

# Rail Disruption

(25/26 November 2023)  
and very early morning 27 November

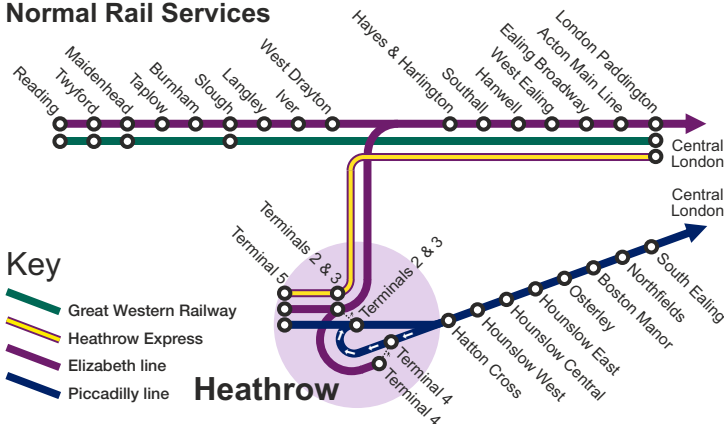

What is going on  
and what alternatives  
are there?

Version 6.

All details are to the best of our  
knowledge, as at 22 November 2023

**Heathrow**

## Normal Rail Services

## What's happening?

On Saturday 25 November, Sunday 26 November and very early on Monday 27 November, there will be a significant reduction in the number of rail services operating to Heathrow. This is due to planned engineering works. See the next page for diagrams.

## What should I do if travelling at these times?

Please allow more time for your journey. The alternatives in this guide may become busy and could take longer than scheduled.

## Where can I find more details?

Details can also be found on the following webs pages:

# Coaches from London Victoria

National Express and megabus operate a very comprehensive service between Victoria Coach Station and Heathrow Central Bus Station (for Terminals 2 and 3). Some National Express coaches also serve Terminal 5, and Terminal 4 can be reached on National Express by changing coaches at Heathrow.

Coaches have comfortable seats, air-conditioning, USB power sockets and ample space for luggage. For more details, please visit the following websites:

**FREE**  
on 25/26/27  
November  
2023

When the trains and Tube  
stop running at night,  
buses and coaches swoop  
in, operating every hour.

N30 doesn't travel beyond the airport boundary  
when the Night Tube is operating
