### 1. Introduction

This Operational Advice Notice (OAN) informs the airport community that there will be a road closure on the West Circular Road to facilitate road marking painting works for the British Airways Bus Electrification Project. This requires making changes in the layout of West Circular Road with Romeo roundabout. The work is due to take place on **2<sup>nd</sup> May 2024 between the hours of 2230 (local) and 0430 (local)**.

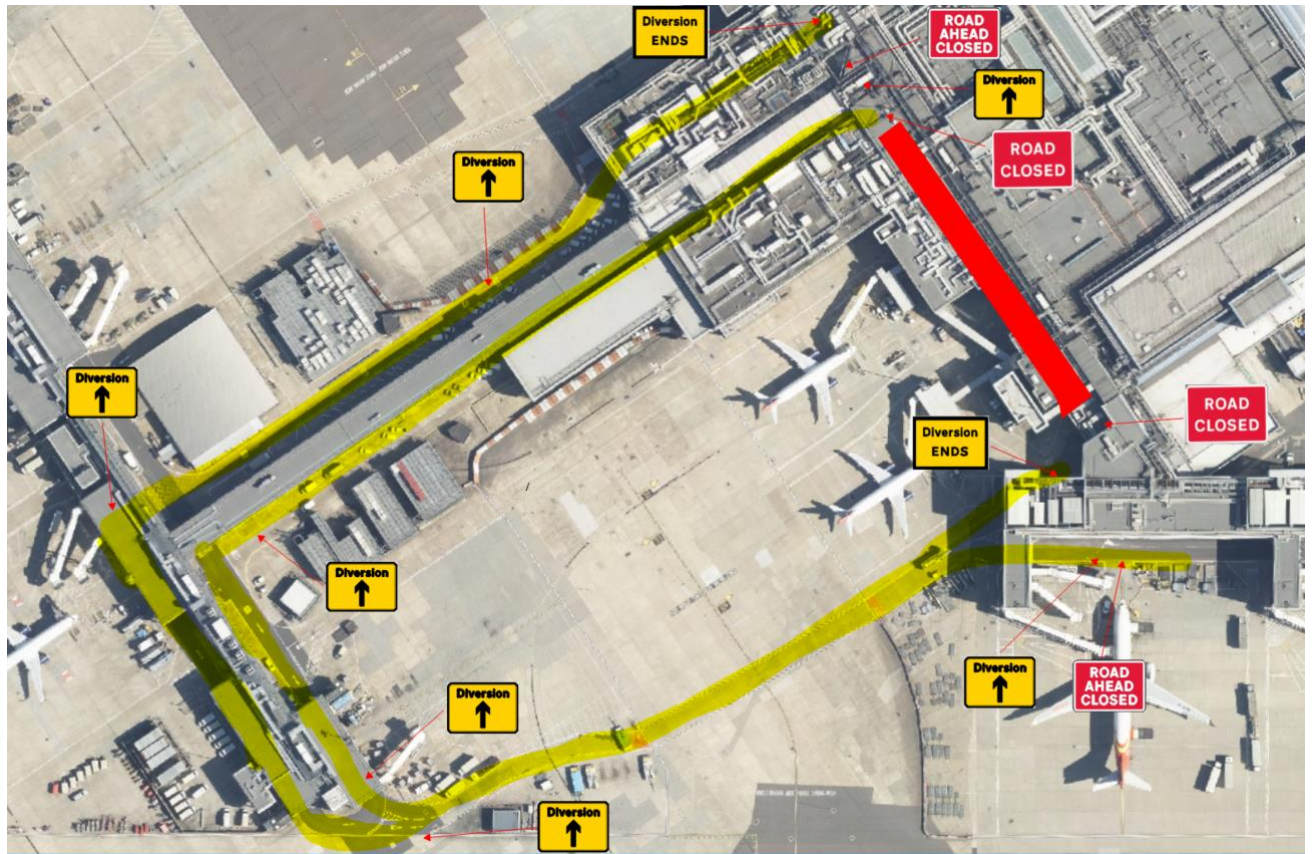

There will be a traffic management plan in place to safeguard the traffic diversion in the area, as per **Drawing A below**. Drivers must observe and follow the traffic signages displayed at all times.

**Please note that this alternative route will mean road users are likely to use an uncontrolled crossing. Users are reminded to familiarise themselves with the rules and restrictions of use of uncontrolled taxiway crossings.**
