(v) These dishes are made from ingredients that do not contain meat or fish. However, we do not have dedicated preparation or cooking areas within our kitchen for vegetarian food. Not all ingredients are shown in the dish descriptions. We follow good hygiene practices in our kitchens, but due to the presence of allergenic ingredients in some products there is a small possibility that allergen traces may be found in any item. We advise you to speak to a member of staff if you have any food allergies or intolerances. For full details visit www.restaurantallergens.com/thecurator. Our fish is a natural product & may contain small bones. We are happy to provide you with allergen guidelines for all our menu items. As our food is prepared & freshly cooked to order in our busy kitchen, there may be a risk that traces of allergens & gluten can be found in any dish. For more detailed information please ask one of our crew. TRG Concessions only use RSPCA Assured™ shell eggs in our restaurants. This means we use suppliers and farmers that adhere to the RSPCA welfare standard and have been checked by RSPCA assessors.
