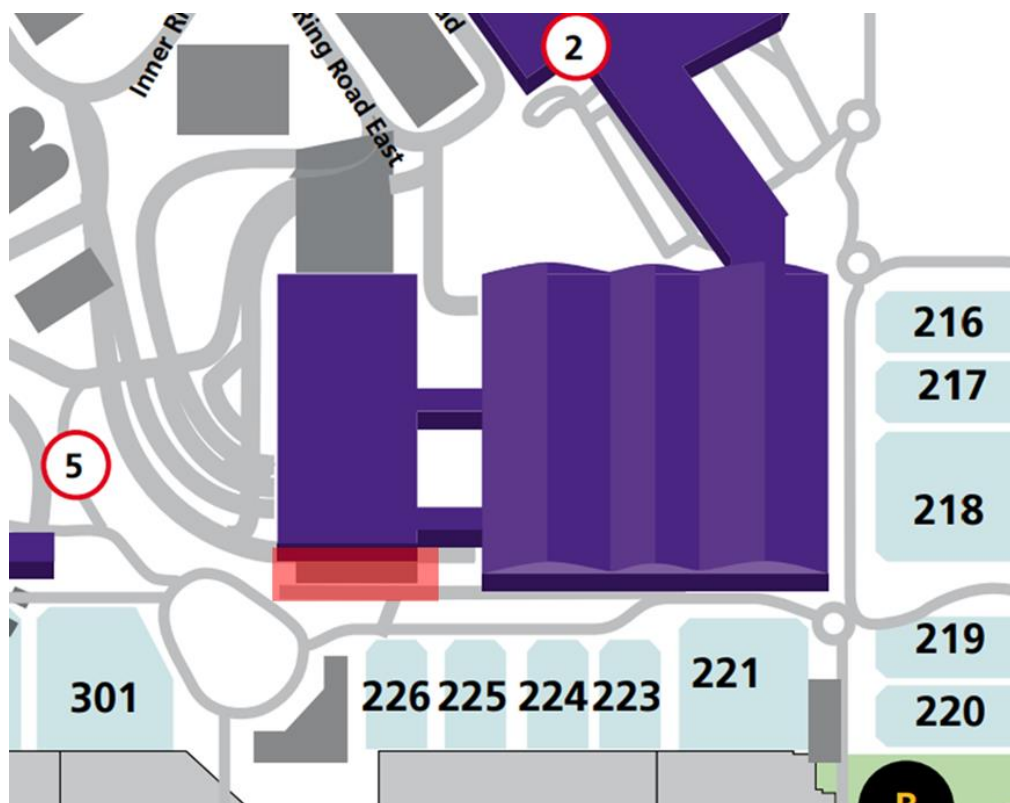

8th March 2024

ASWorks_OAN_185

Version 3.0

It is the responsibility of all employers to ensure that relevant OANs are brought to the attention of their staff. However, individuals remain responsible for their own actions and those who are in any doubt should consult their Supervisor or Manager.

This is an updated version. Red bars have been added at the side of the document to draw the reader's attention to where changes have been made.

1. Introduction

This Operational Advice Notice (OAN) has been written to give all airside users notice that the Terminal 2 EV charging hub works will be extended **until Friday, 3rd May 2024**. During this period, the parking area on the southern half of the T2A Ancillary Road will not be available.

This is to facilitate the installation of a new EV Charging Hub comprising of 12 parking bays and 6 EV fast chargers.

The road and remaining parking spaces in this area will remain unaffected and available for the duration of the works. These works will be completed on **Friday, 3rd May 2024**.

2. Enquiries

Any questions regarding this notice should be directed to the Airfield Control Room or the Airfield Duty Manager airfield.duty.manager@heathrow.com.
