

## Heathrow Bus and Coach Departure Charge Consultation Timetable

A consultation document and agenda will be issued five working days in advance of the 26<sup>th</sup> May 2011 detailing HAL's intended strategy for the departure charge.

- Initial consultation meeting on the 26<sup>th</sup> May.
- Follow up workshop week ending 10<sup>th</sup> June
- Any formal responses back to HAL 8<sup>th</sup> July
- New price announced 8<sup>st</sup> August
- New price effective from 1<sup>st</sup> October 2011

Once this process has been completed we intend to create a new forum called the CBS charges stakeholder group. This will consist of the commercial coach operators and CPT. The group will meet on a quarterly basis with the aim to give greater visibility to those stakeholders of the costs and the resulting impact to the departure charge.
