

Operational Advice Notice

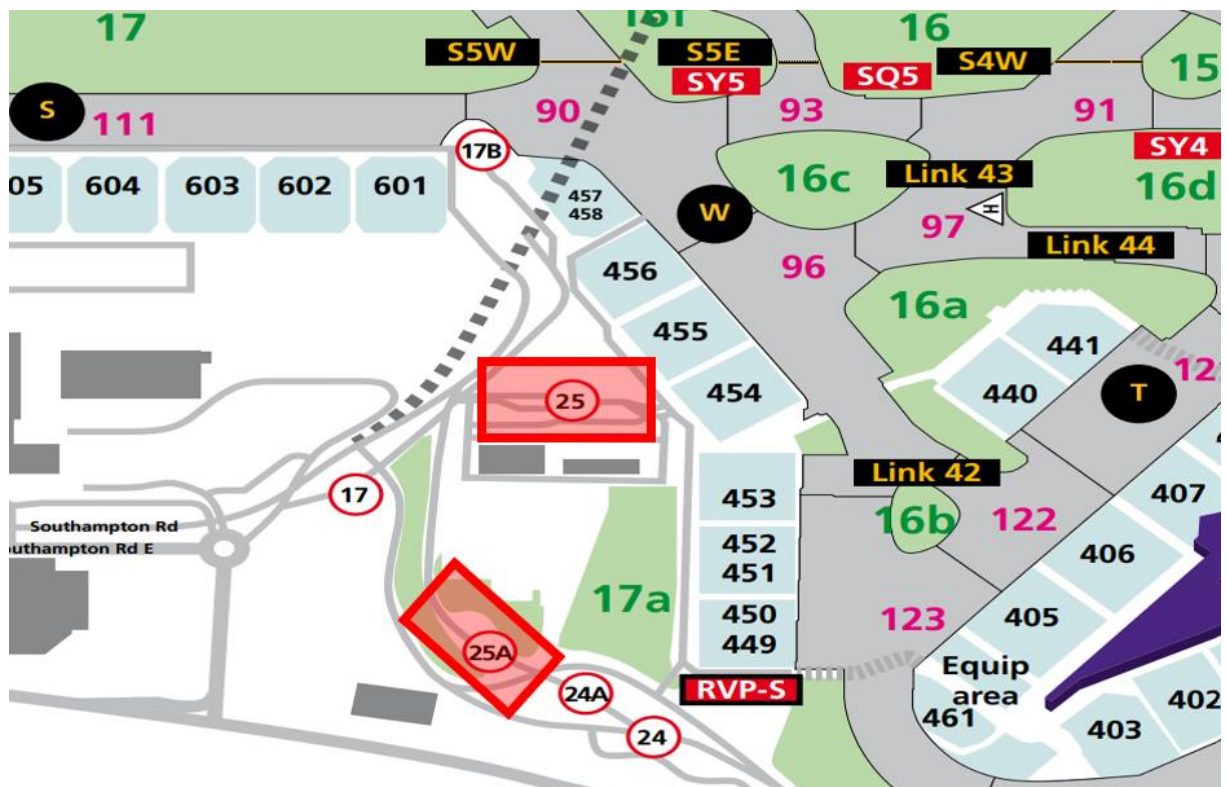

CP25 / 25A Night Closure

22nd April 2024

ASWorks_OAN_253

Version 3.0

It is the responsibility of all employers to ensure that relevant OSIs/OANs are brought to the attention of their staff. However, individuals remain responsible for their own actions and those who are in any doubt should consult their Supervisor or Manager.

This is an updated version. Red bars have been added at the side of the document to draw the reader's attention to where changes have been made.

1. Introduction

This Operational Advice Notice (OAN) has been written to give all airside road users notice of the closure of CP25/25A. This closure is to facilitate the installation of LV cables.

These works are due to take place from 30th April 2024 to 1st May 2024 between the hours of 22:30 (local) and 04:30 (local).

Please refer to **Drawing A** below for information regarding the road closure and traffic diversion in the area. **CP10A will be available during this diversion.**
