Operational Safety Instruction
Road Maps

It is the responsibility of all employers to ensure that relevant OSIs are brought to the attention of their staff. However, individuals remain responsible for their own actions and those who are in any doubt should consult their Supervisor or Manager.

1. Introduction
   This notice is issued regarding the introduction of the new Heathrow Road Maps.

2. Safety Procedure
   2.1 A Road map is available for each Terminal & Cargo area. Each map is double sided and identifies the following:
      2.1.1 Road layout & names
      2.1.2 Road speeds
      2.1.3 Road height restrictions
      2.1.4 Location of Airside defibrillators
   
   2.2 Due to the changing nature of the airfield, these maps should be used for guidance only. Airside drivers should always follow road signage as this will be the most current and up to date.

   2.3 All map contents are as of August 2019.

3. Hard Copies
   3.1 Z cards have been produced for each Terminal & Cargo areas as well as a much larger Z Card that captures all areas. Copies of these are available by calling in person to the Airside Safety Department, situated in the Airside Operations Facility, building 16887, located in Grass Area 5.
3.2 A4 PDF electronic copies are available on the Heathrow Airside website at www.heathrowairport.com/airside

4. Enquiries

4.1 Any questions regarding this Instruction should be addressed to the Aerodrome Assurance Support Manager, AOF, email Airside_Safety@heathrow.com
