

The maps below shows the location of each of the four holding stacks (the location of the stacks remain the same whether the airport is operating on easterlies or westerlies). The following slide shows a zoomed in map of the Ockham stack.

This map shows a day of arrivals on easterly operations. The **Ockham** stack is labelled.

This map shows a day of arrivals on westerly operations. The **Ockham** stack is labelled.

This map shows a day of arrivals zoomed in over the Ockham stack
