Version 2.0

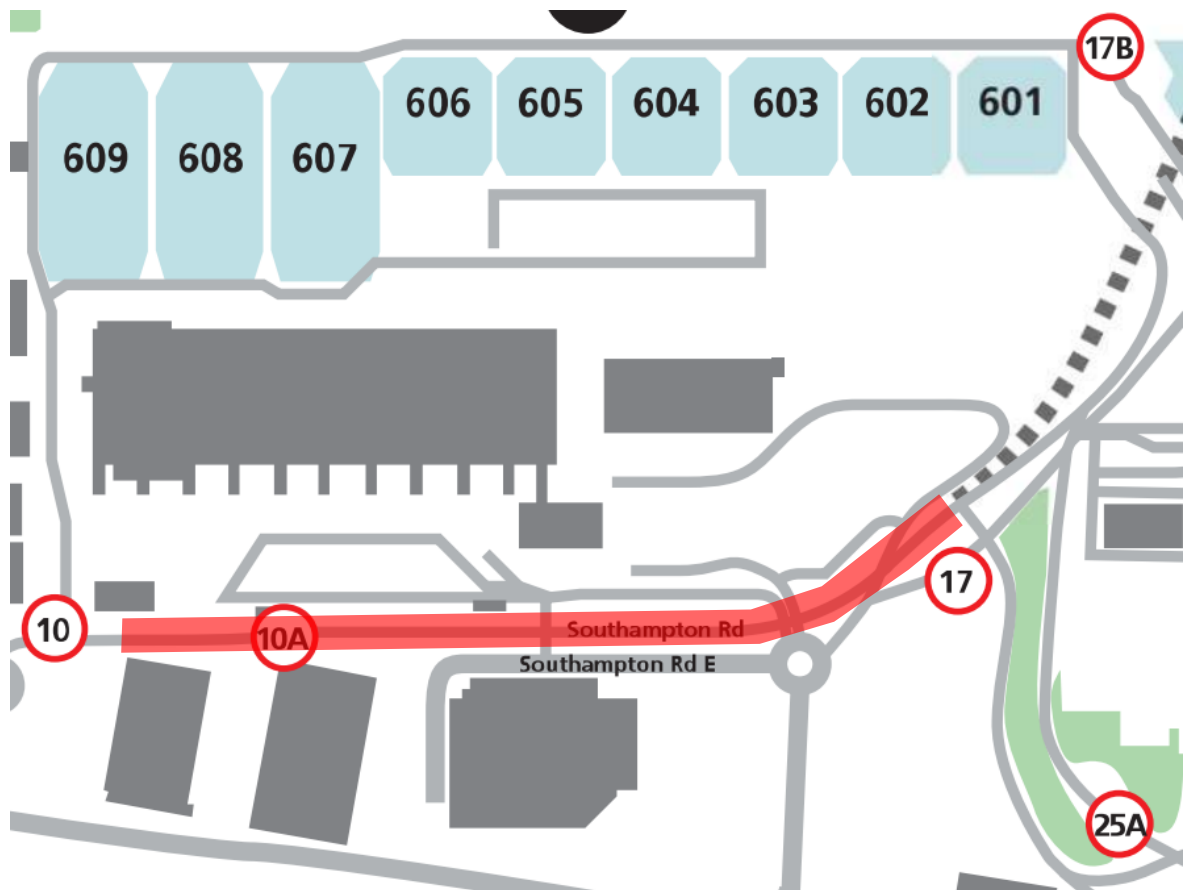

It is the responsibility of all employers to ensure that relevant OANs are brought to the attention of their staff. However, individuals remain responsible for their own actions and those who are in any doubt should consult their Supervisor or Manager.

**This is an updated version. Red bars have been added to the left-hand side of this document to draw the reader's attention to where changes have been made.**

## 1. Introduction

This Operational Advice Notice (OAN) informs the airport community of a road closure for Southampton Road on the following dates to allow pit and duct survey works to be carried out for the cargo southside project:

- 23<sup>rd</sup> April 2024 to 29<sup>th</sup> April 2024 (from 22:30 to 03:30).
- 2<sup>nd</sup> May 2024 to 6<sup>th</sup> May 2024 (from 22:30 to 03:30).

There will be a traffic management system in place to assist with traffic diversions in the area, as per **Drawing A** below. Drivers must adhere to the speed limits and signs displayed at all times. During the above-mentioned hours, all traffic **will not** be able to use CP10A to transit between Cargo Terminal and Terminal 4. They will be diverted to use CP25A instead. Outside of the above-mentioned hours, the roadway will be returned to full operations.
